Item 2.02 Results of Operations and Financial Condition.

On October 27, 2014, First BanCorp. (the “Corporation”), the bank holding company for FirstBank Puerto Rico (“FirstBank” or “the Bank”), issued a press release announcing its unaudited results of operations for the third quarter ended September 30, 2014. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

A copy of the presentation that the Corporation will use at its conference call to discuss its financial results for the third quarter ended September 30, 2014 is attached hereto as Exhibit 99.2 and is incorporated herein by reference. As announced in a press release dated October 15, 2014, the call may be accessed via a live Internet webcast at 10:00 a.m. Eastern time on Tuesday, October 28, 2014 through the investor relations section of the Corporation’s website: www.firstbankpr.com or through the dial-in telephone number (877) 506-6537 or (412) 380-2001 for international callers. The conference number is 10054531.

The Corporation has included in this release the following financial measures that are not recognized under generally accepted accounting principles, which are referred to as non-GAAP financial measures: (i) the calculation of net interest income, interest rate spread and net interest margin rate on a tax-equivalent basis and excluding changes in the fair value of derivative instruments; (ii) the calculation of the tangible common equity ratio and the tangible book value per common share; (iii) the Tier 1 common equity to risk-weighted assets ratio; (iv) the adjusted pre-tax, pre-provision income, (v) non-interest income adjusted to exclude equity in loss of unconsolidated entity, gain or loss on sales of investment securities and other-than-temporary impairment on investment securities, (vi) non-interest expenses adjusted to expenses related to branch consolidations in Puerto Rico, and Florida and professional service fees specifically related to the acquisitions of mortgage loans from Doral Financial Corporation (“Doral”), and (vii) additional measures of provision for loan and lease losses, provision for loan and lease losses to net charge-offs, net charge-offs, and net charge-offs to average loans, to exclude the impact of fair value adjustments related to the mortgage loans acquired from Doral in full satisfaction of secured borrowings owed by such entity to FirstBank. Investors should be aware that non-GAAP financial measures have inherent limitations and should be read only in conjunction with the Corporation’s consolidated financial data prepared in accordance with GAAP.

Management believes that these non-GAAP measures enhance the ability of analysts and investors to analyze trends in the Corporation’s business and to better understand the performance of the Corporation. In addition, the Corporation may utilize these non-GAAP financial measures as a guide in its budgeting and long-term planning process. Any analysis of these non-GAAP financial measures should be used only in conjunction with results presented in accordance with GAAP.

The release includes a reconciliation of these non-GAAP financial measures to the GAAP financial measures, except for the reconciliation with respect to the calculation of the non-GAAP financial measures “provision for loan and lease losses to net charge-offs ratio” and “net charge-offs to average loans” excluding the impact of fair value adjustments related to mortgage loans acquired from Doral in full satisfaction of secured borrowings owed by such entity to FirstBank which is included below:
