### **Item 1.01 Entry into a Material Definitive Agreement**

On December 9, 2013, Icahn Enterprises L.P. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Morgan Stanley & Co. LLC (the “Underwriter”), providing for the issuance and purchase of an aggregate of 2.0 million depositary units representing limited partner interests in the Company (the “Depositary Units”) at a price of \$135.00 per Depositary Unit (the “Offering”) to the Underwriter. Pursuant to the Underwriting Agreement, the Company also granted the Underwriter a 30-day option to purchase up to 300,000 additional Depositary Units at the same price.

The proceeds to the Company from the Offering are expected to be approximately \$270 million, before deducting estimated offering expenses payable by us, or proceeds of approximately \$311 million if the Underwriter exercises in full its option to purchase additional Depositary Units pursuant to the terms of the Underwriting Agreement. The Offering is expected to close on or about December 13, 2013, subject to conditions set forth in the Underwriting Agreement. All of the Depositary Units in the Offering are to be sold by the Company.

The issuance and purchase of the Depositary Units is registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to a shelf registration statement on Form S-3 (File No. 333-188360) filed with the Securities and Exchange Commission (the “SEC”) on May 3, 2013 and declared effective by the SEC on October 9, 2013.

The Company intends to use the net proceeds from the Offering for investment in one of more of its nine current majority owned operating subsidiaries.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and customary conditions to closing. The Underwriting Agreement contains customary indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act, other obligations of the parties and termination provisions.

The Underwriting Agreement has been filed with this report to provide investors and depositary unitholders with information regarding its terms. The Underwriting Agreement is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific date, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the such agreement.
