Edgar Filing: CARPENTER TECHNOLOGY CORP - Form 8-K

announcing that Dr. J. Michael Fitzpatrick was hired as Vice Chairman of Carpenter Technology Corporation, effective February 14, 2006. The most significant terms of his employment include an annual base salary of \$500,000 and the opportunity for a cash bonus payable under the Executive Annual Compensation Plan ("EACP") (prorated for fiscal year 2006) upon the achievement of certain financial performance goals. The corporate performance goals applicable to Dr. Fitzpatrick are similar to those established for other Executive Officers of Carpenter and are based upon return on net assets (RONA) and earnings per share (EPS). The EACP performance goals are set at three levels: Threshold, Target and Maximum. Upon achievement of each level, Dr. Fitzpatrick will earn a percentage of his base salary as follows: Threshold - 40%; Target - 80%; Maximum - 160%. In addition, Dr. Fitzpatrick will have the opportunity to earn grants of restricted stock (prorated for fiscal year 2006) upon the achievement of the RONA and EPS goals as follows: Threshold - 1,500 shares; Target - 3,000 shares; Maximum - 6,000 shares. If earned, these shares will vest ratably over two years. Dr. Fitzpatrick also received a grant of 5,000 shares of restricted stock that vest five years from the date of grant provided that he remains employed by Carpenter at that time.

Dr. Fitzpatrick will be eligible for future grants of stock options as the Carpenter Board of Directors may determine from time to time. He will also be entitled to participate in Carpenter's Supplemental Executive Retirement Plan, its Deferred Compensation Plan for Executives and Key Employees, its General Retirement Plan, its 401(k) defined contribution plan and other Carpenter benefit programs.
