Item 1.01. Entry into a Material Definitive Agreement.

Optex Systems, Inc. (“Optex Systems”), the wholly owned subsidiary of Optex Systems Holdings, Inc. (“Registrant”) has entered into an agreement with an internationally recognized defense contracting firm as of November 3, 2011 (the date upon which Optex Systems Holdings received approval from the contracting firm to disclose its existence) to upgrade the sighting system apparatus in a fleet of combat vehicles for the armed forces of a G-20 nation. The contract award to Optex Systems is part of a comprehensive package upgrade for the fleet under a contract awarded to the international defense contractor. The award to Optex Systems calls for the delivery of more than 500 units over a five year term with delivery expected to commence in mid-2012.

Thus, this agreement is being redacted and will be filed with confidential information redacted in an amendment to this Current Report on Form 8-K.
