PART III NARRATIVE

State below in reasonable detail the reason why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report portion thereof could not be filed within the prescribed time period.

The registrant's Quarterly Report on Form 10-Q for the three months ended September 30, 2011 could not be filed by the prescribed due date of November 14, 2011 because registrant had not yet finalized its treatment and disclosure of certain material events that occurred during the third quarter. As a result, the review of registrant's financial statements for the three months ended September 30, 2011 is ongoing. Accordingly, the registrant is unable to file such report within the prescribed time period without unreasonable effort or expense. The registrant anticipates that the subject quarterly report will be filed on or before November 21, 2011.

For the nine and three months ended September 30, 2010, the registrant had revenues of \$159,000 and \$46,000 and a net loss of \$1,625,000 and \$1,079,000 respectively. For the nine and three months ended September 30, 2011, the

registrant believes that it had no revenues and currently estimates that it had a net loss of approximately \$1,668,000 and \$194,000. Results for the three months ended September 30, 2011 remain subject to further adjustment.

---

The decrease in net loss for the three months ended September 30, 2011 compared to the corresponding three month period in 2010 is primarily attributable to the reduction in expenses recorded by the Company, as follows: (i) non-cash expenses in the approximate amount of \$198,000 arising primarily from stock based compensation in connection with warrants previously to further our marketing efforts, compared to \$470,000 recorded during the corresponding period in 2010; (ii) cessation (as of February 2011) of all internal research and development efforts, resulting in the recording of expenses of \$20,000, compared to \$60,000 during the corresponding period in 2010; and (iii) non-cash financial income in the amount of \$160,000 from the reevaluation of warrants to issue shares compared to \$302,000 in expenses during the corresponding period in 2010 and (iv) income in the amount of \$62,000 generated by exchange rate fluctuations of the U.S. dollar to the New Israeli Shekel in the three months ended September 30, 2011 compared to \$74,000 in losses during the corresponding period in 2010.
