**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On May 29, 2009, NIC Inc. through its indirect wholly-owned subsidiary Texas NICUSA, LLC (collectively, the "Company") completed the acquisition of certain assets from BearingPoint, Inc. ("BearingPoint"). The assets were part of BearingPoint's North American Public Services Unit which BearingPoint previously agreed to sell to Deloitte LLP ("Deloitte") pursuant an Asset Purchase Agreement dated March 23, 2009 ("Asset Purchase Agreement"). Pursuant to the terms of the Asset Purchase Agreement, Deloitte designated the Company as the acquirer of certain designated contracts and assets and the Company acquired the designated contracts and assets directly from BearingPoint.

The assets acquired by the Company include all of BearingPoint's right, title and interest in and to the following: (1) the Texas Electronic Framework Agreement dated May 5, 2000, as amended and renewed, between the Department of Information Resources, an agency of the State of Texas, and the predecessor to BearingPoint ("Framework Agreement"), and related service level agreements with various governmental agencies and entities in the State of Texas ("Service Level Agreements") (all of which expire on December 31, 2009), (2) the Master Work Order Agreement dated May 17, 2008 ("Master Work Order"), including the underlying Master Work Order Projects attached thereto as exhibits ("Master Work Order Projects"), between the Department of Information Resources, an agency of the State of Texas, and BearingPoint, Inc. (with certain Master Work Order Projects expiring August 31, 2012 and others expiring August 31, 2014), (3) certain contracts with subcontractors and service providers relating to the provision of products and services pursuant to Framework Agreement, the Service Level Agreements and the Master Work Order, and (4) certain equipment, computers, furniture, supplies, fixtures and other tangible personal property primarily used in providing products and services under the contracts assigned to the Company. In addition, the Company is licensing from Deloitte certain intellectual property relating to the acquired contracts.

The Company paid Deloitte \$1,500,000 in cash in exchange for the designation of the Company as the acquirer of the designated contracts and assets from BearingPoint. In addition, the Company has designated Deloitte as the subcontractor on certain of the Master Work Order Projects under the Master Work Order. The terms of the transaction were determined by arm's-length negotiations between the parties. The Company funded the cash consideration paid to Deloitte from its existing cash resources. The transaction is subject to various post-closing covenants, including but not limited to Deloitte assisting the Company in obtaining from BearingPoint assistance in resolving any objections to the assumption and assignment of the above contracts.
