**E.ON Replies to Fortum**

E.ON and the City of Espoo entered into a Shareholders Agreement regarding E.ON Finland Oyj in September 2001. E.ON Nordic owns 65.56% of the shares in E.ON Finland. The City of Espoo owns 34.24% of the shares.

On 17 January 2005, E.ON Nordic AB received a notice from Fortum Power and Heat Oy (Fortum) that Fortum wishes to exercise the call option regarding E.ON Nordic's shares in E.ON Finland Oyj under the agreement entered into in April 2002 (the Call Option Agreement). E.ON and Fortum entered into this Call Option Agreement in connection with the acquisition of Elektrizitätswerke Wesertal by E.ON.

E.ON Nordic has today sent its reply to Fortum. In the reply E.ON Nordic refers to the restrictions regarding transfer of shares contained in the Shareholders Agreement entered into with the City of Espoo in September 2001. Fortum was fully aware of the contents of the Shareholders Agreement when entering into the Call Option Agreement. Pursuant to this latter agreement the sale and transfer of shares is subject to fulfilment of such transfer restrictions.

E.ON Nordic has also discussed Fortum's call option notice with the City of Espoo. In these discussions, the representatives of the City of Espoo have, by reference to the decisions made by the decision making bodies of the City, stated that the City of Espoo intends to continue the cooperation with E.ON Nordic as shareholder in E.ON Finland and believes that Fortum is unable to fulfil the restrictions in the Shareholders Agreement. Because this standpoint is based on the Shareholders Agreement of September 2001, E.ON Nordic is not in a position to sell its shares to Fortum.
