Item 1.01 Entry into a Material Definitive Agreement.

See Item 3.02

Item 3.02 Unregistered Sales of Equity Securities.

On July 29, 2016 (the "*Investment Date*"), the Company and certain accredited investors (the "*Investors*") entered into a Securities Purchase Agreement (the "*Purchase Agreement*"), wherein the Investors purchased 152,850 shares of common stock, no par value, at a price of \$6.00 per share.

As additional consideration for the purchase of shares in the offering, each Investor will receive, along with each share of common stock, one-half of a warrant, with one warrant entitling the Investor to purchase one share of the Company's common stock at a price of \$7.00. The warrants are exercisable between six (6) months and three (3) years from the Investment Date.

In addition to the Purchase Agreement, the Company and the Investors entered into a Registration Rights Agreement (the "*Registration Rights Agreement*"), pursuant to which the Company agreed to file a Registration Statement with the Securities and Exchange Commission on or before August 29, 2016, in order to register the common stock sold to investors on the Investment Date, but not the common stock issuable on exercise of the warrants.

The issuance of the shares on the Investment Date resulted in gross proceeds of \$917,100 and after commissions and fees, net proceeds to the Company of approximately \$836,394. The Company expects to use these proceeds for general working capital purposes.

The common stock and warrants were offered and sold in transactions exempt from registration under the Securities Act in reliance on Section 4(2) thereof and Rule 506 of Regulation D thereunder. Each of the Investors represented that it was an "accredited investor" as defined in Regulation D, and that no Investor is subject to the "Bad Actor" disqualifications described in Rule 506(d).

Disclaimer.

The foregoing descriptions of the Purchase Agreement, Warrant and Registration Rights Agreement do not purport to be complete, and are qualified in their entirety by reference to the full text of the form of Purchase Agreement, form of Warrant, and form of Registration Rights Agreement.
