**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

*New Executive Severance Agreements*

On July 31, 2007, we entered into new Executive Severance Agreements with several of our officers, including the following “named executive officers” identified in our proxy statement relating to our 2007 annual meeting of stockholders: Michael W. Harlan, Robert D. Hardy and Thomas J. Albanese. The new agreements generally replace other agreements or term sheets previously agreed to between us and the applicable officers. Each Executive Severance Agreement provides for severance payments and other benefits following termination of the applicable officer’s employment under various scenarios, as described below. Each such agreement also contains a confidentiality agreement, requiring the applicable officer to maintain the confidentiality of confidential information we provide him, as well as a non-competition agreement that generally extends for one year after the officer’s employment terminates (subject to extension in the event of a change of control, so that the non-competition agreement will extend to cover the number of months used to determine the severance benefits payable to him (as described below)).

In the case of a termination of the applicable officer’s employment either by us without “cause” or by the officer for “good cause,” the officer would generally be entitled to the following severance benefits:

- a lump-sum payment in cash equal to the officer’s monthly base salary in effect on the date of termination multiplied by 12, together with a prorated amount of monthly base salary for any partial month in which the termination occurs;
- a lump-sum payment in cash equal to the amount of the officer’s (1) target bonus for the bonus year in which the termination occurs, prorated based on the number of days in the bonus year that have elapsed prior to the termination, and (2) unused vacation days earned the year prior to the year in which the termination occurs, plus pro rata vacation days earned in the year in which the termination occurs;
- payment by us of all applicable medical continuation premiums for continuation coverage under the Consolidated Omnibus Budget Reconciliation Act, or COBRA, for the benefit of the officer (and his covered dependents as of the date of his termination, if any) under his then-current plan election for 18 months after termination; and
- immediate vesting of all outstanding and previously unvested stock options, restricted stock awards, restricted stock units and similar awards granted to the officer by us prior to the date of termination, and immediate lapsing of any restrictions, forfeiture conditions or other conditions or criteria applicable to any such awards on the date of termination.

In the event there is a “change of control” of our company and within one year thereafter the officer’s employment is terminated by us without cause or by the officer for good cause, the lump-sum payments described above with respect to monthly base salary and target bonus will each be increased by multiplying them by: 3, in the case of Mr. Harlan; 2.5, in the case of Mr. Hardy and certain other officers; or 2, in the case of Mr. Albanese and each other officer who is a party to an Executive Severance Agreement.

In the case of termination by reason of the officer’s death or long-term/permanent disability, the officer or his heirs would be entitled to substantially the same benefits as outlined above for a termination by us without cause or by the officer for good cause, except that any unvested stock options would not become vested, but instead would terminate immediately.

In the case of a termination of the applicable officer’s employment either by us for cause or by the officer without good cause, the officer would be entitled to payments for his pro rata monthly base salary and unused vacation, in each case through the date of termination, and (except in the case of a for cause termination for gross negligence or willful

misconduct or neglect) all unvested stock options, restricted stock, restricted stock units and other awards held by the officer would be cancelled. Also, in the case of a termination by us for cause, all vested stock options held by the officer would remain exercisable for a period of up to 90 days, after which they would expire.

---

Under each Executive Severance Agreement, we would have “cause” to terminate the applicable officer’s employment in the event of:

- the officer’s gross negligence, willful misconduct or willful neglect in the performance of his material duties and services to us;
- the officer’s final conviction of a felony by a trial court, or his entry of a plea of nolo contendere to a felony charge;
- any criminal indictment of the officer relating to an event or occurrence for which he was directly responsible which, in the business judgment of a majority of our Board of Directors, exposes our company to ridicule, shame or business or financial risk; or
- a material breach by the officer of any material provision of the Executive Severance Agreement.

On the other hand, the officer generally would have “good cause” to terminate his employment if there is:

- a diminution in his then current monthly base salary;
- a material change in the location of his principal place of employment by us;
- any material diminution in his current position or any title or position to which he has been promoted;
- any material diminution of his authority, duties or responsibilities from those commensurate and consistent with the character, status and dignity appropriate to his current position or any title or position to which he has been promoted (provided, however, that if at any time he ceases to have such duties and responsibilities because we cease to have any securities registered under Section 12 of the Securities Exchange Act of 1934, as amended, or cease to be required to file reports under Section 15(d) of the Securities Exchange Act of 1934, as amended, then the officer’s authority, duties and responsibilities will not be deemed to have been materially diminished solely due to the cessation of such publicly-traded company duties and responsibilities);
- any material breach by us of any material provision of the Executive Severance Agreement, including any failure by us to pay any amount due under the Executive Severance Agreement; or
- with respect to Messrs. Harlan and Hardy and other specified officers, any restructuring of his direct reporting relationship within our company.

Under each Executive Severance Agreement, a “change in control” will be deemed to have occurred on the earliest of any of the following dates:

- the date our company merges or consolidates with any other person or entity, and the voting securities of our company outstanding immediately prior to such merger or consolidation do not continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the total voting power of the voting securities of our company or such surviving entity outstanding immediately after such merger or consolidation;
- the date our company sells all or substantially all of our assets to any other person or entity;
- the date our company is dissolved;

Edgar Filing: US CONCRETE INC - Form 8-K

- the date any person or entity together with its affiliates becomes, directly or indirectly, the beneficial owner of voting securities representing more than 50% of the total voting power of all then outstanding voting securities of our company; or

-2-

---

• the date the individuals who currently constitute the non-employee members of our Board of Directors (the “Incumbent Board”) cease for any reason to constitute at least a majority of the non-employee members of our Board, provided that, for purposes of this clause, any person becoming a director whose election or nomination for election by our stockholders was approved by a vote of at least 80% of the directors comprising the Incumbent Board then still in office (or whose election or nomination was previously so approved) will be considered as though such person were a member of the Incumbent Board.

The terms of the Executive Severance Agreements with each of the named executive officers, copies of which is being filed as exhibits to this Current Report on Form 8-K, are hereby incorporated by reference in their entirety.
