Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On the conference call, the Company announced that its Chief Medical Officer, Dr. Eleanor Ramos, has retired from her position, effective October 24, 2016.

Item 8.01. Other Events.

On October 24, 2016, Global Blood Therapeutics, Inc. (the “Company”) issued a press release titled, “Global Blood Therapeutics Announces Pivotal Study for GBT440 in Sickle Cell Disease With Primary Hemoglobin Endpoint” (the “Press Release”). A copy of the Press Release is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

After issuing the Press Release, on October 24, 2016 the Company hosted a conference call to provide a program update, at which time additional updates were provided, including those described in this Form 8-K. On the conference call, the Company estimated that the external costs for the HOPE study are expected to be approximately \$40 million over a multi-year period. Accordingly, the Company disclosed that based upon its current operating plan, the Company expects its current cash and cash equivalents to extend into the fiscal second quarter of 2018. The Company expects to provide operating expense guidance for its fiscal year 2017 at the time of its annual filing on Form 10K.

In addition, on the conference call, the Company announced that it has decided to discontinue its research and development activities related to GBT18713, an oral kallikrein inhibitor for the prevention of hereditary angioedema attacks.
