PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held On March 28, 2006

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Schick Technologies, Inc. (the Company) for use at the 2005 Annual Meeting of Stockholders (the Annual Meeting) to be held on March 28, 2006, at 1:00 p.m., New York time, at the Company's offices, located on the fifth floor of 30-00 47th Avenue, Long Island City, New York, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about February 23, 2006.

Only stockholders of record of the common stock, par value \$0.01 per share, of the Company (the Common Stock) at the close of business on February 10, 2006 will be entitled to vote at the Annual Meeting. As of that date, a total of 16,382,696 shares of Common Stock were outstanding, each share being entitled to one vote. There is no cumulative voting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares of the Company's Common Stock represented by proxies in the accompanying form, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in the manner directed by a stockholder. If no direction is given, the proxy will be voted FOR the election of the nominee for director named in this Proxy Statement, and FOR ratification of the selection of Grant Thornton LLP as the Company's independent certified public accountants. A stockholder may revoke a proxy at any time prior to its exercise by giving to an officer of the Company a written notice of revocation of the proxy's authority, by submitting a duly elected proxy bearing a later date, by attending the Annual Meeting and voting in person or by delivering a written revocation at the Annual Meeting.

If a stockholder returns a proxy withholding authority to vote the proxy with respect to the nominee for director, then the shares of the Common Stock covered by such proxy shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such nominee, but shall not be deemed to have been voted for such nominee. If a stockholder abstains from voting as to any matter, then the shares held by such stockholder shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. If a broker returns a non-vote proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Annual Meeting for purposes of determining a quorum but shall not be deemed to be present and entitled to vote at the Annual Meeting for purposes of calculating the vote with respect to such matter. The nominee for director for a three-year term will be elected, provided that he receives the affirmative vote of a plurality of the shares present at the Annual Meeting, whether in person or by proxy. The affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting is required to ratify the selection of the Company's certified public accountants.

As of the date of this Proxy Statement, the Board of Directors of the Company knows of no business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will vote the proxies in accordance with their best judgment.

Stockholder Communications with the Board of Directors

Historically, we have not adopted a formal process for stockholder communications with our Board. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by our Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. We believe our responsiveness to stockholder communications to our Board has been excellent, and to date, we have not considered it necessary to adopt a formal process. Nevertheless, during the upcoming year the Board will continue to monitor whether it would be appropriate to adopt a formal process for stockholder communications with the Board.

Report of the Audit Committee of the Board of Directors¹

Our Audit Committee is currently composed of three directors, Messrs. Hood (who serves as Chairman), Rocca and Kowaloff, all of whom are independent directors as such term is defined in Rule 4200(a)(15) of the NASDAQ listing standards. In addition, our Board has determined that each of Messrs. Hood and Rocca is an audit committee financial expert, as defined by the SEC. The Audit Committee operates under a written charter that was adopted by our Board on June 30, 2002 and amended on April 9, 2003 and on June 2, 2004. (A copy of the current Audit Committee Charter, as amended, is available on our website at www.schicktech.com.) The Audit Committee met five times during fiscal 2005.

Pursuant to the Audit Committee charter, the primary functions of the Audit Committee include: to serve as an independent and objective party to oversee our accounting and financial reporting processes and internal control system; to pre-approve all auditing and non-auditing services to be provided by our independent certified public accountants; to review and oversee the audit efforts of our independent certified public accountants; and to provide an open avenue of communication among the independent certified public accountants, financial and senior management and our Board.

The Audit Committee has responsibility and authority, among other matters, to review with our management any financial information filed with the SEC or disseminated to the public; to establish and maintain procedures for receiving and treating complaints regarding accounting, internal accounting controls and auditing matters, and for the confidential anonymous submission by employees of concerns regarding these matters; to appoint, determine funding for and oversee our independent certified public accountants; to review, in consultation with the independent certified public accountants and our accounting personnel, the integrity of our financial reporting processes; and to review in advance any proposed transaction between us and any related party.

In executing its responsibilities, the Audit Committee has reviewed and discussed our audited financial statements with our management. The Audit Committee has also discussed with our independent certified public accountants the matters required to be discussed by SAS 61, as amended. In addition, the Audit Committee has received written disclosures and a letter from our independent certified public accountants delineating all relationships between them and us, consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee), and has discussed with them matters pertaining to their independence. The Audit Committee also considered whether the additional services unrelated to audit services performed by Grant Thornton LLP were compatible with maintaining their independence in performing their audit services.

¹ The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of ours under the Securities Act or the Exchange Act, each as amended, whether made before or after the date hereof and irrespective of any general incorporation language contained in such filing.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for 2005 for filing with the SEC. The Audit Committee and Board of Directors have also recommended the selection of Grant Thornton LLP as our independent accountants for the fiscal year ending March 31, 2006.

PROPOSAL 2 RATIFICATION OF THE SELECTION OF INDEPENDENT ACCOUNTANTS

The Audit Committee of our Board has selected Grant Thornton LLP as independent accountants for the fiscal year ending March 31, 2006 and has further directed that management submit the selection of independent accountants for ratification by the stockholders at the Annual Meeting. A proposal to ratify the appointment of Grant Thornton LLP will be presented at the Annual Meeting. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they desire to do so and will be available to answer questions from stockholders.

Neither our By-laws nor other governing documents or law require stockholder ratification of the selection of Grant Thornton LLP as our independent accountants. However, the Board is submitting the selection of Grant Thornton LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent accountants at any time during the year if they determine that such a change would be in the best interests of us and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Grant Thornton LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Auditors Fees

Audit Fees. Total audit fees billed by Grant Thornton LLP, including fees for professional services and expenses relating to the audit of our consolidated financial statements for the fiscal years ended March 31, 2005 and 2004, as well as fees related to the review of our consolidated financial statements included in our Form 10-Qs for fiscal 2005, accounting consultations and review of documents filed with the SEC, totaled \$419,474 and \$249,258, respectively. The audit fees billed for the fiscal year ended March 31, 2005 included \$150,000 for the attestation required by Section 404 of the Sarbanes-Oxley Act.

Audit-Related Fees. Total audit-related fees billed by Grant Thornton LLP for the fiscal years ended March 31, 2005 and 2004, primarily for assurance and related services, totaled \$8,778 and \$9,210, respectively.

Tax Fees. Tax fees billed by Grant Thornton LLP for the years ended March 31, 2005 and 2004 totaled \$3,732 and \$29,380, respectively, for services related to tax compliance, tax advice and tax planning.

All Other Fees. There were no fees billed by Grant Thornton LLP for the years ended March 31, 2005 and 2004 that qualified under all other fees.

All fees described above were approved in advance by our Audit Committee.

During the fiscal year ended March 31, 2005, none of the total hours expended on our financial audit by Grant Thornton LLP were provided by persons other than full-time permanent employees of Grant Thornton LLP.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent auditor, Grant Thornton LLP. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of our Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of our Audit Committee members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of the services, other than the audit services, by Grant Thornton LLP, is compatible with maintaining the principal accountant's independence.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other of our equity securities. Specific due dates for these reports have been established, and we are required to disclose any failure to file by these dates during fiscal 2005. Our officers, directors and greater than 10% stockholders are required by the SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and representations that no other reports were required, during the fiscal year ended March 31, 2005, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with.

Compensation of Directors

Directors who are also our paid employees are not separately compensated for any services they provide as directors. In fiscal 2005, each of our directors who was not a paid employee received an annual retainer of \$10,000 as well as \$1,000 for each Board meeting attended in person and \$1,000 for each Audit Committee meeting attended in person. In addition to the foregoing payments, each chairman of the Audit and Executive Compensation Committees received an annual retainer of \$5,000, each member of the Audit Committee received an annual retainer of \$5,000, and the Chairman of the Board of Directors received an annual retainer of \$30,000. We were permitted to, but did not, pay such fees in common stock. Moreover, directors who are not our paid employees are eligible to receive annual grants of stock options under our 1997 Stock Option Plan for Non-Employee Directors.

Employment, Change of Control and Severance Agreements

Current Agreements. In June 2004, we entered into a three-year employment agreement with Jeffrey T. Slovin. Pursuant to the agreement, Mr. Slovin is employed as our Chief Executive Officer and President. Mr. Slovin's annual base salary is \$325,000, \$337,000 and \$350,000, respectively, during each successive year of the initial three-year term of the agreement. In addition to base salary, Mr. Slovin is eligible to receive a yearly bonus payment based on our year-over-year earnings-per-share growth, as defined in the agreement. Pursuant to the agreement, Mr. Slovin was also awarded 400,000 employee stock options which vest in equal monthly increments over a period of 48 months. Additionally, under the agreement, all stock options held by Mr. Slovin will immediately vest in the event that we have a change in control or are acquired by another company or entity, or, under certain circumstances, if Mr. Slovin is terminated from employment without cause. In addition, if Mr. Slovin is terminated without cause, the agreement provides that he shall receive severance payments equal to 12 months' salary and, if applicable, a pro-rated bonus.

In addition, Mr. Slovin was provisionally granted 1,130,000 options on September 25, 2005; these options are subject to stockholder approval of an amendment to the 1996 Stock Option Plan, and the vesting of such options will not commence until the closing of the previously-disclosed transactions under the Exchange Agreement (the "Closing"). If the amendment to the 1996 Stock Option Plan is not approved by our stockholders, Mr. Slovin will be entitled to receive the economic equivalent of such options. Moreover, the vesting of all unvested options held by Mr. Slovin will accelerate and such options will be fully vested at the Closing according to their terms. Mr. Slovin may receive a one-time bonus of \$1,014,463 that will be paid at or about the same time as the payment of the previously-disclosed \$2.50 per share dividend to our stockholders (the "Dividend").

Mr. Slovin's option agreement also requires that shares acquired upon the exercise of the 1,130,000 options provisionally granted on September 25, 2005 or upon the exercise of the 400,000 options granted under his current employment agreement may not be sold by Mr. Slovin unless the Board approves the sale (with such approval not to be unreasonably withheld). This restriction on Mr. Slovin's ability to sell these shares shall remain in effect until the earlier of September 25, 2013 or the termination of his employment and directorship.

Following the Closing, Mr. Slovin will enter into a new employment agreement, pursuant to which he will serve as Executive Vice President of the combined company and Chief Operating Officer of U.S. Operations. This employment agreement will become effective at the Closing and will supersede in their entirety at such time the

existing employment agreement and other compensatory arrangements with Mr. Slovin. Pursuant to the new employment agreement, Mr. Slovin will receive no increase in salary, and his term of employment will not be extended beyond the term set forth in his existing employment agreement. He will be eligible for a bonus plan to be developed for all senior executives after the Closing.

In June, 2004, we entered into a two-year employment agreement with Michael Stone. Pursuant to the agreement, Mr. Stone is employed as our Executive Vice President of Sales and Marketing. Mr. Stone's annual base salary is \$250,000 and \$260,000, respectively, during each successive year of the two-year term of the agreement. In addition to base salary, Mr. Stone is eligible to receive a yearly bonus payment based on our year-over-year earnings-per-share growth, as defined in the agreement. Pursuant to the agreement, Mr. Stone was also awarded 150,000 employee stock options which vest in equal monthly increments over a period of 48 months. Additionally, under the agreement, all Company stock options held by Mr. Stone will immediately vest in the event that we have a change in control or are acquired by another company or entity, or, under certain circumstances, if Mr. Stone is terminated from employment without cause. In addition, if Mr. Stone is terminated without cause, the agreement provides that he shall receive severance payments equal to 12 months' salary and, if applicable, a pro-rated bonus.

In addition, Mr. Stone was provisionally granted 75,000 options on September 25, 2005; these options are subject to stockholder approval of an amendment to the 1996 Stock Option Plan, and the vesting of such options will not commence until the Closing. Moreover, the vesting of all unvested options held by Mr. Stone will accelerate and such options will be fully vested at the Closing according to their terms. He may receive a one-time bonus of \$497,590 that will be paid at or about the same time as the Dividend. Following the Closing, it is anticipated that Mr. Stone will enter into a new employment agreement pursuant to which he would agree that 199,036 shares of Schick common stock that he may acquire upon the exercise of outstanding stock options, including the 75,000 options provisionally granted as described above, may not be sold by him unless our Board approves the sale (with such approval not to be unreasonably withheld). This restriction on his ability to sell those shares would remain in effect until the earlier of September 25, 2013 or the termination of his employment.

In May 2004, we entered into a Consulting and Non-Competition Agreement with David Schick, effective upon Mr. Schick's resignation in June 2004 as our Chief Executive Officer and Chairman of the Board. The agreement provided for the termination of Mr. Schick's previous employment agreement with us, and for Mr. Schick to act as our consultant for a period of three years. On December 5, 2005, the Company made a lump sum payment to Mr. Schick, in the amount of \$538,333. This one-time payment represented the balance of the fees that were payable to him pursuant to the agreement. Mr. Schick was concurrently notified that he was relieved of all further consulting obligations under the agreement, and that only the non-compete provision survives.

Report of the Executive Compensation Committee of the Board of Directors²

Compensation Philosophy: We do business in a competitive and dynamic industry. Our continued success in such an environment depends, in part, on our ability to attract and retain talented senior executives. We must provide executives with long- and short-term incentives to maximize corporate performance, and reward successful efforts to do so. As a result, the Executive Compensation Committee's compensation policies are designed to:

- (i) Provide a competitive level of compensation to attract and retain talented management;
- (ii) Reward senior executives for corporate performance;
- (iii) Align the interests of senior executives with our stockholders in order to maximize stockholder value;
- (iv) Motivate executive officers to achieve our business objectives; and
- (v) Reward individual performance.

² The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of ours under the Securities Act or the Exchange Act, each as amended, whether made before or after the date hereof and irrespective of any general incorporation language contained in such filing.

To achieve these compensation objectives, the Executive Compensation Committee has developed compensation packages for senior executive officers generally consisting of base salary, awards of stock options and, in certain cases, bonus arrangements.

Base Salary. We seek to pay competitive salaries to executive officers commensurate with their qualifications, duties and responsibilities. In conducting salary reviews, the Executive Compensation Committee considers each individual executive officer's achievements during the prior fiscal year in meeting our financial and business objectives, as well as the executive officer's performance of individual responsibilities and our financial position and overall performance.

Option Grants. The Executive Compensation Committee believes that equity ownership by executive officers provides incentive to build stockholder value and aligns the interests of our officers with its stockholders. The Executive Compensation Committee typically recommends or awards an option grant upon hiring executive officers or within one year of their date of hire, subject to a maximum four-year vesting schedule. After the initial stock option grant, the Executive Compensation Committee periodically considers additional grants, under our 1996 Stock Option Plan. Options are granted at the then-current market price for our Common Stock and, consequently, have value only if the price of the Common Stock increases over the exercise price during the period in which the option is exercisable. The size of the initial grant is usually determined with reference to the seniority of the officer, his or her level of cash compensation, the contribution the officer is expected to make to us and comparable equity compensation offered by others in the industry. In determining the size of the periodic grants, the Executive Compensation Committee considers prior option grants to the officer, independent of whether the options have been exercised, the executive's performance during the year and his or her expected contributions in the succeeding year. The Executive Compensation Committee also believes that periodic option grants provide incentives for executive officers to remain with us.

Bonuses. The Executive Compensation Committee believes that performance bonuses can serve an important function by adding a short-term performance-based incentive to an executive's compensation package.

Modification of Compensation Policies. The Omnibus Budget Reconciliation Act of 1993 includes potential limitations on tax deductions for compensation in excess of \$1,000,000 paid to our executive officers. The Compensation Committee has analyzed the impact of this provision of the tax law on our compensation policies, has determined that historically the effect of this provision on the taxes paid by us has not and would not have been significant and has decided for the present not to modify our compensation policies based on such provision. In the event that a material amount of compensation might potentially not be deductible, it will consider what actions, if any, should be taken to seek to make such compensation deductible without compromising its ability to motivate and reward excellent performance.

CERTAIN TRANSACTIONS

In June 2004, the Company entered into a three-year employment agreement with Jeffrey T. Slovin and a two-year employment agreement with Michael Stone. In May 2004, the Company entered into a Consulting and Non-Competition Agreement with David Schick, effective upon Mr. Schick's resignation in June 2004 as the Company's Chief Executive Officer and Chairman of the Board. On December 5, 2005, the Company made a lump sum payment to Mr. Schick, in the amount of \$538,333, representing the balance of the fees that were payable to him pursuant to the agreement. The terms of Mr. Schick's Consulting and Non-Competition Agreement and Mr. Slovin's and Mr. Stone's employment agreements are discussed above. See Employment, Change of Control and Severance Agreements.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Schick's stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker or direct your written request to Legal Department, Schick Technologies, Inc., 30-00 47th Avenue, Long Island City, New York, New York 11101 or contact Michael Friedlander, Esq. at (718) 937-5765. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

SOLICITATION OF PROXIES

The Company is paying the costs for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. Proxies are being solicited primarily by mail, but in addition, the solicitation by mail may be followed by solicitation in person, or by telephone or facsimile, by regular employees of the Company without additional compensation. The Company will reimburse brokers, banks and other custodians and nominees for their reasonable out-of-pocket expenses incurred in sending proxy materials to the Company's stockholders.

PROPOSALS FOR THE 2006 ANNUAL MEETING

Pursuant to federal securities laws, any proposal by a stockholder to be presented at the 2006 Annual Meeting of Stockholders and to be included in the Company's proxy statement must be received at the Company's executive office at 30-00 47th Avenue, Long Island City, New York 11101, no later than the close of business on April 22, 2006. Proposals should be sent to the attention of the Secretary. Pursuant to the Company's By-laws, in order for business to be properly brought before an annual meeting of stockholders by a Stockholder, the stockholder must give written notice of such stockholder's intent to bring a matter before the annual meeting not less than ninety days prior to the date of such meeting; provided, however, that if less than ninety days' notice or prior public disclosure of the date of such meeting is given to stockholders or made, the stockholder must give such written notice no later than the close of business on the tenth (10th) day following the day on which notice or public disclosure of the date of such meeting is given or made. Each such notice should be sent to the attention of the Company's Secretary, and must set forth certain information with respect to the stockholder who intends to bring such matter before the meeting and the business desired to be conducted, as set forth in greater detail in the Company's By-laws.
