PROXY STATEMENT

Annual Meeting of Shareholders to be held on June 11, 2013

This proxy statement and the accompanying form of proxy is furnished to shareholders of CPI Aerostructures, Inc. in connection with the solicitation of proxies by our board of directors for use in voting at our annual meeting of shareholders to be held at the offices of Graubard Miller, our general counsel, located at The Chrysler Building, 405 Lexington Avenue, 11th Floor, New York, New York 10174, on Tuesday, June 11, 2013, at 9:00 a.m., and at any and all postponements or adjournments.

This proxy statement, the accompanying notice of annual meeting of shareholders, the proxy and the annual report to shareholders for the year ended December 31, 2012 are being mailed on or about May 8, 2013 to shareholders of record on April 22, 2013. We are bearing all costs of this solicitation.

What matters am I voting on?

You are being asked to vote on the following matters:

- (1) To elect one Class III director to serve for the ensuing three-year period until his successor is elected and qualified;
- (2) To ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013; and
- (3) Any other business that may properly come before the meeting and any and all postponements or adjournments.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 22, 2013, the record date, are entitled to vote at the meeting. As of the record date, we had issued and outstanding 8,391,954 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. If you sign and return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by our board of directors will vote your shares at the meeting as specified in your proxy.

If you sign and return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will not be voted with respect to the election of the Class III director nominee (Proposal 1) and will be voted FOR the ratification of the appointment of CohnReznick LLC as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal 2).

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any postponements or adjournments. If any other

matters are properly brought before the meeting, the persons named in the proxy will vote the proxies in accordance with their best judgment.

May I change my vote after I return my proxy card?

You may revoke your proxy at any time before it is exercised by:

delivering written notification of your revocation to our secretary;
voting in person at the meeting; or

1

delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted (shareholder withholding) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (broker non-vote) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum.

Abstentions are voted neither for nor against a matter, but are counted in the determination of a quorum.

How many votes are needed for approval of each matter?

The election of a director. The election of a director requires a plurality vote of the votes cast at the meeting.

Plurality means that the individual who receives the largest number of votes cast FOR is elected as director. Consequently, any shares not voted FOR such nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee's favor.

Ratification of accounting firm. The ratification of the appointment of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 must be approved by a majority of the votes cast at the meeting with respect to the proposal. Abstentions and broker non-votes will not be counted in determining the number of votes required for a majority and will therefore have no effect on the outcome.

How do I vote?

You may vote your shares in one of two ways: by mail or in person at the meeting. The prompt return of the completed proxy card will assist us in preparing for the meeting. Date, sign and return the accompanying proxy in the postage-prepaid envelope enclosed for that purpose. You can specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you.

If your shares are held in a stock brokerage account or by a bank or other financial institution, you must vote your shares in the manner prescribed by your broker, bank or nominee. **If you hold your shares through a broker, bank or other financial institution, your broker will not be permitted to vote on your behalf in the election of our Class III director without your voting instructions. Please communicate your voting instructions to your broker, bank or other financial institution before the meeting so that your vote will be counted.**

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE CLASS III DIRECTOR NOMINEE.

Independence of Directors

Our common stock is listed on the NYSE MKT LLC (NYSE MKT). As a result, we follow the rules of the NYSE MKT in determining whether a director is independent. The current NYSE MKT listing standards define an independent director generally as a person, other than an officer or employee of the Company, who does not have a relationship with the Company that would interfere with the director's exercise of independent judgment. Our board of directors consults with our legal counsel to ensure that our board of directors' determinations are consistent with the NYSE MKT rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, our board of directors has determined that Kenneth McSweeney, Walter Paulick, Harvey J. Bazaar, and Eric Rosenfeld will be independent directors of the Company for the ensuing year. The other remaining director, Edward J. Fred, is not independent because he is currently employed by us. All members of our audit, compensation and nominating and corporate governance committees are independent.

Code of Ethics

Our board of directors has adopted a written code of ethics that applies to our directors, officers and employees that is designed to deter wrongdoing and to promote ethical conduct, full, fair, accurate, timely and understandable disclosure in reports that we file or submit to the Securities and Exchange Commission and others, compliance with applicable government laws, rules and regulations, prompt internal reporting of violations of the code and accountability for adherence to the code. A copy of the code of ethics may be found on our website at www.cpiaero.com.

Board of Directors Meetings and Committees

Our board of directors held fourteen meetings in 2012. All directors attended the 2012 annual shareholder meeting.

Although we do not have any formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. No director attended fewer than 75% of the meetings of the board and of the committees thereof upon which he served in 2012. We have standing compensation, audit, nominating and corporate governance and strategic planning committees. Copies of our committee charters are available free of charge on our website at www.cpiaero.com.

7

Leadership Structure

Our board of directors has determined to keep separate the positions of board chairman and principal executive officer at this time. This permits our principal executive officer to concentrate his efforts primarily on managing the Company's business operations and development. This also allows us to maintain an independent board chairman who oversees, among other things, communications and relations between our board of directors and senior management, consideration by our board of directors of the Company's strategies and policies and our board of director's principal executive officer evaluation processes.

Risk Oversight

Our board of directors' primary function is one of oversight. Our board of directors as a whole has responsibility for risk oversight and reviews management's risk assessment and risk management policies and procedures. Our audit committee discusses with management the Company's major financial risk exposures and reports its findings to our board of directors in connection with our board of directors' risk oversight review.

Compensation Committee Information

Our compensation committee is currently comprised of Kenneth McSweeney (chairman), Walter Paulick and Eric Rosenfeld (collectively, our Compensation Committee), each an independent director under the NYSE MKT listing standards. Our board of directors has adopted a written compensation committee charter, which was last reviewed by the Compensation Committee on April 22, 2013. The responsibilities of our Compensation Committee include:

- establishing the general compensation policy for our executive officers, including the chief executive officer; reviewing the compensation paid to non-employee directors and making recommendations to the board for any adjustments;

- administering our stock option and performance equity plans and determining who participates in the plans, establishing performance goals, if any, and determining specific grants and bonuses to the participants; and ensuring that any compensation plan for key executives does not encourage undue risk-taking.

Our Compensation Committee held four meetings this year to review, discuss and make any necessary changes to our executive and non-employee director compensation. Our Compensation Committee makes all final determinations with respect to compensation of executive officers, considering, among other things, its assessment of the value of each executive officer's contribution to the Company, the Company's financial performance during recent fiscal years in light of prevailing business conditions and the Company's goals for the ensuing fiscal year. Our Compensation Committee considers recommendations from our chief executive officer relating to the compensation of our other executive officers. For a complete discussion of our Compensation Committee's policies and procedures respecting executive compensation of our Named Executive Officers, please see the Compensation Discussion and Analysis below.

Our Compensation Committee did not engage the services of a compensation consultant in the last fiscal year, and has not engaged such consultant this fiscal year to date. However in the future, our Compensation Committee may utilize the services of third parties, including subscriptions to executive compensation surveys and other databases, to assist with their review of compensation for executive officers. Our Compensation Committee is charged with performing an annual review of the compensation of our executive officers to determine whether they are provided with adequate incentives and motivation, and whether they are compensated appropriately in accordance with our compensation policies.

Audit Committee Information and Report

Our audit committee is currently comprised of Harvey J. Bazaar (chairman), Walter Paulick, and Kenneth McSweeney. During the year ended December 31, 2012, our audit committee held six meetings. All of the members of our audit committee are independent directors, as defined under the NYSE MKT listing

8

standards and are able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

Financial Expert on Audit Committee

We must certify to the NYSE MKT that our audit committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. Our board of directors has determined that Harvey J. Bazaar's qualifications satisfy the NYSE MKT's definition of financial sophistication and also qualify him as an audit committee financial expert, as defined under the rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

Our board of directors has a written audit committee charter. Our audit committee charter, which is reviewed annually and which the audit committee intends to review at its next regularly scheduled meeting. According to our audit committee charter, our audit committee's responsibilities include, among other things:

- meeting with the independent auditor prior to the audit to review the scope, planning and staffing of the audit;
- reviewing and discussing with management and our independent auditor the annual audited financial statements, and recommend to the board whether the audited financial statements should be included in our Form 10-K;
- reviewing and discussing with management and the independent auditor the Company's quarterly financial statements prior to the filing of its Form 10-Q, including the results of the independent auditor's review of the quarterly financial statement;

Management has reviewed the audited financial statements in the Company's annual report on Form 10-K with our audit committee, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of our audit committee asked for management's representations and reviewed certifications prepared by the chief executive officer and chief financial officer that the unaudited quarterly and audited financial statements of the Company fairly present, in all material respects, the financial condition and results of operations of the Company.

In performing all of these functions, our audit committee acts only in an oversight capacity. The committee reviews the Company's annual reports and generally reviews its quarterly reports prior to filing with the Securities and Exchange Commission. In its oversight role, our audit committee relies on the work and assurances of the Company's management, which has the responsibility for financial statements and reports, and of our independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles. Our audit committee has met and held discussions with management and the Company's independent registered public accounting firm. Management represented to our audit committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and our audit committee has reviewed and discussed the financial statements with management and our independent registered public accounting firm. Our audit committee discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Company's independent registered public accounting firm also provided our audit committee with the written disclosures required by Independence Standard Board Standard No. 1 (Independence Discussions with Audit Committees) and our audit committee discussed with our independent registered public accounting firm and management the auditor's independence, including with regard to fees for services rendered during the fiscal year and for all other professional services rendered by the Company's independent registered public accounting firm. In reliance on these reviews and discussions and the report of our independent registered public accounting firm, our audit committee recommended to our board of directors, and the board has approved, that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2012, for filing with the Securities and Exchange Commission.

Nominating and Corporate Governance Committee Information

Our board of directors has a nominating and corporate governance committee comprised of Walter Paulick (chairman), Kenneth McSweeney and Eric Rosenfeld, each an independent director under the NYSE MKT listing standards. Our nominating and corporate governance committee held five meetings during 2012. Our nominating and corporate governance committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors, and for developing and recommending corporate governance guidelines. Our nominating and

corporate governance committee considers persons identified by its members, management, shareholders, investment bankers and others.

Our board of directors has adopted a written charter and established guidelines for corporate governance, the selection of director nominees and a method by which shareholders may propose to our nominating and

10

corporate governance committee candidates for selection as nominees for director. On April 22, 2013, the nominating and corporate governance committee reviewed its charter, the guidelines for corporate governance and criteria for the selection of director nominees.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees generally provide that persons to be nominated should be accomplished in his or her field with a reputation that is consistent with that of the Company, have relevant experience and expertise, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company and be able to promote a diversity of views based on the person's education, experience and professional employment. Our nominating and corporate governance committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. Our nominating and corporate governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. Our nominating and corporate governance committee does not distinguish among nominees recommended by shareholders and other persons.

Procedure for Shareholders to Recommend Director Candidates

Shareholders and others who wish to recommend candidates to our nominating and corporate governance committee for consideration as directors must submit their written recommendations to our nominating and corporate governance committee and include all of the information described in the section 2014 Annual Meeting Shareholder Proposals and Nominations.

Our nominating and corporate governance committee recommended to our board of directors to nominate Edward J. Fred for re-election as a Class III director. Our nominating and corporate governance committee did not receive proposals from any shareholders or others for suggested director candidates.

Guidelines for Corporate Governance

Our corporate governance guidelines are intended to ensure that the board of directors has the necessary authority and practices in place to review and evaluate the Company's business operations and to make decisions that are independent of the Company's management. The corporate governance guidelines also are intended to align the interests of the Company's directors and management with those of the Company's stockholders. The guidelines establish the practices the board of directors follows with respect to the obligations of the board and each director; board composition and selection; board meetings and involvement of senior management; chief executive officer performance evaluation and succession planning; board committee composition and meetings; director compensation; director orientation and education; and director access to members of management and to independent advisors.

The corporate governance guidelines were adopted by the board of directors in 2010 and are to be reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. The guidelines were last reviewed April 22, 2013. The guidelines comply with corporate governance requirements contained in the listing standards of the NYSE MKT and enhance the Company's corporate governance policies.

Strategic Planning Committee Information

Our strategic planning committee is currently comprised of Eric Rosenfeld (chairman) and Edward J. Fred. The main role of the strategic planning committee is to evaluate and analyze strategic options for the Company. The strategic planning committee held no formal meetings in 2012.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

The Compensation Committee is composed of Kenneth McSweeney (Chairman), Eric Rosenfeld and Walter Paulick, each of whom is an independent director under NYSE MKT standards. The Compensation Committee oversees the compensation and employee benefit plans and practices of the Company, including its executive and non-employee director compensation plans. The Compensation Committee's goal is to ensure that executive compensation is competitive yet reasonable, supportive of organizational objectives and shareholder interests and designed to align the interests of executive officers with the Company's long-term performance and increase shareholder value.

This Compensation Discussion and Analysis concerns the compensation of Edward J. Fred our Chief Executive Officer, Douglas McCrosson our Chief Operating Officer and Vincent Palazzolo our Chief Financial Officer, together our Named Executive Officers.

No changes were made to the Company's compensation policies or practices with respect to the Named Executive Officers in the fiscal year ended December 31, 2012. Last year, we conducted two advisory votes regarding executive compensation—a Say on Pay vote, in which shareholders approved the then-current compensation of our Named Executive Officers and a Say on When Pay vote, in which shareholders determined that a Say on Pay vote should be held every three years. In accordance with the shareholder vote, the Company plans to hold its next Say on Pay vote at our annual meeting to be held in 2015. The next Say on When Pay vote will take place at our annual meeting to be held in 2018. The Compensation Committee includes consideration of the results of shareholder advisory votes regarding compensation when reviewing compensation and making compensation decisions.

The Compensation Committee believes that the incentives provided by the Company's compensation policies with respect to the Named Executive Officers have contributed significantly to the Company's performance. We also believe that the current compensation structure for the Named Executive Officers strikes an appropriate balance between maintaining competitive, yet reasonable, compensation levels and aligning pay with performance.

Compensation Policies and Practices

The Compensation Committee met four times during 2012 to review and discuss executive compensation matters. It has been the Company's practice to enter into three-year employment agreements with our Named Executive Officers and, if considered appropriate by our Board of Directors, to extend the term of the employment agreements for two additional years in the fourth quarter of the year prior to their expiration. In November 2011, the Board determined to extend the term of the employment agreements with each of Messrs. Fred, McCrosson and Palazzolo (the Employment Agreement(s)) from December 31, 2012 to December 31, 2014. Accordingly, the Compensation Committee considered and determined the Named Executive Officers' compensation for 2013 and 2014 in connection with such extension. Therefore, the Compensation Committee did not make any changes to the compensation of the Named Executive Officers in 2012 and the discussion that follows focuses on the Compensation Committee's general policies and practices in making compensation determinations.

Determinations of executive compensation are not based on a rigid formula, but a focus on both objective and subjective factors that the Compensation Committee believes indicative of a Named Executive Officer's success as an officer of the Company. The Compensation Committee considers its assessment of the value of each Named

Executive Officer's contribution to the Company, the Company's financial performance during recent fiscal years in light of prevailing business conditions, the Company's goals for the ensuing fiscal year, prevailing compensation levels of the chief executive officer at companies considered to be comparable to the Company and, with respect to each of Messrs. McCrosson and Palazzolo, their total compensation relative to Mr. Fred's total compensation.

12

As mentioned above, the Compensation Committee will also consider any recent shareholder approval votes with respect to executive compensation. The Compensation Committee considers recommendations, if any, from our chief executive officer relating to the compensation of our other executive officers. We currently do not use any compensation consultants.

Compensation Components

Each of the Employment Agreements, as amended, provides for three primary compensation components: Base Salary, a Performance-Based Annual Bonus and Perquisites and Other Personal Benefits, each of which is discussed in detail below.

Base Salary. In addition to the factors addressed above, the Compensation Committee focuses on whether the base salary of each Named Executive Officer is commensurate with the level of responsibility his position entails and with his experience. When determining base salary, the Compensation Committee endeavors to maintain a balance in the range of base salaries of the Named Executive Officers and their respective responsibilities. The base salaries for our Named Executive Officers are set forth in the Employment Agreements and as presented in the table below. The Compensation Committee set the base salaries for the Named Executive Officers for 2013 and 2014 with the 2011 extension of such agreements.

Executive Officer	2012 (\$)	2013 (\$)	2014 (\$)
Edward J. Fred	364,000	378,500	395,000
Douglas McCrosson	240,000	253,000	265,000
Vincent Palazzolo	243,300	253,000	263,000

Performance-Based Annual Bonus. Each of the Employment Agreements of Messrs. Fred, McCrosson and Palazzolo provide for an annual non-discretionary bonus based on changes in our revenues and earnings before interest, taxes, depreciation, and amortization (EBITDA) from the prior year. Per each Employment Agreement, twenty-five percent (25%) of the bonus amount is determined by revenues and seventy-five percent (75%) by EBITDA. If growth targets are met on both metrics, each executive will receive his baseline bonus. The baseline bonus for Mr. Fred is 65% of 100% of his base salary; the baseline bonus for Mr. McCrosson and Mr. Palazzolo is 45% of 100% of their respective base salaries. The percent of base salary used to calculate the bonus amount decreases or increases depending upon the percent increase or decrease in revenues and EBITDA. For example, if EBITDA and revenues both increase by a 25% margin, then Mr. Fred will receive a bonus equal to (1) 75% of 65% of 110% of his base salary plus (2) 25% of 65% of 110% of his base salary. If EBITDA decreases by 5% and revenues remain the same, then Mr. Fred will receive a bonus equal to (1) 75% of 65% of 50% of his base salary plus (2) 25% of 65% of 75% of his base salary. The performance targets and corresponding percentage of base salary used to calculate the bonus are listed in the table below: The amounts are adjusted pro ratably in the event EBITDA or revenue growth falls between two targets.

Each executive receives part of his bonus in cash, and the balance in shares of the Company's common stock valued at the volume weighted average price of the common stock on NYSE MKT for the five consecutive trading days ending two trading days before issuance. Shares of common stock are issued pursuant to the Company's Performance Equity Plan 2009 (described below). Under Mr. Fred's Employment Agreement, the first \$140,000 of his bonus is paid in cash and the balance is paid half in cash and half in shares of common stock. Under Mr. McCrosson's and Mr. Palazzolo's Employment Agreements, the first \$75,000 of their respective bonuses are paid in cash and the balance is paid half in cash and half in shares of common stock. The bonus structure discussed here is set forth in the Employment Agreements and remains unchanged since the Employment Agreements became effective.

For 2012, the Compensation Committee determined that there was an increase of 43.1% in EBITDA and 20.4% in revenues from 2011. Using the above-described calculation, we calculated the 2012 annual bonus for each Named Executive Officer as follows:

Name	Bonus Calculated Based on EBITDA (\$)	Bonus Calculated Based on Revenues (\$)	Total Bonus Awarded (\$)	Bonus Awarded in Cash (\$)	Number of Shares Awarded as Bonus (#) ⁽¹⁾
Edward J. Fred	\$ 246,520	\$ 63,710	\$ 320,230	\$ 225,115	10,002
Douglas McCrosson	\$ 112,528	\$ 28,463	\$ 140,991	\$ 107,996	3,877
Vincent Palazzolo	\$ 114,075	\$ 28,854	\$ 142,930	\$ 108,965	3,991

(1) The shares were valued at \$8.51 per share.

Perquisites and Other Personal Benefits. We maintain various employee benefit plans, including medical, dental, life and disability, and these plans are available to all of the Company's key employees. Each Named Executive Officer is reimbursed for expenses related to the use of an automobile to be used in connection with Company business. Such expenses include lease and insurance costs, repairs and maintenance. The Company maintains a limited country club membership that is made available to key employees, including the Named Executive Officers. The perquisites and other personal benefits provided to the Named Executive Officers are set forth in the Employment Agreements and have remained unchanged since the Employment Agreements became effective.

Termination and Change in Control Provisions

Mr. Fred's Employment Agreement provides that if, during the employment term, we terminate Mr. Fred without cause or he terminates his employment for good reason (as such terms are defined therein), we will be required to pay him his base salary through the end of the employment term and provide medical insurance coverage until June 30, 2016. Each of Mr. McCrosson's and Mr. Palazzolo's Employment Agreements provide that if, during the employment term, we terminate him without cause or he terminates his employment for good reason (as such terms are defined therein), we will be required to pay each of Mr. Palazzolo or Mr. McCrosson his base salary through the end of the employment term. We believe such termination payments are reasonable and appropriate in light of non-competition provisions in the executives' Employment Agreements, which prohibit them from competing with the Company for a period of two years following their employment with us.

Mr. Fred's employment agreement contains an additional provision, which provides for certain compensation in the event of a change of control (as such term is defined in the Employment Agreement) that occurs prior to a termination by us without cause or by Mr. Fred for good reason. In such event and at Mr. Fred's option, in lieu of the above-discussed compensation, we will pay him a lump sum equal to 2.99 times the lesser of (a) the total

compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five (5) calendar years ending before the change of control. We believe that providing Mr. Fred with benefits in the face of a change of control will help us retain him and most importantly, ensure his objectivity in connection with any potential transaction.

Other Compensation Matters

Risk Assessment. The Compensation Committee has also reviewed whether the Company's compensation policies and practices might encourage inappropriate risk taking by the Company's Named Executive Officers. The Compensation Committee determined that the current compensation structure aligns the Named Executive Officers' interests with those of the Company without providing rewards for excessive risk-taking by awarding a mix of fixed and performance-based compensation, with the performance-based compensation structure counterbalancing revenue and EBITDA goals, as discussed above.

Tax Considerations. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million. Certain performance-based compensation, however, is specifically exempt from the deduction limit. At this time, the Compensation Committee has not taken steps to qualify compensation for deductibility primarily because at current base salaries and bonus potential, it is unlikely that any of our Named Executive Officers would exceed the \$1 million limit in a given year.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended that the Compensation Discussion and Analysis be included in this proxy statement.

Compensation Arrangements for Named Executive Officers

Edward J. Fred

On December 16, 2009, we entered into an amended and restated employment agreement with Edward J. Fred, which provides for Mr. Fred to continue to serve as our President and Chief Executive Officer until December 31, 2012. Per the agreement, Mr. Fred's annual base salary was \$364,000 for 2012. On November 4, 2011, we amended our employment agreement with Mr. Fred to extend his contract through December 31, 2014. As amended, Mr. Fred's base salary will be \$378,500 and \$395,000 during 2013 and 2014, respectively. Mr. Fred receives a performance-based annual bonus for reaching certain growth targets measured by EBITDA and revenue. The manner of calculating and paying such bonus is set forth in the Compensation Discussion and Analysis above. For the year ended December 31,

2012, Mr. Fred's performance-based compensation was \$225,115 of cash and 10,002 shares of common stock, valued at \$85,115 (\$8.51 per share). Potential Payments Upon Termination or Change in Control

Employment Agreements entered into by the Company with Messrs. Fred, Palazzolo and McCrosson provide for varying types and amounts of payments and additional benefits upon termination of employment during the term of such Employment Agreements, depending on the circumstances of the termination.

Death. In the event that any of our Named Executive Officers employment terminates by his death, we will pay to his estate an amount equal to (a) base salary due through date of death, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We will also pay to Mr. Fred and Mr. Palazzolo, in the event of termination by such executive's death, any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A full calendar month for this purpose means any month such executive worked at least 2 weeks.

Disability. We may terminate any of our Named Executive Officers if, by reason of illness or incapacity, such Named Executive Officer fails to perform his duties contemplated by the agreement for a period of 6 months consecutively. Such termination will be made by written notice and constitute a termination by reason of disability. The Company shall pay to the Named Executive Officer so terminated an amount equal to (a) base salary due through date of termination, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We will also pay to Mr. Fred and Mr. Palazzolo, in the event of termination by such executive's disability, any bonus which

19

would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A full calendar month for this purpose means any month such executive worked at least 2 weeks.

By Company for Cause. If the Company terminates any of our Named Executive Officers by written notice for cause, such Named Executive Officer will receive only (a) his base salary through the date of termination, (b) valid expense reimbursements and (c) any unused vacation through the date of termination required by law to be paid. Generally, cause as defined in the Employment Agreements means (i) a failure by such person to carry out his duties as an officer that are material to the performance of his position, (ii) a material breach of the Employment Agreement, (iii) fraud or dishonesty in any dealings or business related to the Company or (iv) conviction of a felony under federal or state law. Named Executive Officers must be given the opportunity to eliminate a problem giving rise to cause within 30 days notice that such problem exists, but no Named Executive Officer is entitled to more than two such periods to cure in any 12 month period.

By Executive with Good Reason. Upon proper notice, if a Named Executive Officer terminates his employment for good reason, we must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. Only for Mr. Fred, the Company must also provide the same medical insurance covering him as of the date of termination through June 30, 2016. Good Reason generally means (i) a demotion by way of a materially adverse change in his duties, responsibilities or title, (ii) material breach by the Company of the Employment Agreement, (iii) failure by the Company to make a payment to the Named Executive Officer when such payment is due or (iv) liquidation, bankruptcy or receivership of the Company. The Company must be given the opportunity to correct any problem identified as good reason within 30 days of being notified of such problem, but shall not be entitled to more than two such periods to cure in any 12 month period.

By Company without Cause. If the Company terminates a Named Executive Officer without cause, we generally must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. Only for Mr. Fred, the Company must also provide the same medical insurance covering him as of the date of termination through June 30, 2016.

By Executive without Reason. If Mr. Fred terminates his employment for any reason with 75 days notice to the Company, we must pay him an amount equal to (a) base salary due through date of termination, (b) any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12, (c) all earned and approved, but unpaid bonus for any year prior to the year of termination, (d) all valid expense reimbursements and (e) all accrued but unused vacation pay. A full calendar month for this purpose means any month Mr. Fred worked at least 2 weeks.

Change in Control. In the event of a change of control prior to a termination by the Company without cause or by Mr. Fred for good reason, then, at Mr. Fred's option, in lieu of the above compensation and benefits, we will pay him an amount equal to 2.99 times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five (5) calendar years before the change of control. Such payment will be made in two installments—the first to be paid on his date of termination, the remainder to be paid 6 months after the date of termination. A change in control occurs when any person or entity other than the Company and/or any officers or directors of the Company as of the date of his Employment Agreement acquires securities of the Company (in one or more transactions) having 50% or more of the total voting power of all the Company's securities then outstanding.

20

Neither Mr. Fred nor Mr. Palazzolo have a duty to mitigate awards payable under the above conditions and any compensation paid from any source other than the Company does not offset or terminate the Company's obligations to make such payments. Mr. McCrosson does not have a duty to mitigate the above-described payments, however, if he receives a payment for (a) termination by the Company without cause or (b) termination by him for good reason, then any compensation paid to him from sources other than the Company will offset or terminate the Company's obligation to make such payment.

The following table summarizes the amounts potentially payable upon termination of employment for each of Messrs. Fred, Palazzolo and McCrosson assuming termination occurred on December 31, 2012. For purposes of presenting amounts payable over a period of time (e.g., salary continuation), the amounts are shown as a single total but not as a present value (i.e., the single sum does not reflect any discount).

Name	Death or Disability (\$)	By Company for Cause (\$)	By Executive for Good Reason or By Company without Cause (\$)	By Executive without Reason (\$)	Change in Control (\$)
Edward J. Fred	310,230		1,447,730	310,230	1,831,801

Pension Benefits

Other than our 401(k) plan, we do not maintain any other plan that provides for payments or other benefits at, following, or in connection with retirement.

Certain Relationships and Related-Party Transactions

Related-Party Policy. Our Code of Ethics requires us to avoid, wherever possible, all related-party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by our board of directors (or our audit committee). Securities and Exchange Commission rules generally define related-party transactions as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5 percent beneficial owner of our common stock, or (c) immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. Our audit committee considers all relevant factors when determining whether to approve a related-party transaction, including whether the related-party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related-party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related-party, but that director is required to provide our audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related-party transactions. These procedures are intended to determine whether any such related-party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related-Party Transactions. We did not engage in any related party transactions in the fiscal year ended December 31, 2012 as required to be reported pursuant to rules of the Securities and Commission Exchange.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These reporting persons also are required by regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required during the year ended December 31, 2012, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We propose that the shareholders ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for fiscal year 2013 by our audit committee of our board of directors. We expect that representatives of CohnReznick LLP will be present at the annual meeting of shareholders and that they will be available to respond to appropriate questions submitted by shareholders at the meeting. CohnReznick LLP will have the opportunity to make a statement if they desire to do so.

J.H. Cohn LLP served as our independent registered public accounting firm for fiscal year 2011 and for fiscal year 2012. After its business combination with Reznick Group, P.C. in October 2012, J.H. Cohn LLP changed its name to CohnReznick LLP. Fees charged by our independent registered public accounting firm include, as applicable, fees charged for services rendered by J.H. Cohn LLP for 2011 and fees charged for services rendered by J.H. Cohn LLP and CohnReznick LLP in 2012.

Audit Fees. The aggregate fees billed by our independent registered public accounting firm for professional services rendered for the audits of our annual financial statements for the years ended December 31, 2012 and 2011 and review of financial statements included in our quarterly reports on Form 10-Q or services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings or engagements for those periods, were \$301,000 and \$299,000, respectively.

Audit-Related Fees. The aggregate fees billed by our independent registered public accounting firm for professional services rendered in connection with our shelf registration statement and June 2012 equity offering during the year ended December 31, 2012 were \$48,000. The aggregate fees billed by our independent registered public accounting firm for professional services rendered in connection with our shelf registration statement during the year ended December 31, 2011 were \$7,500.

Tax Fees. The aggregate fees billed by our independent registered public accounting firm for professional services rendered for tax services for the same periods were \$36,017 and \$25,000, respectively. These tax services consisted of preparation of our federal and state income tax returns for the years ended December 31, 2012 and 2011.

All Other Fees. The aggregate fees billed by our independent registered public accounting firm for professional services rendered for other services during the same periods, including out of pocket expenses were \$2,080 and \$3,376, respectively.

Pre-Approval Policies and Procedures. In accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent registered public accounting firm to render audit or non-audit services, the engagement is approved by our audit committee. Our audit committee approved all of the fees referred to in the sections entitled Audit Fees, Tax Fees and All Other Fees above.

Ratification by the shareholders of the appointment of an independent registered public accounting firm is not required, but our board of directors believes that it is desirable to submit this matter to the shareholders. If a majority of the votes cast at the meeting do not ratify the selection of CohnReznick LLP at the meeting, the selection of an independent registered public accounting firm will be reconsidered by our audit committee.
