Section 5 - Corporate Governance and Management

Item 5.03.

The depositary units and the 5% cumulative pay-in-kind redeemable preferred units of Icahn Enterprises L.P. (the “Company”) are listed on the New York Stock Exchange (the “NYSE”). On August 8, 2006, the Securities and Exchange Commission approved amendments to Rule 501.00 DRS Participation of the NYSE Listed Company Manual, which requires securities listed on the NYSE to be eligible for a Direct Registration Program operated by a clearing agency registered under Section 17A of the Exchange Act. A Direct Registration Program permits an investor’s ownership to be recorded and maintained on the books of the issuer or the transfer agent without the issuance of a physical certificate. Investors receive annual statements from the issuer indicating their holdings. The rule change does not require issuers to actually participate in a Direct Registration Program or to eliminate physical certificates. However, the change requires that listed securities be eligible for such a program. The Company has until December 31, 2007 to amend its Amended and Restated Agreement of Limited Partnership, as amended (the “Partnership Agreement”), with the rule change. Therefore, on December 17, 2007, the Board of Directors of Icahn Enterprises G.P. Inc., the general partner of the Company, pursuant to Sections 14.01(f)(iii) and (iv) of the Partnership Agreement, amended Section 9.01 of the Company’s Partnership Agreement in its entirety to permit a Direct Registration Program.

A copy of the Partnership Agreement, as amended, is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
