Item 1.01 Entry into a Material Definitive Agreement

On May 15, 2013, IEC Electronics Corp. (the “Company”) and Manufacturers and Traders Trust Company (“M&T”) entered into a First Amendment to Fourth Amended and Restated Credit Facility Agreement (the “Amendment”), which amended the Fourth Amended and Restated Credit Agreement between M&T and the Company (a copy of which was filed as Exhibit 10.1 to the Company’s Current Report on Form 8-K filed January 25, 2013) (the “2013 Credit Agreement”). Pursuant to the Amendment, M&T agreed to waive events of default arising from the Company’s non-compliance with covenants related to Debt to EBITDARS Ratio, Minimum Quarterly EBITDARS and Fixed Charge Coverage Ratio during the fiscal quarter ended March 29, 2013. In addition, the Amendment modified the covenants requiring the Company to maintain a specified Debt to EBITDARS Ratio and Fixed Charge Coverage Ratio for future fiscal quarters as follows:

Debt to EBITDARS:

2013 Credit Agreement, before amendment:

3/31/2013 through and including 9/29/2013 < 3.00 to 1.00
 9/30/2013 and thereafter <2.75 to 1.00

2013 Credit Agreement, as modified by the Amendment:

6/28/2013 through and including 12/27/2013 < 3.25 to 1.00
 12/28/2013 through and including 3/28/2014 <3.00 to 1.00
 3/29/2014 and thereafter < 2.75 to 1.00

Fixed Charge Coverage Ratio:

2013 Credit Agreement, before amendment:

3/31/2013 and thereafter < 1.25 to 1.00

2013 Credit Agreement, as modified by the Amendment:

6/28/2013 >0.95 to 1.00
 9/30/2013 >1.00 to 1.00
 12/27/2013 >1.15 to 1.00
 3/28/2014 and thereafter >1.25 to 1.00

M&T previously waived the default under the 2013 Credit Agreement caused by the failure to provide financial statements in accordance with generally accepted accounting principles for fiscal 2012, the quarterly periods during fiscal 2012, and the first fiscal quarter of 2013. In addition, M&T has waived the default under the 2013 Credit Agreement caused by failure to timely deliver the financial statements for the fiscal quarter ended March 29, 2013 provided that such financial statements are delivered on or before July 15, 2013. Except as so waived and as modified by the Amendment, the 2013 Credit Agreement remains unchanged. The foregoing description of the Amendment is a summary of the terms of the Amendment, and is qualified in its entirety by the text of the Amendment itself, a copy of which is being filed with this Current Report on Form 8-K as Exhibit 10.1 and is incorporated herein by reference.

Item 2.02 Results of Operations and Financial Condition

Information included in Item 7.01, Item 8.01 under the heading “Preliminary Estimated Results of Quarter Ended March 29, 2013,” and Exhibit 99.1 is incorporated by reference herein.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

The Company notified NYSE MKT on May 17, 2013 that it would not timely file its Quarterly Report on Form 10-Q for the quarter ended March 29, 2013, and as a result would fail to satisfy the standards for continued listing contained in sections 134 and 1101. In response to such failure, the registrant is filing the Press Release described in Item 7.01, and is dedicating significant resources toward the process of completing as soon as possible both the restatement described in Item 8.01 below and its financial statements for the quarter ended March 29, 2013.

Item 7.01 Regulation FD Disclosure

Press Release

On May 20, 2013, the Company issued a press release announcing among others preliminary estimated financial results for the quarter ended March 29, 2013 and cancelling the investor call scheduled for May 21, 2013. A copy of the press release is furnished as Exhibit 99.1 to this report.

Item 8.01 Other Events

Restatement and Failure to Timely File Reports

As previously reported in the Current Report on Form 8-K filed on May 1, 2013 (“Restatement 8-K”), on April 25, 2013, the Audit Committee of the Board of Directors of the Company determined that the financial statements for the Company’s fiscal year ended September 30, 2012 (“FY 2012”), as included in the Company’s Annual Report on Form 10-K for FY 2012, as well as the unaudited interim consolidated financial statements for the fiscal quarter and year-to-date periods ended December 30, 2011, March 30, 2012, June 29, 2012 and December 28, 2012 (the “Restated Periods”), as included in the Company’s Quarterly Reports on Form 10-Q for those quarters, require restatement, because the Company was incorrectly accounting for work-in-process inventory at one of its subsidiaries, Southern California Braiding, Inc. The Company intends to include the immaterial impact of the same incorrect accounting during fiscal 2011 in its restated report for the first quarter of fiscal 2012.

Due to the continuing review of these matters, the Company has been unable to finalize its financial statements for the fiscal quarter ended March 29, 2013 (“Q2-2013”) or to file its Quarterly Report on Form 10-Q for Q2-2013 (“Q2-2013 10-Q”). On May 13, 2013, the Company filed a Notification of Late Filing on Form 12b-25 extending the filing deadline for the Q2-2013 10-Q from May 13, 2013 to May 20, 2013. At the time the Company filed the Form 12b-25, it anticipated meeting the extended filing deadline for the Q2-2013 10-Q. However, despite the significant work to

date, the Audit Committee has determined further review of the facts and circumstances giving rise to the restatement is necessary before the Company's financial statements are finalized and filed. Accordingly, the Company will not meet the extended filing deadline and the Company's Q2-2013 10-Q will not be filed on a timely basis. The Company will continue to dedicate significant resources toward the process of completing the restatement and its financial statements as soon as possible, and currently anticipates within the next 45 days that its restatements and the Q2-2013 10-Q will be filed.

As previously reported in the Restatement 8-K, management has concluded that there was a material weakness in the Company's internal control over financial reporting during the Restated Periods. Management has identified, and is in the process of implementing, steps to remediate the material weakness to the extent such weakness has been currently identified. Management is continuing to assess the effectiveness of the Company's internal controls, and any steps necessary for further remediation.

The Company's estimates for the restatement adjustment to the Company's consolidated financial statements provided in the Restatement 8-K have not changed. However, the Company cautions that additional information could be discovered as a result of the preparation of the restated financial statements and the further review referred to above that could cause the Company to have to make additional adjustments, to its previously reported financial information or changes to the information contained in the Restatement 8-K or to the preliminary estimated results for Q2-2013 set forth and discussed herein.

Preliminary Estimated Results of Quarter Ended March 29, 2013

As indicated above, the Company's Q2-2013 10-Q will not be filed on a timely basis, and the Company has not finalized its financial statements for Q2-2013. However, the Company's preliminary estimated financial results (unaudited in thousands) for Q2-2013 are as follows:

Net Sales	\$33,681
Gross Profit	\$2,899
Operating Loss	\$(1,412)
Loss Before Benefit From Income Taxes	\$(1,827)
Net Loss	\$(1,144)
Total Current Assets	\$42,982
Total Assets	\$87,035
Total Current Liabilities	\$19,071
Total Liabilities	\$47,054

Borrowings under our credit facilities, less cash, decreased on March 29, 2013 compared to December 27, 2013 by approximately \$1 million.

Any one or more of such risks and uncertainties could have a material adverse effect on the Company or the value of its common stock.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.
