Item 8.01 Other Events.

A Los Angeles Superior Court jury today awarded ICO Global Communications (Holdings) Limited (NASDAQ: ICOG) \$236 million in punitive damages in its case versus The Boeing Company and its Boeing Satellite Services International subsidiary (collectively, “Boeing”) (NYSE: BA). Today’s award is in addition to the at least \$371 million awarded last week when the jury found Boeing liable for fraud, tortious interference, and breach of contract. In addition, the Court will determine the amount of pre-judgment interest to be added to the award, which ICO expects to be approximately \$100 million. The total expected judgment to be entered against Boeing in favor of ICO is approximately \$707 million.

The award is subject to the risks of post-trial motions, determination of the interest amount, appeal and collection.

On October 31, 2008, the Company issued a press release addressing the verdict. The full text of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.
