Item 1.01 – Entry into a Material Definitive Agreement.

On December 8, 2010, Park National Corporation (“Park”) entered into securities purchase agreements with certain institutional investors, pursuant to which Park agreed to sell, in a registered direct public offering an aggregate of 71,984, common shares, Series A Common Share Warrants, which are exercisable within six months of the closing date, to purchase up to an aggregate of 35,992 common shares (the “Series A Warrants”), and Series B Common Share Warrants, which are exercisable within 12 months of the closing date, to purchase up to an aggregate of 35,992 common shares (the “Series B Warrants” and, collectively with the Series A Warrants, the “Warrants”) for total gross proceeds of \$5.0 million. The purchase price for each Common Share together with one-half of a Series A Warrant and one-half of a Series B Warrant is \$69.46 (the “Per Share Purchase Price”), which was the closing price of Park’s common shares on December 2, 2010. Each Warrant entitles the investor to purchase one common share at \$76.41, or 110% of the Per Share Purchase Price, subject to anti-dilution provisions that require adjustment to reflect stock dividends and splits, pro-rata distributions, certain cash dividends and certain fundamental transactions. The closing of the offering is expected to take place no later than December 10, 2010, subject to the satisfaction of customary closing conditions.

The common shares, Series A Warrants, Series B Warrants and common shares issuable upon exercise of the Warrants will be issued pursuant to a prospectus supplement filed with the Securities and Exchange Commission (the “SEC”) in connection with a takedown from Park’s shelf registration on Form S-3 (Registration File No. 333-159454), which was declared effective by the SEC on May 22, 2009.

On December 8, 2010, Park issued a news release announcing the offering. A copy of the news release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
