The Board of Directors  
Liquidmetal Technologies, Inc.  
30452 Esperanza  
Rancho Santa Marguerita, CA 90268  
ATTN: John Kang  
Chairman of the Board

Dear Sirs:

As a long-term shareholder and noteholder in Liquidmetal Technologies, Inc. (the "Company"), we have become increasingly disturbed by the recent events that strongly suggest that the Board has failed in its responsibility to the Company's shareholders to oversee the Company's operations, assure the Company is being run properly, and to grow and protect shareholder value.

The capital needs of the business have been repeatedly underestimated, thus requiring the Company to continuously approach the Capital Markets as a source of funding. Due to the current state of the Capital Markets and the Company's inability to meet projections, the Company has now found itself unable to satisfy the contractual terms of the January 2010 Notes.

On the Board's watch, the Company's cash position has been depleted to dangerous levels; furthermore, the Company is not generating sufficient cash flow from existing and potential partnership arrangements. In spite of this perfect storm of mismanagement, it nevertheless appears determined not to restructure existing notes, which we believe are in default, in order to provide the Company with badly needed time to execute on its business plan. The Board has become derelict in its fiduciary duties to protect the interests of the Company and to act in the best interest of its shareholders.

We demand that the Board constitute a Special Committee, composed of independent board members, to evaluate all options available to address the capital needs of the Company, which may include selling all or parts of the Company.

Furthermore, since it is apparent that the current Board is either incapable or unwilling to fulfill its obligations to the Company's shareholders, we call upon the Board to immediately appoint one well-qualified Wynnefield nominee to the Board. We believe only in this manner will the interest of all shareholders be protected.

We welcome the opportunity to discuss our proposal with the Board. However, do not underestimate our intention or resolve. We are prepared to consider all of our options in the event that our concerns and proposals are not appropriately addressed.

Very truly yours,

By:     /s/ Dwight Mamanteo
