Amendment and restatement of our CERTIFICATE of Incorporation

Reasons for the Amended Certificate

The Company recently issued all of its remaining authorized shares of Common Stock in a private placement transaction to Third Avenue Trust, on behalf of Third Avenue Real Estate Value Fund (“Third Avenue”). Prior to the issuance, the Company had the authorized capacity to issue 3,369,444 shares of Common Stock, and all of those shares were sold to Third Avenue for \$13,477,776.00, or \$4.00 per share. The Company will also issue the one share of Special Stock to Third Avenue or its designee for the share’s par value of \$.01 once the Amended Certificate is effective. The stock purchase agreement relating to the investment by Third Avenue was filed as an exhibit to the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on October 2, 2013 (the “Form 8-K”).

The Board believes that the amendment to our Certificate of Incorporation to increase the number of shares of capital stock and our Common Stock that we are authorized to issue will provide the Company with the flexibility to consider and respond to future business opportunities and needs as they arise, including additional capital raises and grants of equity incentive awards. The Board has no current plans to issue any of the additional shares of Common Stock authorized by the Amended Certificate other than to Matthew Messinger, the Company's new President and Chief Executive Office, pursuant to his employment agreement, which was filed as an exhibit to the Form 8-K.

The additional shares of Common Stock may be issued with the approval of the Board, but without further approval of our stockholders, unless the approval of our common stockholders or the holder of our Series A Preferred Stock is required by applicable law, rule or regulation or our Amended Certificate. The additional shares of Common Stock will have rights identical to our Common Stock currently outstanding. Any issuance of Common Stock will not affect the rights of the holders of our Common Stock currently outstanding, except for the dilution in economic and voting rights incidental to increasing the outstanding number of shares of Common Stock. Under the Amended Certificate, the holders of our Common Stock do not have preemptive rights with respect to future issuances of Common Stock. Accordingly, should the Board elect to issue additional shares of Common Stock, our existing stockholders will not have any preferential rights to purchase such shares.

The amendments to our Certificate of Incorporation relating to the authorization of issuance of the one share of Special Stock and the election of a director to the Board by the holder thereof are in connection with the investment made by Third Avenue. The Company expects all of the proceeds of Third Avenue's investment, net of fees and expenses associated with the transaction, will be used to fund the Company's operations and obligations.

The sole purpose of the share of Special Stock is to enable Third Avenue to elect one member of the Board. No dividends or distributions may be declared, paid or made on the Special Stock. The Special Stock will rank junior to the Series A Preferred Stock and Series B Preferred Stock, par value \$.01 per share ("Series B Preferred Stock"), and senior to the Common Stock, as to distributions of assets on any liquidation, dissolution or winding up of the Company, but only in an amount equal to the par value of such share. The Special Stock will, subject to lawfully available funds, be automatically redeemed at such time as the Special Stock Ownership Threshold (which is 2,345,000 out of the 3,369,444 shares of Common Stock purchased by Third Avenue) is no longer satisfied, at a per share redemption price equal to its par value. Except as expressly provided in the Amended Certificate or as otherwise required by applicable law, the holder of the Special Stock shall not be entitled to vote such share on any matters submitted to a vote of stockholders of the Corporation.

Anti-Takeover and Dilutive Effects

The purpose of increasing the number of authorized shares of capital stock and Common Stock is to facilitate our ability to raise additional capital to support our operations and to grant equity incentive awards, not to establish any barriers to a change of control or acquisition of the Company. The purpose of the share of Special Stock is to enable

Third Avenue to elect one member of the Board. Shares of Common Stock that are authorized but unissued provide the Board with flexibility to consider and effect, among other transactions, grants of equity incentive awards, public or private financings, subscription rights offerings, mergers, acquisitions, stock dividends and stock splits. However, these authorized but unissued shares may also be used by the Board, consistent with and subject to its fiduciary duties, to deter future attempts to gain control of the Company or make such actions more expensive or less desirable. We did not propose the Amended Certificate in response to any effort known to us to accumulate Common Stock or to obtain control of us by means of a merger, tender offer or solicitation in opposition to management.

Required Approval

We are currently authorized to issue 20,000,000 shares of capital stock, comprising 19,999,998 shares of Common Stock, one share of Series A Preferred Stock and one share of Series B Preferred Stock. As of the close of business on the Record Date, there were 16,630,554 shares of Common Stock, one share of Series A Preferred Stock and one share of Series B Preferred Stock issued and outstanding.

The affirmative vote or written consent of (i) the holders of a majority of the issued and outstanding shares of our Common Stock and (ii) the holder of the one issued and outstanding share of Series A Preferred Stock was necessary to approve the Amended Certificate. The Series B Preferred Stock is not entitled to vote on any matters submitted to a vote of stockholders of the Company, including any amendment to our Certificate of Incorporation.

Under the DGCL, our Certificate of Incorporation and our By-laws, stockholder action may be taken by written consent without a meeting of stockholders. Written consents were executed and delivered to the Company by holders of 9,080,660 shares of our Common Stock (representing approximately 54.6% of the 16,630,554 shares of Common Stock outstanding as of the Record Date) and by the holder of the one share of Series A Preferred Stock outstanding. These written consents were effective as of September 30, 2013 and were sufficient to approve the proposed Amended Certificate, and no other stockholder approval is required or necessary.

Effective Date of the Amended Certificate

The Amended Certificate will become effective upon its filing with the Secretary of State of Delaware. In accordance with Rule 14c-2(b) promulgated under the Exchange Act, such filing will not occur until at least 20 calendar days following the mailing of this Information Statement to our stockholders. We currently anticipate that the Amended Certificate will be filed and take effect on or about _____, 2013. The full text of the Amended Certificate is set forth in Appendix A to this Information Statement. The text of the Amended Certificate is subject to modification to include such changes as may be required by the office of the Secretary of State of Delaware and as our Board deems necessary and advisable.

Dissenters' Rights

Pursuant to the DGCL, our Certificate of Incorporation and our By-laws, our stockholders are not entitled to exercise appraisal or other dissenters' rights in connection with the Amended Certificate or the other matters described in this Information Statement.

FIFTH: The provisions of this Article (including the provisions relating to the election, designation and appointment of directors and the terms of directors) have been adopted pursuant to the final clause of the first sentence, and the second sentence, of Section 141(a) of the DGCL. Except as otherwise provided in this Certificate of Incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors elected, appointed and/or designated in the manner set forth in this Article. Except as otherwise provided in this Certificate of Incorporation, the provisions of the DGCL that otherwise apply to directors or a board of directors shall apply to the directors of the Corporation and the Board of Directors.

1. Staggered Board. Upon the effectiveness of the amendment or restatement of this Certificate of Incorporation first inserting this sentence (such time, the “Effective Time”), the Board of Directors shall be divided into two classes, as nearly equal in number as possible, designated Class I and Class II. Class I directors shall initially serve until the first annual meeting of stockholders following the Effective Time, and Class II directors shall initially serve until the second annual meeting of stockholders following the Effective Time, in each case subject to automatic termination of directorships as set forth in this Article. Commencing with the first annual meeting of stockholders following the Effective Time, directors of each class the term of which shall then expire shall be elected to hold office for a term ending at the second annual meeting following such persons’ election and until the election and qualification of their respective successors in office, subject to automatic termination of directorships as set forth in this Article. Commencing with the Effective Time, (i) the initial Class I directors shall be the Series A Director and the Independent Director, and (ii) the initial Class II directors shall be the EC Directors. The Special Stock Director shall be a Class II director. In case of any increase or decrease, from time to time, in the number of directors, the number of directors in each class shall be apportioned as nearly equal as possible. Any director may be removed from office at any time, with or without cause, by the affirmative vote of the holders of a majority in voting power of the shares of capital stock of the Corporation entitled to elect such director.

2. Board of Directors – Generally. Except as set forth in Section 3 of this Article below, for so long as the Series A Preferred Stock is outstanding, the Board of Directors shall be comprised of five directors, as follows:

(i) two directors who (A) as of the effective time of the amendment or restatement of the Certificate of Incorporation first inserting this amended clause (A), are the persons serving as EC Directors at such effective time; and (B) following the Effective Date shall be elected by the holders of Common Stock pursuant to the Corporation’s by-laws (the “EC Directors”); provided, however, that on and after the first date that the Special Stock Ownership Threshold is no longer satisfied, the number of EC Directors shall be increased from two to three EC Directors, with each EC Director elected in accordance with the foregoing provisions of this subparagraph (i)(B);

(ii) one director who shall be (A) designated and appointed to the Board of Directors on the Effective Date by the Creditors’ Committee and (B) following the Effective Date shall be elected by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (such director, the “Series A Director”);

(iii) from and after the issuance of Special Stock and until the first date that the Special Stock Ownership Threshold is no longer satisfied, one director who shall be elected by the holder of the Special Stock, voting as a separate class to the exclusion of the holder of Common Stock and any Preferred Stock (such director, the “Special Stock Director”); and

(iv) one director who shall be (A) designated and appointed to the Board of Directors on the Effective Date by the mutual agreement of the Equity Committee and the Creditors’ Committee and (B) following the Effective Date, shall be nominated by the EC Directors with the reasonable consent of the holder of the Series A Preferred Stock and, following such nomination, shall be elected by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (the “Independent Director”), provided that such director shall (I) meet the requirements of an independent director under the standards of the NASDAQ Stock Market and (II) not be an Affiliate of (v) any holder of the Special Stock, (w) any Unsecured Creditor that holds a Claim in an amount that is greater than \$50,000, (x) any holder of two percent or more of the Corporation’s Common Stock, (y) any Backstop Party or (z) any person or entity included in the definition of the Redeemed Stockholder.

Notwithstanding anything herein to the contrary, on the first date that the Special Stock Ownership Threshold is no longer satisfied, the term of the Special Stock Director shall automatically terminate, the person formerly holding such directorship shall cease to be a director of the Corporation and the size of the Board will be automatically reduced by one directorship. Immediately following such reduction, the size of the Board of Directors shall automatically be increased by one directorship, which shall be an EC Director.

3. Board of Directors - Contingencies.

(i) If there has not been a General Unsecured Claim Satisfaction by October 1, 2016, then, effective on such date, (A) the term(s) of the EC Director(s) then in office, except the oldest EC Director in age then in office, shall automatically terminate (provided that if there is only one EC Director in office on such date, then such director's term shall not terminate), the term of the Independent Director and the term of the Special Stock Director shall automatically terminate, and the persons formerly holding such directorships shall cease to be directors of the Corporation, all without the need for any action by the Board of Directors or the stockholders of the Corporation, (B) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to two (2) directors (the one EC Director and the Series A Director), the size of the Board of Directors shall automatically be increased so that the Board of Directors is comprised of a total of nine (9) authorized directorships with the seven (7) directorships created thereby to be filled (and thereafter elected) solely by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (such additional directors shall also each be a Series A Director, and together will be "Series A Directors"). Thereafter, upon the occurrence of a General Unsecured Claim Satisfaction after October 1, 2016, the Corporation shall immediately redeem the Series A Preferred Stock, the terms of all Series A Directors shall automatically terminate, the persons holding such directorships immediately prior to such termination shall cease to be directors of the Corporation and the size of the Board of Directors shall be automatically reduced to one (1) authorized directorship. Subject to Section 3(ii) of this Article below, following the redemption of the Series A Preferred Stock (whether before or after October 1, 2016), (a) all directors shall be elected exclusively by the holders of Common Stock, and (b) notwithstanding anything in this Certificate of Incorporation or the Corporation's by-laws to the contrary, the total number of directors comprising the Board of Directors may be fixed from time to time solely by resolution of the Board of Directors, and vacancies and newly created directorships may be filled solely by a majority of the directors then in office, even if less than a quorum.

(ii) If the Series A Preferred Stock has been redeemed but the Redeemed Stockholder has not received the Initial Majority Shareholder Payment and the Subsequent Majority Shareholder Payment by October 16, 2016, then, effective on such date, (A) the terms of all of the directors then in office except for the oldest EC Director in age shall automatically terminate and the persons formerly holding such directorships shall cease to be directors of the Corporation, all without the need for any action by the Board of Directors or the stockholders of the Corporation, (B) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to one (1) director, the size of the Board of Directors shall automatically be increased so that the Board of Directors is comprised of a total of four (4) authorized directorships with the three (3) directorships created thereby to be filled solely by the holder of the Series B Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (such additional directors, the "Series B Director"). Thereafter, upon the payment of the Initial Majority Shareholder Payment and the Subsequent Majority Shareholder

Payment in full after October 16, 2016, the Corporation shall redeem the Series B Preferred Stock, the terms of all Series B Directors shall automatically terminate, the persons holding such directorships immediately prior to such termination shall cease to be directors of the Corporation and the size of the Board of Directors shall be automatically reduced to one (1) authorized directorship. Following the redemption of the Series B Preferred Stock after the prior redemption of the Series A Preferred Stock (whether before or after October 16, 2016), (a) all directors shall be elected exclusively by the holders of Common Stock, and (b) notwithstanding anything in this Certificate of Incorporation or the Corporation's by-laws to the contrary, the total number of directors comprising the Board of Directors may be fixed from time to time solely by resolution of the Board of Directors, and vacancies and newly created directorships may be filled solely by a majority of the directors then in office, even if less than a quorum.

A-7

(iii) If the Series A Preferred Stock has been redeemed on or before October 1, 2016 (and subject to Section 3(ii) of this Article above) then, effective on such date, the terms of the Series A Director and the Independent Director shall automatically terminate, the persons formerly holding those directorships shall cease to be directors of the Corporation, and the size of the Board will be automatically reduced to three (3) (subject to the right of the Board of Directors to change such number as set forth in this Article), all without the need for any action by the Board of Directors or the stockholders of the Corporation.

4. Vacancies. In the event (i) a Series A Director is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and all other series of Preferred Stock, shall have the sole right to fill such vacancy; (ii) the Independent Director is removed, resigns or is unable to serve as a member of the Board of Directors prior to the first annual meeting following the Effective Date, the Board of Directors may fill such vacancy; provided that the Series A Committee and the EC Directors shall mutually agree on an Independent Director to fill such vacancy who (I) meets the requirements of an independent director under the standards of the NASDAQ Stock Market and (II) is not an Affiliate of (v) any holder of the Special Stock, (w) any Unsecured Creditor that holds a Claim in an amount that is greater than \$50,000, (x) any holder of two percent or more of the Corporation's Common Stock, (y) any Backstop Party or (z) any person or entity included in the definition of the Redeemed Stockholder; (iii) an EC Director is removed, resigns or is unable to serve as a member of the Board of Directors, or there is an increase in the number of EC Directors (including pursuant to Section 2(i) of this Article Fifth), a majority of the remaining EC Director(s) then in office, if any, shall have the sole right to fill such vacancy (and if there are no remaining EC Directors, such vacancy shall be filled in the manner set forth in the Corporation's by-laws); (iv) any director elected by the holder of the Series B Preferred Stock is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Series B Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and all other series of Preferred Stock, shall have the sole right to fill such vacancy; or (v) any director elected by the holder of the Special Stock is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Special Stock, voting as a separate class to the exclusion of the holders of Common Stock and Preferred Stock, shall have the sole right to fill such vacancy.

5. Series A Committee. The Series A Committee, which shall consist of the Series A Directors in office at any given time, is hereby established to take and, to the fullest extent permitted by applicable law, shall have the sole power and authority to take, the actions set forth in Sections B6(i) and B7 of Article Fourth and Section 4 of Article Fifth, which Sections provide for such actions to be taken by the Series A Committee, including the taking of any actions necessary for or incidental to the taking of the actions set forth in Sections B6(i) and B7 of Article Fourth and Section 4 of Article Fifth. The vote of a majority of the members of the Series A Committee present at any meeting of the Series A Committee at which there is a quorum shall be the act of the Series A Committee. In the event that the Board of Directors is comprised as set forth in Section 3(i) of this Article, the Board of Directors, by resolution adopted by a majority of the directors then in office, may elect to dissolve the Series A Committee and repeal the rules and procedures for the conduct of its business, provided, that any such dissolution of the Series A Committee and repeal of its rules and procedures must be approved by a majority of the Series A Directors then in office.

6. Other Committees. For so long as the Board of Directors is constituted pursuant to Section 2 of this Article, and to the fullest extent permitted by law, (i) each committee of the Board of Directors other than the Series A Committee

shall have five (5) members, (ii) the presence of four (4) members shall be necessary and sufficient to constitute a quorum for the transaction of business by such committee, and (iii) the vote of a majority of the members of such committee present at any meeting at which there is a quorum shall be the act of that committee. If the Board of Directors is constituted pursuant to Section 3 of this Article, unless the Board of Directors provides otherwise and to the fullest extent permitted by law, (i) each committee of the Board of Directors other than the Series A Committee shall consist of one or more of the directors of the Corporation, (ii) at all meetings of such committee, a majority of the members of the committee then in office shall constitute a quorum for the transaction of business, and (iii) the vote of a majority of the members of the committee present at any meeting at which there is a quorum shall be the act of the committee. Committees of the Board of Directors (other than the Series A Committee) may not create one or more subcommittees of such committee. Notwithstanding the foregoing or anything to the contrary herein, for so long as there is a Special Stock directorship, the Special Stock Director shall have the right to be a member of each committee of the Board of Directors (other than the Series A Committee).
