Item      Non-Reliance on Previously Issued Financial Statements or Related Audit Report or Completed Interim  
4.02      Review

On June 9, 2011, in connection with the reply to certain comments raised by the staff of the Securities and Exchange Commission (the “SEC Staff”) in its February 25 and May 9, 2011 comment letters to India Globalization Capital, Inc. (the “Company”) about the Company’s SEC filings, the Company’s management, in consultation with the Company’s independent registered public accounting firm, concluded that the financial statements for the year ended March 31, 2010 (the “2010 Annual Financial Statements”) included in the Company’s Annual Report on Form 10-K for the year then ended, as amended (the “2010 Annual Report”) and in the quarterly Form 10-Q for the period ended December 31, 2009 should no longer be relied upon and hence should be restated because of an error in the Company’s Statement of Cash Flows and the calculation of diluted earnings per share.

The changes described above are non-cash items and do not impact the Company’s operations.

The 2010 Annual Financial Statements will be restated to reflect: (i) a reclassification in the Company’s Statement of Cash Flows contained therein to appropriately classify certain transactions relating to the deconsolidation of Sricon Infrastructure Private Limited (‘Sricon’); and (ii) a correction in the calculation of the fully diluted earnings per share.

The Company determined that its 2010 Annual Financial Statements and quarterly financial statements for the quarter ended December 31, 2009 require restatement to properly reflect these changes and the refinement of certain disclosures and notes that may be affected. The Company is working on these amendments and expects to file them as soon as possible.
