**INFORMATION CONCERNING THE ACTION BY WRITTEN CONSENT**

**Date and Purpose of Written Consent**

On May 6, 2008, stockholders holding a majority of the voting power of The Blackhawk Fund, or Blackhawk, have taken action by written consent to amend and restate Blackhawk's articles of incorporation to effectuate the following: (i) reduce the minimum number of authorized directors from two (2) to one (1); (ii) grant authority to our board of directors to effectuate a stock split or reverse stock split without stockholder approval; (iii) elect not to be governed by certain provisions pertaining to "resident domestic corporations" under the Nevada Revised Statutes; and (iv) elect not to be governed by certain provisions relating to "issuing corporations" under the Nevada Revised Statutes.

**Voting Power of Stockholders; Stockholders Entitled to Notice**

Approval of the matters actions described herein requires the written consent of the holders of outstanding stock of each voting group entitled to vote on such matters. As of May 6, 2008, there were 562,393,791 shares of our common stock outstanding, 500,000 shares of our Series A preferred stock outstanding, 10,000,000 shares of our Series B preferred stock outstanding, and 10,000,000 shares of our Series C preferred stock outstanding. Holders of our common stock are entitled to one vote per share, for a total of 562,393,791 votes. Holders of our Series A preferred stock are not entitled to vote. Holders of our Series B preferred stock are entitled to one vote per share, for a total of 10,000,000 votes. Holders of our Series C preferred stock are entitled to the number of votes on such matters equal to the product of (a) the number of shares of the Series C Preferred Stock held by such holder, (b) the number of issued and outstanding shares of the Company's common stock, on a fully-diluted basis, as of the record date for the vote, or, if no such record date is established, as of the date such vote is taken or any written consent of stockholders is solicited, and (c) 0.0000002, for a total of 5,124,727,582 votes. For the actions described herein, all holders of our capital stock vote together as a single class. Accordingly, as of the record date, May 6, 2008, the total voting power held by all stockholders was 5,697,181,373 votes. Stockholders of record at the close of business on May 6, 2008, will be entitled to receive this notice and information statement.

**Consents Required**

The actions to be taken require the written consent of stockholders holding at least a majority of the voting power of the company, which consists of the holders of outstanding shares of common stock, Series B preferred stock, and Series C preferred stock voting together as a single class. On May 6, 2008, Terminus, Inc., the holder of all of our Series C preferred stock, who holds voting power consisting of 5,124,727,582 votes, delivered a written consent to us adopting the proposals set forth herein.

### **Information Statement Costs**

The cost of delivering this information statement, including the preparation, assembly and mailing, of the information statement, as well as the cost of forwarding this material to the beneficial owners of our capital stock, will be borne by us. We may reimburse brokerage firms and others for expenses in forwarding information statement materials to the beneficial owners of our capital stock.

### **Change in Control**

On April 24, 2008, Terminus, Inc. purchased 10,000,000 shares of our Series C preferred stock from Angel Acquisition Corporation (formerly Palomar Enterprises, Inc.) for \$363,000. Concurrently therewith, in part to fund the purchase, Blackhawk and Terminus, Inc., as co-issuers, issued and sold to a single accredited investor: (i) a \$550,000 12% secured promissory note and (ii) 500,000 shares of the Company's Series A Preferred Stock. To secure payment of the note, Terminus pledged the 10,000,000 shares of the Company's Series C Preferred Stock. In connection therewith, we amended the certificate of designation for our Series C preferred stock. Pursuant to the amendment, on all matters submitted to a vote of the holders of the common stock, including, without limitation, the election of directors, a holder of shares of the Series C preferred stock shall be entitled to the number of votes on such matters equal to the product of (a) the number of shares of the Series C preferred stock held by such holder, (b) the number of issued and outstanding shares of our common stock, on a fully-diluted basis, as of the record date for the vote, or, if no such record date is established, as of the date such vote is taken or any written consent of stockholders is solicited, and (c) 0.0000002. As a result, the sale of the Series C preferred stock by Angel Acquisition to Terminus effectively transferred Angel Acquisition's control of Blackhawk to Terminus, giving Terminus approximately 89% of all votes entitled to be cast in any matter requiring or permitting a vote of stockholders.

In connection with this change in control, Steve Bonenberger resigned as our President and Chief Executive Officer, and Brent Fouch resigned as our Secretary and Chief Financial Officer. In connection therewith, the board of directors increased the number of authorized directors from two to three and appointed Frank Marshik to fill the newly created vacancy on the board. The board of directors then appointed Mr. Marshik as our President, Chief Financial Officer, and Secretary. Thereafter, Messrs. Bonenberger and Fouch resigned as directors. Their resignations as directors were not based on any disagreement with us on any matter relating to our operations, policies or practices. Mr. Marshik, as the sole remaining director, appointed Terry Ross to fill one of the two vacancies resulting from these resignations.

### **No Dissenter's Rights**

Stockholders have no appraisal or dissenter's rights with respect to any of the actions described in this information statement.

### **Householding of Information Statement**

## **THE PROPOSALS**

### **PROPOSAL 1 AMENDMENT TO OUR ARTICLES OF INCORPORATION TO REDUCE THE MINIMUM NUMBER OF AUTHORIZED DIRECTORS FROM TWO (2) TO ONE (1)**

#### **Introduction**

On May 6, 2008, our board of directors unanimously adopted a resolution declaring it advisable to amend our articles of incorporation to reduce the minimum number of authorized directors from two (2) to one (1), and, concurrently therewith, stockholders holding a majority of the voting power of Blackhawk took action by written consent approving the amendment to our articles of incorporation effectuating this reduction in the minimum number of authorized directors.

#### **Effective Time of the Amendment Reducing the Minimum Number of Directors**

We intend to file, as soon as practicable on or after the twentieth (20<sup>th</sup>) day after this information statement is sent to our stockholders, an amendment to our articles of incorporation effectuating the reduction of the minimum number of directors with the Nevada Secretary of State. This amendment will become effective at the close of business on the date the amendment to the articles of incorporation is accepted for filing for the Nevada Secretary of State. It is presently contemplated that such filing will be made on or after June 25, 2008.

A copy of the articles of amendment to the articles of incorporation, which we refer to as the “amendment” in this information statement, is attached to this information statement as Appendix A.

#### **Reasons for Reducing the Minimum Number of Directors**

Our articles of incorporation currently provide that Blackhawk have at least two directors. However, Nevada law only requires a Nevada corporation to have one director. The board of directors believes that a reduction in the minimum number of directors to the minimum allowed by Nevada law will provide flexibility for both our management and business. We are a small company, and the current board of directors and the holder of the Series C preferred stock do not believe that two directors are necessary to govern the corporation or oversee the operations. They also desire to have the flexibility to reduce the number of directors to one if circumstances dictate this course of action is prudent.

### **PROPOSAL 2 AMENDMENT TO OUR ARTICLES OF INCORPORATION TO AUTHORIZE OUR BOARD OF DIRECTORS TO EFFECTUATE A STOCK SPLIT OR REVERSE STOCK SPLIT WITHOUT STOCKHOLDER APPROVAL**

#### **Introduction**

On May 6, 2008, our board of directors unanimously adopted a resolution declaring it advisable to amend our articles of incorporation to grant authority to our board of directors to effectuate a stock split or reverse stock split without correspondingly increasing or decreasing the number of authorized shares of the same class or series without obtaining the approval of the stockholders or the approval of the holders of shares of the affected class or series, and, concurrently therewith, stockholders holding a majority of the voting power of Blackhawk took action by written consent approving the amendment to our articles of incorporation granting this authority.

**Effective Time of the Amendment Authorizing the Directors to Effectuate a Stock Split or Reverse Stock Split without Stockholder Approval**

We intend to file, as soon as practicable on or after the twentieth (20<sup>th</sup>) day after this information statement is sent to our stockholders, an amendment to our articles of incorporation effectuating the grant of authority to our board of directors to effectuate a stock split or reverse stock split without stockholder approval with the Nevada Secretary of State. This amendment will become effective at the close of business on the date the amendment to the articles of incorporation is accepted for filing for the Nevada Secretary of State. It is presently contemplated that such filing will be made on or after June 25, 2008.

A copy of the amendment is attached to this information statement as Appendix A.

**Reasons for Authorizing the Directors to Effectuate a Stock Split or Reverse Stock Split without Stockholder Approval**

The board of directors believes that an amendment to our articles of incorporation authorizing our board of directors to effectuate a stock split or reverse stock split without stockholder approval will provide flexibility for both our management and business. The proposed amendment to the articles of incorporation would allow us to implement a stock split or reverse stock split of any class or series of our capital stock without correspondingly increasing or decreasing the number of authorized shares of the same class or series by means of a resolution adopted by its board of directors without obtaining the approval of the stockholders or the approval of the holders of shares of the affected class or series. Authorization of a stock split or reverse stock split without correspondingly increasing or decreasing the number of authorized shares of the same class or series without stockholder approval is important to us, inasmuch as we will be able to change our outstanding capital stock to more efficiently meet our future needs. Presently, we need to go to the time and expense of having a stockholder's meeting or to have the stockholders with a majority of voting power act by written consent in order to effectuate a stock split or reverse stock split without correspondingly increasing or decreasing the number of authorized shares of the same class or series, which includes the time and expense of filing and distributing proxy or information materials in compliance with the rules and regulations of the SEC under Section 14 of the Securities Exchange Act of 1934, as amended. We seek be able to quickly deal with situations calling for us to modify our capital structure, such as equity financings, convertible debt financings, certain types of mergers and acquisitions, adoption of employee benefit and equity compensation plans, reorganizations (whether pursuant to bankruptcy laws or otherwise), recapitalizations, and if the Company's common stock trades at a value below par value. Although our management considers it likely that Blackhawk Fund will authorize a reverse stock split in the future, we do not have current plans to implement any stock split.

**Nevada Law**

Under Nevada law, the articles of incorporation of a Nevada corporation may contain a provision that allows the corporation's board of directors to effectuate a stock split or reverse stock split without correspondingly increasing or decreasing the number of authorized shares of the same class or series without obtaining the approval of the stockholders or the approval of the holders of shares of the affected class or series.

Nevada Revised Statutes Section 78.037, which governs what optional provisions may be contained in the articles of incorporation for a Nevada corporation, states the following:

“The articles of incorporation may also contain any provision, not contrary to the laws of this State:

1. For the management of the business and for the conduct of the affairs of the corporation;
2. Creating, defining, limiting or regulating the powers of the corporation or the rights, powers or duties of the directors, the officers or the stockholders, or any class of the stockholders, or the holders of bonds or other obligations of the corporation; or
3. Governing the distribution or division of the profits of the corporation.”

Section 13 of the proposed Amended and Restated Articles of Incorporation, which would allow for a grant of authority to the board to effect a forward or reverse stock split without shareholder approval, is a provision that is not contrary to any law of the State of Nevada, and thus may be included in the articles of incorporation (or, in this case, an amendment to the articles of incorporation).

In addition, Nevada law’s “default” provisions regarding stock splits and reverse stock splits explicitly authorize a board of directors of a Nevada corporation to effect a stock split or reverse stock split without stockholder approval. Nevada Revised Statutes Section 78.207 states, in relevant part, the following:

“1. Unless otherwise provided in the articles of incorporation, a corporation that desires to change the number of shares of a class or series, if any, of its authorized stock by increasing or decreasing the number of authorized shares of the class or series and correspondingly increasing or decreasing the number of issued and outstanding shares of the same class or series held by each stockholder of record at the effective date and time of the change, may, except as otherwise provided in subsections 2 and 3, do so by a resolution adopted by the board of directors, without obtaining the approval of the stockholders. The resolution may also provide for a change of the par value, if any, of the same class or series of the shares increased or decreased. After the effective date and time of the change, the corporation may issue its stock in accordance therewith.

...

3. Except as otherwise provided in this subsection, if a proposed increase or decrease in the number of authorized shares of any class or series would adversely alter or change any preference or any relative or other right given to any other class or series of outstanding shares, then the increase or decrease must be approved by the vote, in addition to any vote otherwise required, of the holders of shares representing a majority of the voting power of each class or series whose preference or rights are adversely affected by the increase or decrease, regardless of limitations or restrictions on the voting power thereof. The increase or decrease does not have to be approved by the vote of the holders of shares representing a majority of the voting power in each class or series whose preference or rights are adversely affected by the increase or decrease if the articles of incorporation specifically deny the right to vote on such an increase or decrease.”

Nevada law specifically authorizes a Nevada corporation to effectuate a stock split or reverse stock split without stockholder approval under certain circumstances, as set forth in NRS 78.207, but NRS 78.207 (along with NRS 78.2055) specifically contemplates that the articles of incorporation may otherwise provide for the grant of lesser or greater authority to the board of directors to effectuate stock splits or reverse stock splits without stockholder approval.

### **Procedure for Effectuating Stock Split or Reverse Stock Split**

In the event that we effectuate a stock split or reverse stock split without stockholder approval, we intend to issue a press release and file a current report on Form 8-K to notify our stockholders and the public at large of the corporate action. In addition, pursuant to SEC Rule 10b-17, we will provide 10 days advance notice to the NASD of a stock split or reverse stock split. These are the procedures we would likely follow if we were to effectuate a stock split or reverse stock split pursuant to the existing provisions of NRS Section 78.207. Other than SEC Rule 10b-17, we are unaware of any applicable law that requires us to provide advance notice to stockholders of a stock split or reverse stock split under the proposed amendment to the articles of incorporation or NRS 78.207.

**PROPOSAL 3  
AMENDMENT TO OUR ARTICLES OF  
INCORPORATION TO ELECT TO NOT TO BE GOVERNED BY CERTAIN PROVISIONS  
PERTAINING TO “RESIDENT DOMESTIC CORPORATIONS” UNDER THE NEVADA  
REVISED STATUTES**

**Introduction**

On May 6, 2008, our board of directors unanimously adopted a resolution declaring it advisable to amend our articles of incorporation to elect that we shall not be subject to, or governed by, any of the provisions in Sections 78.411 to 78.444, inclusive, of the Nevada Revised Statutes at such time, if any, that we become a “resident domestic corporation” as that term is defined in Section 78.427 of the Nevada Revised Statutes, and, concurrently therewith, stockholders holding a majority of the voting power of Blackhawk took action by written consent approving the amendment to our articles of incorporation effectuating this election.

**Effective Time of the Amendment to Opt Out of Certain Provisions Pertaining to Resident Domestic Corporations**

We intend to file, as soon as practicable on or after the twentieth (20<sup>th</sup>) day after this information statement is sent to our stockholders, an amendment to our articles of incorporation effectuating the election not to be governed by certain provisions pertaining to resident domestic corporations with the Nevada Secretary of State. This amendment will become effective at the close of business on the date the amendment to the articles of incorporation is accepted for filing for the Nevada Secretary of State. It is presently contemplated that such filing will be made on or after June 25, 2008.

A copy of the amendment is attached to this information statement as Appendix A.

**Reasons for Electing Not to be Governed by Certain Provisions Pertaining to Resident Domestic Corporations**

Nevada Revised Statute (NRS) Section 78.427 defines a “resident domestic corporation” is as a domestic corporation that has 200 or more stockholders of record. NRS 78.434(5) allows a corporation to expressly elect in its articles of incorporation not to be governed by NRS 78.411 to 78.444 before the date it becomes a resident domestic corporation.

NRS 78.411 to 78.444 sets forth rules and restrictions regarding combinations of resident domestic corporations with interested stockholders. An “interested stockholder” is defined as any person who is (i) a beneficial owner, directly or indirectly, of ten percent (10%) or more of the voting power of the corporation, or (ii) an affiliate or associate of the resident domestic corporation of the resident domestic corporation and at any time within 3 years immediately before the date in question was the beneficial owner, directly or indirectly, of ten percent (10%) or more of the voting power of the outstanding shares of the domestic resident corporation.

We are not currently a resident domestic corporation. However, if we wait until we become a resident domestic corporation to make this election, it will not become effective until 18 months after such election is approved. Accordingly, it is more expedient to have the election made now.

If this election is not made, we will be unable to consummate any business combination with an interested person for a period of 3 years after such person becomes an interested person even if such combination is approved by all non-interested stockholders. While we currently do not have any plans to enter into a business combination with an interested stockholder, we feel it is in the best interests of the corporation and our stockholders to maintain the flexibility to pursue all options to maximize stockholder value. The rules under NRS 78.411 to 78.444 severely restrict our ability in this area. An election not to be governed by these rules would not obviate the need for stockholder approval. However, the board and the stockholders would be entitled to approve transactions prior to the end of the 3 year restriction period.

In addition to the 3 year waiting period, the provisions of NRS 78.411 to 78.444 provide that the consideration received in any business combination with an interested stockholder after such 3 year period must be higher than the amount per share paid by the interested stockholder or the market price of the stock on the day such party became interested. This provision intends to protect the non-interested stockholder. However, we believe it is in the stockholders best interest to allow them to decide whether a price is fair under certain circumstances. There is no guarantee that our stock price will continue to increase. Stockholders may decide that it is in their best interest to accept an offer from an interested stockholder in a declining market. If this election is not approved, stockholders will not have the right to make such determination.

**PROPOSAL 4**  
**AMENDMENT TO OUR ARTICLES OF**  
**INCORPORATION TO ELECT NOT TO BE GOVERNED BY CERTAIN PROVISIONS**  
**PERTAINING TO “ISSUING CORPORATIONS” UNDER THE NEVADA REVISED**  
**STATUTES**

**Introduction**

On May 6, 2008, our board of directors unanimously adopted a resolution declaring it advisable to amend our articles of incorporation to elect that we shall not be subject to, or governed by, any of the provisions in Sections 78.378 to 78.3793, inclusive, of the Nevada Revised Statutes at such time, if any, that we become an “issuing corporation” as that term is defined in Section 78.3788 of the Nevada Revised Statutes, and, concurrently therewith, stockholders holding a majority of the voting power of Blackhawk took action by written consent approving the amendment to our articles of incorporation effectuating this election.

**Effective Time of the Amendment to Opt Out of Certain Provisions Pertaining to Issuing Corporations**

We intend to file, as soon as practicable on or after the twentieth (20<sup>th</sup>) day after this information statement is sent to our stockholders, an amendment to our articles of incorporation effectuating the election not to be governed by certain provisions pertaining to issuing corporations with the Nevada Secretary of State. This amendment will become effective at the close of business on the date the amendment to the articles of incorporation is accepted for filing for the Nevada Secretary of State. It is presently contemplated that such filing will be made on or after June 25, 2008.

A copy of the amendment is attached to this information statement as Appendix A.

**Reasons for Electing Not to be Governed by Certain Provisions Pertaining to Issuing Corporations**

Nevada Revised Statute (NRS) Section 78.3799 defines “issuing corporation” as any corporation organized in Nevada which has 200 or more stockholders or record, at least 100 of whom have addresses in the state of Nevada appearing on the stock ledger and does business in the State of Nevada directly or through an affiliated corporation. The provisions of NRS 78.378 to 78.3793 apply to the acquisition of controlling interests in an issuing corporation unless the articles of incorporation provide otherwise.

The provisions relating to acquisition of a controlling interest in an issuing corporation provide that the acquiring person must deliver an offeror's statement and that a special meeting of stockholders must be called to determine whether such acquiring person shall be entitled to full voting rights of his shares. Further, if the offeror's statement is not delivered in the manner prescribed or if such acquiring person is not granted full voting rights by the stockholders, the issuing corporation will be required to call for redemption of such shares of the aforementioned acquiring person. We believe it is in the best interests of the corporation and its stockholder to avoid the time and expense associated with calling a special meeting of stockholders or redemption of such acquiring person's shares.

**PROPOSAL 5**  
**AUTHORIZATION TO THE BOARD OF DIRECTORS**  
**TO AMEND THE ARTICLES OF INCORPORATION TO**  
**CHANGE OUR NAME TO**  
**A NAME TO BE DETERMINED**  
**BY THE BOARD OF DIRECTORS**

**Introduction**

On May 6, 2008, our board of directors unanimously adopted a resolution declaring it advisable to authorize the board of directors to further amend our articles of incorporation to change the name of the company to a name to be determined by the board of directors in its sole discretion, and, concurrently therewith, stockholders holding a majority of the voting power of Blackhawk took action by written consent approving the authorization to amend our articles of incorporation effectuating such a name change.

**Effective Time of the Amendment to Change our Name**

In the event that the board of directors elects to change the name of our corporation, we would need to file an additional amendment to our articles of incorporation with the Nevada Secretary of State. This amendment would become effective at the close of business on the date the amendment to the articles of incorporation is accepted for filing by the Nevada Secretary of State.

**Reasons for Authorizing the Board of Directors to further Amend our Articles of Incorporation to Change the Name of our Corporation**

Our board of directors believes that a name change may be in our best interest in the future. Authorization of a name change without further stockholder approval is important to us, inasmuch as we will be able to change our name and corporate identity quickly. Presently, we need to go to the time and expense of having a stockholder's meeting or to have the stockholders with a majority of voting power act by written consent in order to change our name, which includes the time and expense of filing and distributing proxy or information materials in compliance with the rules and regulations of the SEC under Section 14 of the Securities Exchange Act of 1934, as amended. We desire to be able to quickly deal with situations calling for us to modify our name and corporate identity. Although our management considers it possible that we may change our name in the future, we do not have current plans to change our name.

**COMMON STOCK OWNERSHIP OF CERTAIN  
BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information regarding the beneficial ownership of our common stock as of May 6, 2008 by the following persons:

· each person who is known to be the beneficial owner of more than five percent (5%) of our issued and outstanding shares of common stock;

· each of our directors and executive officers; and

· all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. The number of shares and the percentage beneficially owned by each individual listed above include shares that are subject to options held by that individual that are immediately exercisable or exercisable within 60 days from May 6, 2008, and the number of shares and the percentage beneficially owned by all officers and directors as a group includes shares subject to options held by all officers and directors as a group that are immediately exercisable or exercisable within 60 days from May 6, 2008.

**THE BLACKHAWK FUND**

1. The name of the corporation is The Blackhawk Fund.
2. The purpose of the corporation is to engage in any lawful act or activity for which corporations may be organized under the laws of the State of Nevada.
3. The aggregate number of shares of all classes of capital stock which the corporation shall have authority to issue is Four Billion Fifty Million (4,050,000,000), consisting of (i) Four Billion (4,000,000,000) shares of common stock, par value \$0.0001 per share (the "Common Stock"), and (ii) Fifty Million (50,000,000) shares of preferred stock, par value \$0.0001 per share (the "Preferred Stock"). The Preferred Stock may be issued from time to time in one or more series. The board of directors is authorized to fix the number of shares of any series of Preferred Stock, to determine the designation of any such series and to determine or alter the rights, preferences, privileges, qualifications, limitations and restrictions granted to or imposed upon any wholly unissued series of Preferred Stock and, within the limits and restrictions stated in any resolution or resolutions of the board of directors originally fixing the number of shares constituting any series, to increase or decrease (but not below the number of shares of such series then outstanding) the number of shares of any such series subsequent to the issue of shares of that series.
4. The governing board of this corporation shall be known as directors. The initial authorized number of directors shall be one (1). The number of directors may from time to time be increased or decreased in such manner as shall be provided by the bylaws of this corporation.
5. The corporation shall have perpetual existence.
6. Cumulative voting shall not be permitted by the corporation.
7. In furtherance, and not in limitation of the powers conferred by statute, the board of directors is expressly authorized as follows:
  - (i) Subject to the bylaws, if any, adopted by the stockholders, to make, alter or amend the bylaws of the corporation.
  - (ii) To fix the amount to be reserved as working capital over and above its capital stock paid in, to authorize and cause to be executed mortgages and liens upon the real and personal property of this corporation.
  - (iii) By resolution passed by a majority of the whole board, to designate one or more committees, each committee to consist of one or more of the directors of the corporation, which, to the extent provided in the resolution or in the bylaws of the corporation, shall have and may exercise the powers of the board of directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it. Such committee or committees shall have such name and names as may be stated in the bylaws of the corporation or as may be determined from time to time by resolution adopted by the board of directors.

(iv) When and as authorized by the affirmative vote of stockholders holding stock entitling them to exercise at least a majority of the voting power given at a stockholders' meeting called for that purpose, or when authorized by the written consent of the holders of at least a majority of the voting stock issued and outstanding, the board of directors shall have power and authority at any meeting to sell, lease or exchange all of the property and assets of the corporation, including its good will and its corporate franchises, upon such terms and conditions as its board of directors deem expedient and for the best interest of the corporation.

8. Meetings of stockholders may be held outside the State of Nevada, if the bylaws so provide. The books of the corporation may be kept (subject to any provision contained in the statutes) outside the State of Nevada at such place or places as may be designated from time to time by the board of directors or in the bylaws of the corporation.

9. The personal liability of a director or officer to the corporation or its stockholders for damages for breach of fiduciary duty as a director or officer shall be eliminated to the fullest extent permissible under Nevada law except for the following: (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law; or (b) the payment of distributions in violation of Section 78.300 of the Nevada Revised Statutes.

If the Nevada Revised Statutes are hereinafter amended to authorize the further elimination or limitation of the liability of a director or officer, then the liability of a director or officer of the corporation shall be eliminated or limited to the fullest extent permitted by the Nevada Revised Statutes, so as amended.

Any repeal or modification of the foregoing provisions of Article 9 by the stockholders of the corporation shall not adversely affect any right or protection of a director or officer of the corporation existing prior to the date when such repeal or modification becomes effective.

10. This corporation reserves the right to amend, alter, change or repeal any provision contained in the articles of incorporation, in the manner now or hereafter prescribed by statute, or by the articles of incorporation, and all rights conferred upon stockholders herein are granted subject to this reservation.

11. At such time, if any, as the corporation becomes a "resident domestic corporation," as that term is defined in Section 78.427 of the Nevada Revised Statutes, the corporation shall not be subject to, or governed by, any of the provisions in Sections 78.411 to 78.444, inclusive, of the Nevada Revised Statutes, as may be amended from time to time, or any successor statute.

12. At such time, if any, as the corporation becomes an "issuing corporation," as that term is defined in Section 78.3788 of the Nevada Revised Statutes, this corporation shall not be subject to, or governed by any of the provisions in Sections 78.378 to 78.3793, inclusive, of the Nevada Revised Statutes, as may be amended from time to time.

13. The corporation may, by resolution or resolutions adopted by the board of directors and without obtaining approval of the stockholders of the corporation, increase or decrease the number of issued and outstanding shares of a class or series of its authorized capital stock held by each stockholder of record of such class or series without correspondingly increasing or decreasing the number of authorized shares of such class or series. The resolution may, but is not required to, also provide for an increase or decrease of the number of authorized shares of such class or series in either a corresponding or disproportionate ratio to the increase or decrease in the number of issued and outstanding shares of such class or series. The resolution may also provide for a change of the par value, if any, of the same class or series of the shares increased or decreased. An increase or decrease of the number of issued and outstanding shares of a class or series of authorized capital stock does not have to be approved by either (a) the vote of stockholders holding a majority of the voting power of the affected class or series, or (b) the vote of the holders of shares representing a majority of the voting power of any class or series whose preference or rights are adversely affected by the increase or decrease.
