ITEM 1.01 Entry into a Material Definitive Agreement

On March 25, 2008, Reef Ventures, L.P. (“Reef Ventures”), a subsidiary of Tidelands Oil & Gas Corporation (the “Company”), entered into and consummated a Purchase and Sale Agreement (the “Purchase and Sale Agreement”) with West Texas Gas, Inc. (“WTG”) for the sale of all of the issued and outstanding membership interests of Reef International, L.L.C. (“Reef International”) and Reef Marketing, L.L.C. (“Reef Marketing”, and collectively with Reef Ventures and Reef International, the “Reef Entities”), both of which were wholly-owned subsidiaries of Reef Ventures, and all the assets of the Reef Entities, which consist of assets related to the “River Crossing Project”, the “Carrizo Springs Pipeline System”, the “Peña Creek Gathering System” and the “Chittim Gas Plant” and are generally described as follows (the membership interests and the assets are collectively referred to as the “Assets”):

- The River Crossing Project consists (a) 8.3 miles of 12” natural gas pipeline, 4.25 miles of 6” steel pipeline, and related meter stations and facilities located in Maverick County, Texas; (b) interests in real property, including easements, rights-of-way, surface leases; and (c) permits.
- The Carrizo Springs Pipeline System consists of (a) approximately 16.6 miles of 8” pipeline, 17.0 miles of 6” pipeline, 10.1 miles of 4” pipeline, and 7.6 miles of 3” pipeline, and related facilities, located in Dimmit and Zavala Counties, Texas; (b) interests in real property, including easements, rights-of-way surface leases; and (c) permits.

- The Chittim Gas Plant is located in Maverick County, Texas, and consists of: (a) a natural gas processing plant; (b) interests in real property, including a surface lease; and (c) permits.

The total purchase price for the Assets, after adjustments required by the Purchase and Sale Agreement, was \$2,484,265 (the “Purchase Price”).

“The Company caused Reef Ventures to deliver \$2,436,825 of the Purchase Price to Impact International, L.L.C. (“Impact”) on behalf of the Company, as partial repayment of the outstanding principal and interest of a promissory note made by the Company to Impact dated May 25, 2004, in the original principal amount of \$6,523,773.30 (the “Note”). The Company repaid the remainder of the outstanding principal and interest on the Note by issuing 39,890,180 shares (the “New Shares”) of the Company’s common stock to Impact upon the closing of the transactions contemplated by the Purchase and Sale Agreement. The remaining \$47,440 of the Purchase Price received by Reef Ventures was used to pay legal fees associated with the transaction and for working capital purposes.

Concurrent with the issuance of the New Shares to Impact, the Company entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with Impact with respect to the New Shares, the 8,812,980 shares of the Company’s common stock owned by Impact prior to the issuance of the Shares (the “Prior Shares”, and collectively with the New Shares, the “Shares”), and any other securities issued or issuable at any time or from time to time in respect of the Shares upon a stock split, stock dividend, recapitalization or other similar event involving the Company. The Registration Rights Agreement gives Impact the right to “piggyback” on a public offering of the Company’s securities (i) except any registration statement registering the Company’s common stock on Form S-4 or S-8 and (ii) excluding any Shares that are not eligible to be resold pursuant to the registration statement filed by the Company.

The additional disclosure set forth below under Item 1.02 is hereby incorporated by reference herein.

ITEM 1.02 Termination of a Material Definitive Agreement

Concurrent with the execution and delivery of the Purchase and Sale Agreement, Impact and Ramiilaj executed and delivered to Reef Ventures a Release of Lien (the "Release of Lien") pursuant to which Impact and Ramiilaj released and discharged all liens on the assets and properties of Reef Ventures created under the Deed of Trust to secure the repayment of the Note, and the Company and WTG entered into a Non-Competition Agreement (the "Non-Competition Agreement") pursuant to which the Company agreed not to engage in any activity in competition with the business of WTG in a fifty mile radius of Piedras Negras, Coahuila, Mexico for a period of five years commencing on March 25, 2008.
