On July 19, 2017, TSS, Inc. (the “Company”) and its subsidiaries Innovative Power Systems, Inc., VTC, L.L.C., Vortech, L.L.C., Total Site Solutions Arizona, LLC and Alletag Builders, Inc. (together with the Company, collectively, the “Borrowers”) entered into an amended and restated loan agreement (the “Loan Agreement”) and related agreements with MHW SPV II, LLC (“MHW SPV”) and MHW Partners, LP (“MHW Partners” and, collectively with MHW SPV, the “Lender”) for a multiple advance term loan in the maximum principal amount of up to \$2,500,000 for up to sixty days following the date thereof and then \$2,000,000 thereafter (collectively, the “Loan”). The Loan Agreement amends and restates the original loan agreement that the Borrowers and MHW SPV entered into on February 3, 2015.

In accordance with the terms of the Loan Agreement, MHW SPV provided \$945,000 of the Loan on February 3, 2015 (the “MHW SPV Loan”), MHW Partners provided \$650,000 of the Loan on July 19, 2017 (the “MHW Partners Loan”), and the remainder of the Loan may be advanced (an “Additional Advance”) in the Lender’s discretion to the Borrowers prior to July 19, 2022. The Borrowers may decide whether to accept such an Additional Advance in their discretion, and have the right to obtain substitute or alternate financing for the Additional Advance from any lender to be secured on a pari passu basis with the MHW SPV Loan and the MHW Partners Loan. The Borrowers executed and delivered an amended and restated promissory note (the “MHW SPV Promissory Note”) to MHW SPV to evidence the MHW SPV Loan and the terms of repayment thereof, and a promissory note to MHW Partners (the “MHW Partners Promissory Note”) to evidence the MHW Partners Loan and the terms of repayment thereof. The MHW SPV Promissory Note amends and restates the promissory note delivered by the Borrowers to MHW SPV on February 3, 2015.

The Loan bears interest at a fixed rate of 12% per annum, payable in cash monthly in arrears at a fixed rate of 6% per annum (the “Basic Interest”), and payable in kind at a fixed rate of 6% (the “PIK Interest”) to be evidenced by additional promissory notes having an aggregate principal amount equal to the accrued but unpaid PIK Interest. The Loan has a maturity date of July 19, 2022. The Borrowers are permitted to make optional prepayments of the Loan at any time, subject to a prepayment fee of (a) 4% of the amount prepaid if the prepayment is made prior to July 20, 2018, (b) 2% of the amount prepaid if the prepayment is made between July 20, 2018 and July 19, 2019, and (c) 1% of the amount prepaid if the prepayment is made between July 20, 2019 and July 19, 2020.

The Loan Agreement and ancillary documents include customary affirmative covenants for secured transactions of this type, including compliance with laws, maintenance of insurance, maintenance of assets, timely payment of taxes and notice of adverse events. The Loan Agreement and ancillary documents include customary negative covenants, including limitations on liens on assets of the Borrowers.

The Loan Agreement and ancillary documents include customary events of default, including payment defaults, the making of false or misleading representations or warranties included in the Loan Agreement and ancillary documents, failure to perform or observe terms, covenants or agreements included in the Loan Agreement and ancillary documents, insolvency and bankruptcy defaults and dissolution and liquidation defaults.

The obligations under the Loan are secured by substantially all of the Borrower's assets pursuant to the terms of an amended and restated security agreement (the "Security Agreement"). The Security Agreement amends and restates the security agreement from the Borrowers in favor of MHW SPV dated February 3, 2015.

The Company and MHW SPV also entered into an amended and restated warrant (the "MHW SPV Warrant") granting MHW SPV the right to purchase up to 1,115,826 shares of the Company's common stock, par value \$0.0001 (the "Common Stock"). The MHW SPV Warrant amends and restates that warrant issued by the Company to MHW SPV on February 3, 2015. The MHW SPV Warrant is exercisable for a period of five years from July 19, 2017, at an exercise price of \$0.10 for the first 390,539 shares, \$0.20 for the next 390,539 shares and \$0.30 for the final 334,748 shares. The exercise price and number of shares of Common Stock issuable on exercise of the MHW SPV Warrant will be subject to adjustment in the event of any stock split, reverse stock split, recapitalization, reorganization or similar transaction.

The Company and MHW Partners also entered into a warrant (the “MHW Partners Warrant”, collectively with the MHW SPV Warrant, the “Warrants”) granting MHW Partners the right to purchase up to 767,500 shares of the Company’s common stock, par value \$0.0001 (the “Common Stock”).
