The Company's Quarterly Report on Form 10-Q for the quarter ended November 30, 2013 was unable to be completed in time without unreasonable effort and expense to the Company because the Company, until its recently completed business combination, did not have a full-time administrative and accounting staff. For the quarter ended November 30, 2013, the Company expects to record a net loss of \$3,451,785, compared to a net loss of only \$952,536 for the quarter ended November 30, 2012. The difference is attributable to increased professional fees and travel expenses in connection with the now completed business combination with Tecnoglass S.A. and C.I. Energia Solar S.A. E.S. Windows, and to an anticipated loss of \$3,132,000 related to the fair value of warrants.
