DEREGISTRATION OF SECURITIES; TERMINATION OF REGISTRATION STATEMENT

China Intelligent Lighting and Electronics, Inc., a Delaware corporation (the "Company"), filed a Registration Statement on Form S-1, as amended (File No. 333-164925) (the "Registration Statement"), that registered 1,337,955 shares of the Company's common stock, \$0.0001 par value per share (the "Common Stock"), for resale from time to time after the effective date of the Registration Statement pursuant to Rule 415 under the Securities Act of 1933, as amended (the "Securities Act") by those certain selling stockholders identified in the resale prospectus contained in the Registration Statement (the "Resale Shares"). The Registration Statement also registered for offer and sale pursuant to the public offering prospectus contained in the Registration Statement a total of 3,852,500 shares of the Company's Common Stock by the Company through underwriters and 167,500 underwriters' warrants to purchase Common Stock and the shares of Common Stock underlying such warrants (the "Public Offering Securities").

The Securities and Exchange Commission (the "Commission") declared the Registration Statement effective on June 17, 2010 (the "Effective Date"). After the Effective Date, the offer and sale of the Public Offering Securities by the Company was conducted and completed and the offer and sale of the Resale Shares by the selling stockholders commenced, subject to those certain lockup restrictions as described in the resale prospectus contained in the Registration Statement.

The sole purpose of this Post-Effective Amendment No. 1 is to deregister all of the securities previously registered under the Registration Statement that remain unsold and to terminate the effectiveness of the Registration Statement.

As previously reported by the Company in the Current Report on Form 8-K filed with the Commission on March 29, 2011, as amended by the Form 8-K/A filed with the Commission on April 12, 2011, the Company's previous independent auditor, MaloneBailey, LLP, in connection with submission of its resignation on March 24, 2011, indicated that it is unable to rely on management's representations as they relate to previously issued financial statements and it can no longer support its opinions related to the financial statements as of December 31, 2009 and condensed Parent Only financial statements (the "Financial Statements"). As a result, the Financial Statements, which were included in the Registration Statement, cannot be relied upon. In addition, the Company has not completed and filed its Annual Report on Form 10-K for the year ended December 31, 2010, and the Registration Statement has not been amended to include financial statements for the year ended December 31, 2010. Therefore, the Registration Statement does not contain audited financial statements sufficiently recent in accordance with Section 10(a)(3) of the Securities Act of 1933, as amended. As a result of the foregoing, the Registration Statement is no longer effective.

In accordance with an undertaking made by the Company in the Registration Statement to remove from registration, by means of a post-effective amendment, any securities which remain unsold at the termination of the offering, the Company hereby removes and withdraws from registration all securities registered pursuant to the Registration Statement which remained unsold at the termination of the offering.
