PROXY STATEMENT FOR THE ANNUAL MEETING OF
STOCKHOLDERS TO BE HELD JUNE 1, 2012

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Buckle, Inc. ("the Company") for use at the Annual Meeting of Stockholders of the Company to be held June 1, 2012, or at any adjournments of said meeting (the "Meeting"). The enclosed form of proxy, if executed, may nevertheless be revoked at any time insofar as it has not been exercised. When such proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions given; or if no direction is indicated, it will be voted in favor of the proposals set forth in the notice attached hereto.

The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, by internet, or by telephone. Copies of the proxy statement and proxy form will be first provided to stockholders on April 20, 2012.

VOTING INFORMATION

As of March 23, 2012, the Company had outstanding 47,921,437 shares of Common Stock. Each share of Common Stock is entitled to one vote. Only stockholders of record on March 23, 2012 will be entitled to vote at the Annual Meeting of Stockholders. A holder of Common Stock is entitled to cumulate his or her votes in the election of Directors and may give one or more candidates as many votes as the number of Directors to be elected multiplied by the total number of shares owned by such stockholder. Under Nebraska law there are no conditions precedent to the exercise of cumulative voting rights. On all other matters which may come before the Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

In accordance with the By-laws of the Company, the size of the Board of Directors has been fixed at nine, and nine Directors are to be elected at the Annual Meeting.

The Board of Directors recommends the election of the nine nominees listed below. In the absence of instructions to the contrary, shares represented by the proxy will be voted for the election of all such nominees to the Board of Directors. The Board of Directors has no reason to believe that any of these nominees will be unable to serve. However, if any nominee should for any reason be unavailable to serve, the proxies will be voted for the

election of such other person to the office of Director as the Board of Directors may recommend in place of such nominee. Set forth below is certain information concerning the nominees, which is based on data furnished by them.

He later served as store manager for the Company before returning to the corporate office in 1985 as the Company's sales manager. He was also involved in site selection and development and education of personnel as store managers and as area and district managers. The Board believes that Mr. Shada's prior experience with the Company, as Executive Vice President of Sales, allows him to provide special insights on the Company's sales operations.

Robert E. Campbell, age 69. Mr. Campbell has been a Director of the Company since July 1, 1991. Since 1985, Mr. Campbell has served as Chairman and Chief Executive Officer, and currently President and Operating Manager, of Miller & Paine LLC, a company which owns and manages office and retail properties in Lincoln, Nebraska. Prior to 1991 Mr. Fairfield was Chief Executive Officer of Valcom, the predecessor company to Inacom Corp. The Board believes that Mr. Fairfield's business experience related to technology and his former role as Chief Executive Officer of infoGROUP allows him to provide insight in technology, auditing, and financial matters.

Bruce L. Hoberman, age 65. Mr. Hoberman has served as a Director of the Company since June 2, 2000. He is currently Chief Executive Officer of Proxibid, Inc., an internet auction service provider. He previously served as a member of the MSI, Inc. Board of Directors. Mr. Hoberman was Founder and President of Homer's, Inc., a music retail chain and distribution company based in Omaha, Nebraska, from 1971 to 1993. Prior to joining the Mutual of Omaha Companies, Mr. Huss practiced law as a partner at the Kutak Rock law firm in Omaha, Nebraska and was a certified public accountant in San Diego, California. The Board believes that Mr. Huss' experience as General Counsel for Mutual of Omaha Bank, Deputy General Counsel, Chief Securities Compliance Officer, and Corporate Secretary for Mutual of Omaha Companies, coupled with his prior experience as a certified public accountant, allows him to provide insight in accounting, audit, compliance, and financial matters. From his years of experience in accounting and law, he has knowledge and understanding of generally accepted accounting principles and auditing standards, and how they should be applied to financial reporting systems. Mr. Huss serves on the Company's Audit Committee and meets the SEC definition of an audit committee financial expert.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

CORPORATE GOVERNANCE

The Board has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of the Company's business and to seek to serve the long-term interests of stockholders. The Company's corporate governance practices are documented in the Corporate Governance Guidelines and in the charters of the three committees of the Board. The Company's Corporate Governance Guidelines and committee charters are periodically reviewed and updated as necessary to reflect changes in regulatory requirements and changes in oversight practices.

Chairman and Chief Executive Officer

The Company does not have a formal policy regarding the separation of its Chairman and Chief Executive Officer positions. The role of Chairman and that of Chief Executive Officer currently are held separately. Daniel J. Hirschfeld serves as Chairman of the Board of Directors while Dennis H. Nelson serves as President and Chief Executive Officer. The Board of Directors believes that the Company's current leadership structure is appropriate and achieves important objectives for the Company. Mr. Nelson is positioned to fully focus his energies on implementing the Company's business strategy and administering its day-to-day affairs. Mr. Hirschfeld is positioned to draw on his relationships with existing Board members and his experience as a past President and Chief Executive Officer of the Company to effectively discharge the duties of Chairman, while also serving as a resource to Mr. Nelson. Further, Mr. Hirschfeld remains the Company's largest stockholder and, as Chairman, is in a position to promote the interests of all stockholders.

Risk Oversight

The Company's Board of Directors oversees risk management with a focus on the Company's primary areas of risk: risk related to the Company's business strategy, financial risk, legal/compliance risk, and operational risk. The President and Chief Executive Officer and each of the Company's other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board of Directors, and explaining to the Board how those risks are being addressed.

The Board of Directors receives reports from Company executives with respect to their areas of managerial responsibility. These reports include information concerning risks and risk mitigation strategies. For example, the Board of Directors receives quarterly reports from certain members of management regarding areas of operational risk. In addition, the Board evaluates risk related to business strategies and transactions. For example, the Board monitors significant capital expenditures through its review of the annual budget and quarterly capital expenditure reports from management.

The standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to internal controls over financial reporting. It receives an annual risk assessment report from the Company’s internal auditors, as well as financial risk assessment information in connection with particular events or transactions. In addition, the Audit Committee regularly receives reports regarding information reported through the Company’s “whistleblower hotline.” The Corporate Governance and Nominating Committee assists the Board of Directors in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from the Company’s General Counsel. As discussed below, the Compensation Committee addresses risks relating to the Company’s executive compensation strategies. The full Board of Directors receives regular reports from the chairs of the committees and receives reports and other meeting materials provided to each of the committees.

Compensation Risk Assessment

In setting executive compensation, the Compensation Committee considers the risks to the Company’s stockholders and to achievement of Company goals that may be inherent in the compensation program. Although a significant portion of compensation for the Company’s executives is performance-based and “at-risk,” the Compensation Committee believes the Company’s executive compensation plans are appropriately structured and do not pose a material risk to the Company. Specifically, performance-based compensation for management is tied to growth in Same Store Sales, Gross Margin, and Pre-Bonus Net Income. The Compensation Committee has determined that growth in Same Store Sales, Gross Margin, and Pre-Bonus Net Income will likely translate to an increase in the share price of the Company’s common stock, thereby aligning management’s focus with that of the Company’s stockholders without creating incentives that are reasonably likely to have a material adverse effect on the Company. Incentive compensation for non-management employees, such as store managers and regional managers, is similarly tied to measures that align the employees’ focus with that of the Company’s stockholders.

Board Committee Charters

The Board has four standing committees, the Executive Committee, the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Except for the Executive Committee, whose members are all executive officers of the Company, all committee members meet the independence requirements of the United States Securities and Exchange Commission (“SEC”) and the New York Stock Exchange (“NYSE”). The charters of these committees are available on the Company’s website at www.buckle.com and upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, Nebraska 68848. Current committee members are as listed:

Name	Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Robert E. Campbell	X	X	X
Bill L. Fairfield	Chairman	X	X
Bruce L. Hoberman	X	X	Chairman
John P. (Jack) Peetz, III	X	Chairman	X

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines to assist the Board in the exercise of its responsibilities. These Guidelines are available free of charge on the Company's website at www.buckle.com or upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848.

Code of Ethics

The Company has a Code of Ethics that applies to all employees, including the Chief Executive Officer and the Chief Financial Officer, as well as all members of the Board of Directors. The Code of Ethics is available free of charge on the Company's website at www.buckle.com or upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848.

The Company intends to satisfy its disclosure obligations under applicable rules of the SEC regarding an amendment to or waiver from a provision of the Company's Code of Ethics that applies to the Company's Chief Executive Officer or its Chief Financial Officer by posting such information on its internet website.

Independence

The Company's Corporate Governance Guidelines require that a majority of the Board consist of Directors who qualify as independent under NYSE Listing Standards. The Board has determined that all non-employee Directors of the Company, except for James E. Shada, comprising five of the nine members of the Board of Directors during fiscal 2011, are independent under NYSE Standards. In addition, all committee members, other than the Executive Committee members, meet the applicable independence requirements of the NYSE Standards. The names of the independent directors are: Robert E. Campbell, Bill L. Fairfield, Bruce L. Hoberman, John P. (Jack) Peetz, III, and Michael E. Huss. Mr. Shada became an independent director as of March 27, 2012.

Executive Sessions of Non-Management Directors

The Company's independent Directors meet separately in executive session without employee Directors or representatives of management at each regularly scheduled quarterly meeting of the Board. The Chair of these executive sessions is rotated among the non-employee Directors alphabetically.

Stockholder Communication with the Board of Directors

Stockholders or other interested parties may contact an individual Director, the Board as a group, or the non-employee Directors as a group, by writing to: Board of Directors or Directors, c/o Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848. The communication should specify the applicable addressee(s) to be contacted as well as the address and telephone number of the person submitting the communication. The Board has instructed the Corporate Secretary to review all communications to the Board and to only distribute if appropriate to the duties and responsibilities of the Board. The Board has instructed the Corporate Secretary to not forward communications that she determines to be primarily commercial in nature, that relate to an improper or irrelevant topic, or that request general information about the Company. Communications regarding accounting, internal accounting controls, or auditing matters may also be reported to the Company's Board of Directors using the above address or through The Buckle Ethics Hotline. Information about how to contact The Buckle Ethics Hotline is available on the Company's website at www.buckle.com and in the Company's Code of Ethics.

Company Website

Information on the Company's website is not incorporated by reference into this proxy statement.

Meetings and Committees of the Board

During fiscal 2011, five meetings of the Board of Directors, eight meetings of the Executive Committee, seven meetings of the Compensation Committee, two meetings of the Corporate Governance and Nominating Committee, and eight meetings of the Audit Committee were held. No Director was absent from more than twenty-five percent of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees on which he or she served. The Company has the following standing committees:

Executive Committee. The Executive Committee has the power and authority of the Board of Directors to manage the affairs of the Company between meetings of the Board of Directors. The Executive Committee establishes compensation for all non-officer employees of the Company. The Committee also regularly reviews significant corporate matters and recommends action as appropriate to the Board. Members of the Executive Committee presently are Daniel J. Hirschfeld, Dennis H. Nelson, and Karen B. Rhoads.

Audit Committee. The Audit Committee meets with the Company's Chief Financial Officer and independent accountants to review the scope of auditing procedures and the policies relating to internal controls and to review the Company's public financial statements. The Board of Directors has determined that the Company has at least one audit committee member that meets the requirements of a financial expert. For fiscal 2011, Michael E. Huss, who served on the audit committee and fulfilled the audit committee financial expert role, was independent with respect to the Company and its management.

Compensation Committee. The Compensation Committee is responsible for establishing the Company's philosophy, policies, and strategies relating to executive compensation and for evaluating the performance of the Company's Chief Executive Officer. The Compensation Committee also administers the Company's 1997 Executive Stock Option Plan, the 1999 Employee Stock Option Plan, the 2005 Restricted Stock Plan, and the Company's incentive plans for management, including the 2012 Management Incentive Plan.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for researching and recruiting qualified new members for the Company's Board of Directors. In considering whether to recommend any candidate for inclusion in the slate of recommended Director nominees, the Corporate Governance and Nominating Committee applies the criteria set forth in the Company's Corporate Governance Guidelines. These criteria include the candidate's independence, integrity, experience, sound judgment in areas relevant to the Company's business, and willingness to commit sufficient time to the Board of Directors, all in the context of an assessment of the perceived needs of the Board of Directors at that point in time. The Corporate Governance and Nominating Committee seeks nominees with a broad diversity of experience, professions, skills, and backgrounds. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant breadth of experience, knowledge, and abilities that will allow the Board of Directors to fulfill its responsibilities. The Committee is also responsible for reviewing the Company's Corporate Governance Guidelines and recommending to the Board any modifications the Committee deems appropriate. The Committee is charged with overseeing the evaluation and reporting to the Board on the performance and effectiveness of the Board and its committees. The Corporate Governance and Nominating Committee will consider nominees for Directors recommended by stockholders of the Company and will evaluate such nominees using the same criteria used to evaluate Director candidates otherwise identified by the Committee. Stockholders wishing to make such recommendations should write to: Corporate Governance and Nominating Committee, c/o Corporate Secretary, The Buckle, Inc., P. O. Box 1480, Kearney, NE 68848. Persons making submissions should include the full name and address of the recommended nominee, a description of the proposed nominee's qualifications, and other relevant biographical information.

Attendance at Annual Meeting

The Company requires all Directors to use all reasonable efforts to attend the Annual Meeting of Stockholders. The Board of Directors holds one of its regularly scheduled quarterly meetings immediately following adjournment of the Annual Stockholder Meeting. Each Director of the Company attended the Annual Meeting held in June 2011.

Chief Executive Officer Certification

The Listing Standards of the NYSE require that the Company's Chief Executive Officer certify to the NYSE each year that he or she is not aware of any violation by the Company of the NYSE Corporate Governance Listing Standards, qualifying the certification to the extent necessary. The Company's Chief Executive Officer, Dennis H. Nelson, filed such a certification with the NYSE for fiscal 2011.

Director Compensation

For their services as Directors in fiscal 2011, the members of the Board of Directors who are not employees of the Company were paid \$12,000 annually, \$3,000 for each quarterly Board meeting they attended, \$500 for each telephonic meeting less than 30 minutes, and \$1,000 for each telephonic meeting lasting 30 minutes or longer, held for the Board or any committee thereof. The Chairman of each committee of the Board received additional cash payment for service as Chairman as follows: the Audit Committee Chairman received \$2,500 per quarter, the Compensation Committee Chairman received \$1,500 per quarter, and the Chairman of the Corporate Governance and Nominating Committee received \$500 per quarter.

Effective February 1, 2009, the Company replaced the Director Stock Option Plan with the 2008 Director Restricted Stock Plan, approved by stockholders on May 28, 2008. Under the 2008 Director Restricted Stock Plan, 2,250 shares of non-vested stock are granted annually to each non-employee Director (a Director of the Company who is not an officer or employee of the Company) on the first day of each fiscal year, with the first grants being made on February

1, 2009. The Plan also provides that each non-employee Director be granted 750 shares of non-vested stock on the date such Director is first elected to the Board of Directors of the Company. The shares granted are vested 25 percent immediately, with an additional 25 percent vesting on each of the first three successive anniversaries of the date of the issuance. There are no family relationships among any of the Directors or Officers of the Company, except that Thomas B. Heacock, elected as Treasurer on March 21, 2011, is the son-in-law of Dennis H. Nelson, President, Chief Executive Officer, and Director.

The following table summarizes the compensation paid to the Company's non-employee Directors for the fiscal year ended January 28, 2012:

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on its review of the Section 16 Reports furnished to the Company by its Reporting Persons and, where applicable, any written representations by any of them that no Form 5 was required, all Section 16(a) filing requirements applicable to the Company's Reporting Persons during and with respect to fiscal 2011 have been complied with on a timely basis, except for one late Form 5 file by Brett P. COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Company is engaged in a highly competitive industry, with fashion, selection, quality, price, location, store environment, and service being the principal competitive factors. In order to compete and succeed, the Company believes that it must be able to attract, motivate, and retain highly qualified executives. The Company emphasizes the promotion of store managers and other management personnel from within. The Company's compensation philosophy is that each member in a position to make the Company grow should be rewarded for growth and, as such, the compensation plan is intended to provide a relationship between the compensation earned by executive officers and the creation of value for stockholders. The Company has a team philosophy, reflected by the facts that (i) employees

have always been referred to as “teammates”; and (ii) performance goals upon which performance bonuses for executive officers are based are strategic goals for Company performance, not individual goals.

Elements of Executive Compensation

For fiscal 2011, the compensation program for all executive officers, including Mr. Dennis H. Nelson, who served as President and Chief Executive Officer, and Karen B. Rhoads, who served as Vice President of Finance and Chief Financial Officer, consisted of:

competitive base salary;
incentive cash bonus, based upon the actual performance of the Company;
benefits including a health and welfare plan, 401(k) plan, and supplemental non-qualified deferred compensation plan (to provide officers with a benefit comparable to that being currently provided to other employees under the 401(k) plan); and
shares of Restricted Stock (hereafter referred to as “Non-Vested Stock” in accordance with terminology used in Generally Accepted Accounting Principles (“GAAP”)).

The first three elements listed above are short-term in nature and designed to attract, motivate, and retain a talented executive team. Non-Vested Stock provides a long-term incentive designed to reward executives for the achievement of sustainable growth in stockholder value. Non-Vested Stock was granted in accordance with the 2011 Management Incentive Plan, which was previously approved by stockholders.

Salary

Fiscal 2011 salaries for executive officers were set in January 2011 and were increased over salaries paid for fiscal 2010. The salary amounts are reported in the Summary Compensation Table on page 14. When establishing base salaries, the Compensation Committee considered factors such as the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, the base salary of the individual in prior years with the Company, and the number and availability of well qualified candidates to assume the individual's role. Base salary ranges are reviewed and re-established by the Compensation Committee annually.

Incentive Cash Bonus

The 2011 Management Incentive Plan, which was approved by stockholders at the Annual Meeting in 2011, in addition to creating a Bonus Pool as a cash incentive for executive officers, granted the Compensation Committee discretion to grant year-end cash incentives for extraordinary events as may be determined by the Compensation Committee. No discretionary awards were made pursuant to that authority.

The Bonus Pool for fiscal 2011 included 8.0% of the increase in Same Store Sales (as defined in the Plan), 5.0% of the increase in Gross Margin (as defined in the Plan), and 15.0% of the increase in Pre-Bonus Net Income (as defined in the Plan). The base year amounts under the Plan are the immediately preceding fiscal year for Same Store Sales and the prior three-year rolling average for Gross Margin and Pre-Bonus Net Income. For fiscal 2011, the Company achieved growth in each of the following three criteria: Same Store Sales, Gross Margin, and Pre-Bonus Net Income. The Bonus Pool, computed in accordance with the 2011 Management Incentive Plan, was \$10,717,734, which was allocated among the executive officers as disclosed in the Summary Compensation Table on page 14.

Management of the Company has identified both Same Store Sales and Gross Margin as key indicators of Company performance, and the Compensation Committee has determined that growth in both Same Store Sales and Gross Margin, as well as growth in Pre-Bonus Net Income (as defined) will likely translate to an increase in the share price of the Company's stock, thereby aligning management's focus with that of the Company's stockholders.

Non-Vested Stock

Non-Vested Stock is currently the only long-term compensation component of the Company's executive compensation program. Beginning in 2005, for a variety of market and competitive reasons, the Compensation Committee started limiting the use of stock options as long-term incentive compensation and instead began making grants of Non-Vested Stock. The Compensation Committee believes that the use of Non-Vested Stock brings a greater degree of predictability and stability to the long-term incentive component of the management compensation program and more closely aligns the interests of management with those of stockholders.

The Compensation Committee determines the number of shares of Non-Vested Stock to be granted to the President. The Compensation Committee also determines the number of shares of Non-Vested Stock to be granted to the other executive officers after consultation with the President. The objective is to align compensation with long-term stockholder return and create a compensation program that motivates management to focus both on immediate results and economic rewards and on creating sustainable, long-term enterprise value for the Company's stockholders.

Each grant of Non-Vested Stock vests only upon achievement of performance goals and then in increments over a four-year period commencing on the date the Compensation Committee certifies that the performance goals were achieved. The Compensation Committee believes that a four-year vesting period motivates management to adopt a longer term perspective on Company performance while simultaneously developing a strong retention incentive for executive officers.

The Committee believes the performance goals further align management's compensation with long-term stockholder returns. The Company is seeking stockholder approval of performance goals for performance-based grants under the 2005 Restricted Stock Plan. The Company intends that performance-based Non-Vested Stock grants for executive officers comply with the requirements for qualifying performance-based compensation under Section 162(m) of the Internal Revenue Code. For additional information, see Proposal 5, Proposal to Approve Performance-Based Awards Granted Pursuant to the Company's 2005 Restricted Stock Plan.

Shares of Non-Vested Stock were granted pursuant to the 2005 Restricted Stock Plan as of January 30, 2011 and vest according to the terms of the 2011 Management Incentive Plan. Those terms include a performance feature whereby one-half of the shares vest over four years if a 2.5% increase in Pre-Bonus Net Income is achieved and the other one-half vest over four years if a 6% increase in Pre-Bonus Net Income is achieved. Shares granted for fiscal 2011 are disclosed in the Grants of Plan-Based Awards table shown on page 15.

The Company achieved both performance goals set for fiscal 2011, thus 100% of the shares granted to executive officers and others on January 30, 2011 are subject to vesting, with 20% of the shares vesting on March 19, 2012 upon certification by the Compensation Committee that the goals had been met, and the remaining shares scheduled to vest 20% on February 2, 2013 and 30% on each February 1, 2014 and January 31, 2015.

The Compensation Committee has considered the application of the Internal Revenue Code which disallows a public company's deduction for top executive's compensation in the excess of \$1,000,000. The Committee intends that all of the compensation payable to its executive officers be deductible for income tax purposes.

Option Grants in Last Fiscal Year

There were no stock options granted in fiscal 2011 to any executive officer, employee, or director.

Employment Agreements

The Company has no employment agreements under which any employee, including the executive officers, is entitled to employment for any specific period of time. Each fiscal year the named executive officers sign an acknowledgment which contains the anticipated compensation arrangement for the employee for the current fiscal year, acknowledges that the employee is an employee at will, and that the terms of the employment arrangement can be changed by the Company or terminated by either the Company or the officer at any time. Each executive officer listed in the summary compensation table receives a salary plus a cash incentive, based on growth in key performance categories, and Non-Vested Stock, as provided for in the 2011 Management Incentive Plan. For fiscal 2011, the acknowledgments provided a base salary for each of these executive officers as follows: Dennis H. Nelson \$950,000, Karen B. Rhoads \$308,000, Patricia K. Whisler \$350,000, Brett P. Milkie \$347,500, and Kari G. Smith \$347,500. For fiscal 2010 and 2009, the bonus amounts were paid according to the 2010 Management Incentive Plan and the 2009 Management Incentive Plan, respectively. (See "Report of the Compensation Committee.")

Bonuses are payable before April 15 of the year following the year to which they relate and are contingent upon the employee being employed by the Company on the last day of the fiscal year for which the bonus was earned. For purposes of computing bonuses for all executive officers identified in the Summary Compensation Table, "Profits" mean Pre-Bonus, Pre-Tax Net Income, excluding income on cash and investments and after deducting bonus draws.

Related Party Transactions

The total amount owed to the Company by the Hirschfeld Family Trust is \$1,095,000 (\$600,000 principal plus \$495,000 of accrued interest). The loans are repayable with interest at the rate of 5 percent per annum and are represented by promissory notes dated July 27, 1994, July 14, 1995, and July 16, 1996, and are secured pursuant to, and in accordance with, the terms of a collateral assignment dated July 27, 1994, pursuant to which Jeffrey L. Orr, as Trustee, has assigned and conveyed to the Company, as security for the loan, all of the Trust's right, title, and interest in a certain life insurance policy owned by the Trust and insuring the life of Daniel J. Hirschfeld. The 1996 loan completed the planned periodic premium payments due on the insurance policy, requiring no additional loans.

Dennis H. Nelson, President, Chief Executive Officer, and Director, is related to the following employees of the Company: son-in-law, Thomas B. Heacock, Treasurer and Corporate Controller; daughter, Christina N. Heacock, Director of Recruiting and Sales Support; and daughter, Carissa N. Crocker, Men's Buyer. Karen B. Rhoads, Vice President of Finance, Chief Financial Officer, and Director, is related to the following employee of the Company: sister, Diane L. Applegate, Director of Merchandising Operations. For fiscal 2011, these four individuals received aggregate compensation from the Company in the amount of \$931,553.

Other Compensation

The Compensation Committee does not believe that perquisites and other compensation and benefits should play a major role in the overall executive compensation program. The Company's executive officers are offered the opportunity to defer a portion of their annual base salary and annual performance bonus through a 401(k) plan that is generally available Company-wide and through a more restricted (i.e., participation is limited to the Company's President and other executive officers) non-qualified deferred compensation program, both of which include Company matching contributions. The Compensation Committee views these deferral programs more as an individual retirement planning option for the employees and not as a long-term compensation program. The amount of Company matching contributions for each named executive officer is reported in a footnote to the Summary Compensation Table.

The Company provided limited personal use of the Company's airplane to the President and Chief Executive Officer. The amount of this benefit is reported as a footnote to the Summary Compensation Table.

Potential Payments Upon Change in Control

The "Restricted Stock Agreement" pursuant to which Non-Vested Stock is issued pursuant to the Company's 2005 Restricted Stock Plan contains provisions providing for the immediate vesting of all non-vested shares, for which performance goals have been achieved and certified, upon the occurrence of a Change in Control or in the event employment with the Company is terminated by Company for other than Good Cause or if the employee terminates his or her employment for Good Reason.

Generally a Change in Control is deemed to occur upon:

Any acquisition (other than by an employee benefit plan sponsored or maintained by the Company, or by Daniel Hirschfeld, or any member of his family) of 25% or more of the then outstanding voting securities of the Company, or 25% or more of the total value of all equity securities, if, at the time of such acquisition, Daniel Hirschfeld, members of his family, and his affiliates own less than 50% of the outstanding voting securities of the Company or less than 50% of the total value of all equity securities of the Company.

If individuals who, as of the effective date of each Plan, constitute the Board of Directors of the Company, and subsequently elected members of the Board whose election is approved or recommended by at least a majority of the current members or their successors, cease for any reason to constitute at least a majority of the Board of Directors.

Approval by the stockholders of the Company of a merger, reorganization, or consolidation with respect to which the individuals and entities who were the respective beneficial owners of the Common Stock of the Company immediately before the merger, reorganization, or consolidation, do not, after such merger, reorganization, or consolidation, beneficially own, directly or indirectly, more than 60% of respectively, the then outstanding Common Shares and the combined voting power other than outstanding voting securities entitled to vote generally in the election of directors of the Corporation resulting from such merger, reorganization, or consolidation, or approval by the stockholders of a liquidation or dissolution of the Company, or the sale or other disposition of all or substantially all of the assets of the Company.

Generally, pursuant to the restricted stock agreements, "Good Cause" includes:

dishonesty, intentional breach of fiduciary obligation, or intentional wrongdoing or malfeasance;
conviction of a criminal violation involving fraud or dishonesty; or
material breach of the terms of any agreement between the employee and the Company.

Generally, pursuant to these agreements, “Good Reason” is deemed to exist when there is a:

significant reduction in the scope of the employee’s authority;
reduction in the participant’s rate of base pay;
the Company changes the principal location in which employee is required to perform services; or
the Company terminates or amends any incentive plan or retirement plan that, when considered in the aggregate with any substitute plan or plans, the incentive plans and retirement plans fail to provide employee with the level of benefits equivalent to at least 90% of the value of the level of benefits provided in the aggregate by the plans existing at the date of the Change in Control.

If a Change in Control were to take place as of January 28, 2012, or if the executives were to be terminated without Good Cause or resigned for Good Reason at such date, the estimated benefits that would be provided are as follows:

Name	Maximum Value of Accelerated Vesting of Stock Options	Maximum Value of Accelerated Vesting of Non-Vested Shares	Total
Dennis H. Nelson	0	\$ 6,242,400	\$ 6,242,400
Karen B. Rhoads	0	\$ 1,040,400	\$ 1,040,400

Brett P. Milkie	0	\$ 1,040,400	\$ 1,040,400

One or more representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 2, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Proposal 3

PROPOSAL TO APPROVE THE COMPANY'S 2012 MANAGEMENT INCENTIVE PLAN

The Board of Directors believes that the continued success of the Company depends on its ability to attract, retain, and motivate key employees. Accordingly, the Compensation Committee of the Board of Directors has reviewed the Company's executive incentive compensation program and recommends that the Company's stockholders approve the 2012 Management Incentive Plan (the "2012 Incentive Plan"). In order for payment of certain incentive awards to be deductible under the current Internal Revenue Code (the "Code"), such awards must be paid under a plan like the 2012 Incentive Plan, which has been approved by the stockholders. The 2012 Incentive Plan is set forth in Exhibit "A" to this proxy statement.

The following discussion is qualified in its entirety by reference to the text of the 2012 Incentive Plan.

Background

The 2012 Incentive Plan is modeled after the 2011 Management Incentive Plan approved by the stockholders of the Company at the Annual Meeting held in 2011 (the “2011 Incentive Plan”). The 2011 Incentive Plan was designed to motivate the Company’s key employees to improve stockholder value by linking a portion of their compensation to the Company’s financial performance. The 2011 Incentive Plan was a one-year plan. The 2012 Incentive Plan is also a one-year plan.

The goals of the Compensation Committee with regard to cash compensation have been and continue to be:

- to establish base salaries at a competitive level;
- to establish a cash bonus program that rewards exceptional performance;
- to eliminate cash bonuses based upon participation in the first dollar of profits; and
- to eliminate an automatic and mathematical bonus in the event that the Company’s performance does not at least equal performance for the immediately preceding fiscal year.

Description of the Incentive Plan

The 2012 Incentive Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee must be comprised solely of Directors who are “Directors” as defined in Section 162(m) of the Code. The 2012 Incentive Plan encompasses two types of incentives:

- an annual Cash Award; and
- an annual grant of Non-Vested Stock pursuant to the 2005 Restricted Stock Plan.

The Committee’s powers include authority, within the limitations set forth in the 2012 Incentive Plan, to:

- select the persons to be granted Cash Awards and Shares of Non-Vested Stock;
- determine the time when Cash Awards and Non-Vested Stock will be granted;
- determine whether objectives and conditions for earning Cash Awards and Non-Vested Stock have been met;
- determine whether payment of Cash Awards and Non-Vested Stock will be made at the end of an award period or deferred; and
- approve discretionary year-end cash incentives for extraordinary events.

Any employee of the Company whose performance the Compensation Committee determines can have a significant effect on the success of the Company - designated a Key Employee by the Plan - will be granted annual incentive Cash Awards under the 2012 Incentive Plan. Because the number of Key Employees may change over time and because the selection of participants is discretionary, it is impossible to determine the number of persons who will be eligible for awards under the 2012 Incentive Plan during its term. However, it is anticipated that eight persons will receive Cash Awards for fiscal 2012 under the 2012 Incentive Plan.

The 2012 Incentive Plan includes the creation of a Bonus Pool as a cash incentive for executives. This Bonus Pool will be calculated based upon dollars of growth in key performance categories compared to the Base Year Amounts, multiplied by the applicable percentage amounts as outlined in the plan, multiplied by a factor determined by the growth in Pre-Bonus Net Income (the “Pre-Bonus Net Income Factor”), and multiplied by a factor determined by the growth in Gross Margin (the “Margin Factor”) (see Exhibit A). The applicable percentage amounts for the 2012 Incentive Plan include 8.0% of the increase in Same Store Sales, 5.0% of the increase in Gross Margin, and 15.0% of

the increase in Pre-Bonus Net Income. The Base Year Amounts are determined using the immediately preceding fiscal year for Same Store Sales and the prior three-year rolling average for Gross Margin and Pre-Bonus Net Income, with each year receiving equal weighting. The Same Store Sales and Pre-Bonus Net Income Factors are .90 of the increase in each Same Store Sales and Pre-Bonus Net Income based on increases in Pre-bonus Net Income from 0% to 9.99%; .85 of the growth in Same Store Sales and Pre-Bonus Net Income based on increases in Pre-bonus Net Income of at least 10.0% and up to 14.99%; .70 of growth in Same Store Sales and Pre-Bonus Net Income based on increases in Pre-bonus Net Income of at least 15.0% and up to 19.99%; .64 of the growth in Same Store Sales and Pre-Bonus Net Income based on increases in Pre-bonus Net Income of at least 20.0% and up to 39.99%; and .55 for growth in Same Store Sales and Pre-Bonus Net Income of 40% or greater. The Margin Factor is .90 for growth in Gross Margin up to 9.99%; .85 for growth in Gross Margin of at least 10.0% and up to 14.99%; .70 for growth in Gross Margin of at least 15.0% and up to 19.99%; .64 for growth in Gross Margin of at least 20.0% and up to 39.99%; and .55 for growth in Gross Margin of 40% or greater. Bonus Pool Awards pursuant to the 2012 Incentive Plan will be in addition to base salaries.

Base salaries for fiscal 2012 for the executive officers included in the Summary Compensation Table are as follows:

Name	Base Salary
Dennis H. Nelson	\$ 960,000
Karen B. Rhoads	\$ 320,000
Patricia K. Whisler	\$ 362,000
Brett P. Milkie	\$ 360,000
Kari G. Smith	\$ 362,000

Cash Awards

Each participant in the 2012 Incentive Plan shall receive a Cash Award equal to 100% of the participant's share of the Bonus Pool. The President's share of the Bonus Pool is 40 points or approximately 48% of the allocated points, and the share of each other participant in the Bonus Pool shall be determined by the President prior to the first day of each plan year (or immediately upon adoption of the Plan).

No Cash Award payment for the year may be made to an executive until the Company's Same Store Sales, Gross Margin, and Pre-Bonus Net Income for the year are certified by the Compensation Committee. A Participant shall not be entitled to receive payment of an Award unless such participant is still in the employ of the Company on the last day of the fiscal year for which the Cash Award is earned.

Non-Vested Stock

Non-Vested Stock was granted, subject to stockholder approval, to participants pursuant to the 2005 Restricted Stock Plan as of January 29, 2012. Shares awarded under the Plan will vest according to a performance feature whereby one-half of the shares granted will vest over four years if a 2.5% increase in fiscal 2012 Pre-Bonus Net Income is achieved, and the second half of the shares granted will vest over four years if a 6% increase in fiscal 2012 Pre-Bonus Net Income is achieved. Upon the Compensation Committee's certification of the achievement of the performance results, 20% of the Non-Vested Stock Shares would vest immediately, with 20% vesting on February 1, 2014, 30% on January 31, 2015, and 30% in January 30, 2016. The participant must remain in the employ of the Company on the vesting date in order to become vested in the shares.

Amendments

The Committee may amend the 2012 Incentive Plan from time to time, provided that no amendment to the 2012 Incentive Plan shall be effective unless approved by the Company's stockholders, to the extent that such stockholder approval is required under Section 162(m) of the Code with respect to awards which are intended to qualify under that Section.

New Plan Benefits

No Cash Awards have been granted under the 2012 Incentive Plan, and it is not determinable what Cash Awards will be received by any employee under the 2012 Incentive Plan. However, the following table provides information concerning the Cash Award and shares of Non-Vested Stock that would have been received by each of the following persons and groups for the last completed fiscal year had the 2012 Incentive Plan been in effect:

Name and Position	Cash Award	Non-Vested Stock
Dennis H. Nelson, President and CEO	4,876,165	90,000
Karen B. Rhoads, Vice President of Finance and CFO	975,233	15,000

Patricia K. Whisler, Vice President of Women's Merchandising	975,233	15,000
Brett P. Milkie, Vice President of Leasing	975,233	15,000
Kari G. Smith Vice President of Sales	975,233	15,000

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 3, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE COMPANY'S 2012 MANAGEMENT INCENTIVE PLAN.

Proposal 4

PROPOSAL TO AMEND THE 2005 RESTRICTED STOCK PLAN

The Board of Directors of the Company has adopted, subject to stockholder approval, the following amendments to the 2005 Restricted Stock Plan (the "Restricted Stock Plan"):

An increase in the number of shares of Common Stock authorized for issuance under the plan from 1,700,000 shares to 2,200,000 shares of Common Stock and an extension of the term of the plan for three additional years, covering fiscal years 2012, 2013, and 2014.

Description of the 2005 Restricted Stock Plan

The 2005 Restricted Stock Plan is administered by the Compensation Committee of the Board of Directors, which Committee is composed of Directors who are not eligible to participate in the 2005 Restricted Stock Plan and who qualify as "non-employee Directors" as contemplated by Rule 16(b)(3) adopted by the Securities and Exchange Commission and as "outside Directors" under Section 162(m) of the Internal Revenue Code. The Compensation Committee has authority under the 2005 Restricted Stock Plan to grant awards of Non-Vested Stock. Non-employee Directors are not eligible to receive awards under the 2005 Restricted Stock Plan.

A total of 1,700,000 shares of Common Stock are reserved for issuance under the 2005 Restricted Stock Plan. There is no limit on the number of Shares of Non-Vested Stock that may be issued to any Participant. Shares subject to the 2005 Restricted Stock Plan are authorized but unissued shares. Shares re-acquired by the Company are returned to the status of authorized but unissued shares pursuant to the Business Corporation Act of Nebraska.

The provisions governing the disposition of specific awards granted under the 2005 Restricted Stock Plan in the event of the retirement, disability, death, or other termination of employment of the Participant, as well as the restrictions and vesting requirements with respect to shares will be determined by the Compensation Committee at the time such awards are granted. The 2005 Restricted Stock Plan provides that the Compensation Committee can take certain actions to protect Participants' rights in the event of a change in control of the Company. Non-Vested Stock shares are not transferable other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code.

The 2005 Restricted Stock Plan grants the Compensation Committee the ability to qualify grants of Non-Vested Stock as Qualified Performance Based Compensation. "Qualified Performance Based Compensation" means compensation that is intended to qualify as "Qualified Performance Based Compensation" as described in Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended (the "Code"). In making grants of Non-Vested Stock as Qualified Performance Based Compensation the Compensation Committee is granted the authority under the Plan to determine and select the Performance Criteria and the applicable Performance Period and to establish Performance Goals. The Plan provides that Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings (either before or after interest, taxes, depreciation and amortization), net losses, sales or revenue,

operating earnings, operating cash flow, return on net assets, return on stockholders' equity, return on assets, return on capital, stockholder returns, gross or net profit margin, earnings per share, price per share of stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group. Performance Periods may be one or more periods of time, which may be of varying and overlapping durations, as the Committee may select, over which the attainment of one or more Performance Goals will be measured for the purpose of determining a Participant's right to, and payment of, a Performance Based Award.

The Compensation Committee may amend or terminate the 2005 Restricted Stock Plan. However, no such amendment or termination may impair any shares previously awarded under the Plan. Stockholder approval is required for any amendment (i) which must be approved by stockholders under applicable law or the rules of any stock exchange on which shares of the Common Stock are traded, or (ii) which must be approved by stockholders in order to maintain the qualifications of the 2005 Restricted Stock Plan under Section 162(m) of the Internal Revenue Code. The 2005 Restricted Stock Plan was effective February 10, 2005 and will remain in effect until terminated by the Compensation Committee.

Stock awarded pursuant to the 2005 Restricted Stock Plan will be taxed at the earlier of vesting or removal of restriction of sale or transfer. Generally, no income will be realized by the employee at the time the shares are granted, except by individual voluntary election filed with the Internal Revenue Service. When the shares vest, ordinary income in an amount equal to the fair market value of the shares will be realized. The holding period to determine whether at disposition any appreciation (or depreciation) is treated as short-term or long-term capital gain or loss will begin on the date of vesting. The Company generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the employee in the year that such income becomes taxable.

Reasons for Amendments

At the Annual Meeting of Shareholders held on June 4, 2010, shareholders approved an amendment to the 2005 Restricted Stock Plan increasing the available shares to 1,700,000 and extending the term of the plan for two years, through fiscal 2011. The total number of non-vested shares issued under the plan through January 28, 2012 was 1,411,600, net of forfeitures. As of January 29, 2012, 237,400 shares of non-vested stock were granted, leaving only 51,000 shares available for future grants. Therefore, in order to fulfill grants for future fiscal years, it will be necessary to increase the number of shares available for issuance. The Board of Directors recommends that an additional 500,000 shares of Common Stock be added to the Plan and that the term of the plan be extended for three additional years, covering fiscal years 2012, 2013, and 2014.

Stockholder Action

The Board of Directors believes that the above-described amendment to the 2005 Restricted Stock Plan is appropriate and consistent with the Company's objectives of attracting and retaining executives of outstanding competence and aligning their interests with those of the stockholders of the Company. Accordingly, the Board believes that approval of the amendment is in the best interest of the Company and its stockholders.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 4, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE AMENDMENT TO THE 2005 RESTRICTED STOCK PLAN.

Proposal 5

**PROPOSAL TO APPROVE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S
2005 RESTRICTED STOCK PLAN**

On January 23, 2012, the Compensation Committee approved grants of Non-Vested Stock to certain executive officers of the Company for the fiscal year beginning January 29, 2012, pursuant to the 2005 Restricted Stock Plan and subject to shareholder approval of an extension to the term of the plan as outlined in Proposal 4, as follows:

Name	Number of Non-Vested Shares
Dennis H. Nelson	90,000
Karen B. Rhoads	15,000
Patricia K. Whisler	15,000
Brett P. Milkie	15,000
Kari G. Smith	15,000

The shares of Non-Vested Stock were granted subject to a performance feature that requires that the Company's fiscal 2012 Pre-Bonus Net Income increase at least 2.5% above the fiscal 2011 Pre-Bonus Net Income for one-half of the shares of Non-Vested Stock to be vested; and increase 6.0% above the fiscal 2011 Pre-Bonus Net Income for the second half of the shares of Non-Vested Stock to be vested. The grant of Non-Vested Stock provides that if the performance target is met, the Non-Vested Stock will vest 20% upon the Compensation Committee's certification of the performance results, 20% on February 1, 2014, 30% on January 31, 2015, and 30% on January 30, 2016. The participant must remain in the employ of the Company on the vesting date in order to become vested in the shares.

You are being asked to approve the terms of the performance goals. This approval is required under the Internal Revenue Code and Internal Revenue Service Regulations (the "Code") in order to preserve the Company's federal income tax deduction with respect to the grant of these Non-Vested Shares.

Purpose of Proposal

As discussed in the Report of the Compensation Committee in this proxy statement, the Company generally seeks to preserve its ability to claim tax deductions for compensation paid to executives to the greatest extent practicable. Section 162(m) of the Code sets limits on the Company's federal income tax deduction for compensation paid in any taxable year to an individual who, on the last day of the taxable year, was (i) the Chief Executive Officer or (ii) among the four other highest-compensated executive officers whose compensation is reported in the Summary Compensation Table of the proxy statement. "Qualified performance-based compensation", which can include compensation from stock options, cash awards, and certain grants of Non-Vested Stock, is not subject to this deduction limit, and therefore is fully deductible, if certain conditions are met. One of the conditions is stockholder approval of the material terms of the performance goals under which the compensation is paid.

Non-Vested Stock granted by the Compensation Committee on January 29, 2012 was subject to the condition that the stockholders approve the performance goals.

Material terms of the performance goals

Under the terms of the grant of Non-Vested Stock, performance goals apply to fiscal 2012, requiring Pre-Bonus Net Income for the fiscal year to increase at least 2.5% and 6.0% over the Pre-Bonus Net Income for the prior fiscal year before each one-half of the Non-Vested Stock vests. Non-Vested Stock was granted to each executive officer.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 5, THE BOARD OF DIRECTORS RECOMMENDS STOCKHOLDERS VOTE FOR APPROVAL OF THE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S 2005 RESTRICTED STOCK PLAN.
