Item 2.02 Results of Operations and Financial Condition.

On January 25, 2006, Fair Isaac Corporation (the "Company") reported its financial results for the quarter ended December 31, 2005. See the Company's press release dated January 25, 2006, which is furnished as Exhibit 99.1 hereto and incorporated by reference in this Item 2.02.

The press release attached as Exhibit 99.1 hereto includes the non-GAAP financial measure "EPS before Share-Based Compensation" which excludes the expense related to all stock-based compensation. The Company excludes these amounts in order to facilitate the comparison of current results with those of prior periods and with previous guidance provided by the Company, which did not include such expenses, and because these amounts are non-cash expenses. Wherever this non-GAAP financial measure has been included in the press release, the Company has reconciled it to GAAP EPS. This non-GAAP financial measure is not prepared in accordance with accounting principles generally accepted in the United States of America and may be different from non-GAAP financial measures used by other companies. Non-GAAP financial measures should not be considered as a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP.
