It is important that your shares be represented at the Meeting. We ask that you promptly sign, date and return the enclosed proxy card in the envelope provided, even if you plan to attend the Meeting. If your shares are held in street name by a brokerage firm, your broker will supply you with a proxy to be returned to the brokerage firm. It is important that you return the form to the brokerage firm as quickly as possible so that the brokerage firm may vote your shares. You may not vote your shares held in street name by a brokerage firm in person at the Meeting unless you obtain a power of attorney or legal proxy from your broker authorizing you to vote the shares, and you present this power of attorney or proxy at the Meeting.

Your Board of Directors and management look forward to greeting you personally at the Meeting.

Sincerely,

/s/Gregory D. Frost

PROXY STATEMENT

This proxy statement contains information related to the annual meeting of stockholders of Able Energy, Inc. to be held on Thursday, June 29, 2006, beginning at 11:00 a.m. at the offices of Able Energy Inc., 1140 Avenue of the Americas, 18th Floor, New York, New York 10036 and at any postponements or adjournments thereof. This proxy statement is being mailed to stockholders on or about June 5, 2006.

The Board of Directors of the Company solicits this proxy and urges you to sign the proxy, fill in the date and return the same immediately. Proxies are

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

being solicited by mail and officers and regular employees of the Company may also solicit proxies by telephone or personal interview. They will not receive any additional compensation for these activities. The expense of solicitation will be borne by the Company. The Company will also reimburse brokers for the expenses of forwarding proxy solicitation material to beneficial owners of shares held of record by such brokers. Your prompt cooperation is necessary in order to insure a quorum and to avoid expense and delay.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At our annual meeting, stockholders will act upon the election of Directors, the ratification of the appointment of the Company's registered public accountants and any other business that may properly come before the Meeting. In addition, management will report on the performance of the Company and respond to questions from stockholders.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Only stockholders of record as of the close of business on May 24, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the Meeting.

WHAT ARE THE VOTING RIGHTS OF THE HOLDERS OF ABLE COMMON STOCK?

Each outstanding share of Able common stock will be entitled to one vote on each matter considered at the Meeting.

WHO CAN ATTEND THE MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend the Meeting. If your shares are held in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

WHAT CONSTITUTES A QUORUM?

The presence at the Meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, May 24, 2006, the Company had 3,128,923 shares of common stock outstanding, which also represents the number of votes. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the Meeting for quorum purposes.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it to the Company, your shares will be voted as you direct. If you are a stockholder of record and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by filing with the Corporate Secretary of the Company either a notice of revocation or a duly executed proxy

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and request that your proxy be revoked. Your attendance at the meeting will not by, itself, revoke a previously granted proxy.

2

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

- o for the election of the nominated slate of Directors (see proposal no. 1).
- o for the ratification of the appointment of Marcum & Kliegman, LLP as the Company's independent registered public accountants for fiscal 2006 (see proposal no. 2).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

ELECTION OF DIRECTORS. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of Directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for purposes of determining whether there is a quorum.

RATIFICATION OF THE APPOINTMENT OF MARCUM & KLIEGMAN, LLP AND OTHER ITEMS. For the ratification of the appointment of Marcum & Kliegman, LLP as the Company's independent registered public accountants for fiscal 2006 and each other item, the affirmative vote of the holders of a majority of the outstanding shares of Able common stock entitled to vote on the item will be required for approval. A properly executed proxy card marked "Abstain" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

If you are a beneficial stockholder and your broker holds your shares in its name, the broker is permitted to vote your shares on the election of Directors and the ratification of Marcum & Kliegman, LLP as our registered public accountants even if the broker does not receive voting instructions from you.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

GENERAL

Article III, paragraph number 3.2 of the Company's Bylaws provides that the number of directors of the Company shall be a minimum of one and a maximum of eight. The members of the Board of Directors are each elected for a one-year term or until their successors are elected and qualify with a plurality of votes cast in favor of their election. The Board of Directors consisted of eight persons during Fiscal 2005. Each of the eight directors is nominated to again serve on the Board for Fiscal 2006. Two of the director-nominees, Gregory D. Frost and Christopher P. Westad presently serve as the Company's Chief Executive Officer and President, respectively.

The directors will serve until the next annual meeting of stockholders and thereafter until their successors shall have been elected and qualified.

Unless authority is withheld, the proxies in the accompanying form will be voted in favor of the election of the nominees named above as directors. If any nominee should subsequently become unavailable for election, the persons voting the accompanying proxy may in their discretion vote for a substitute.

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

BOARD OF DIRECTORS

The Board of Directors has the responsibility for establishing broad corporate policies and for the overall performance of the Company. Although only two members of the Board are involved in day-to-day operating details, the other members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports made at Board meetings. The Board of Directors held 15 meetings in Fiscal 2005. All directors who are up for re-election attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which such directors served during Fiscal 2005. Although it has no formal policy requiring attendance, the Company encourages all of its directors to attend the annual meeting of stockholders. All of the Company's directors attended last year's annual meeting and it is anticipated that all of the director-nominees will attend this year's Annual Meeting. Each director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties.

Management believes that director-nominees Messrs. Barbera, Chalk, Miller, O'Neil and Richards and Ms. Charas are independent directors in accordance with the definition of that term in accordance with the published listing requirements of NASDAQ. The NASDAQ independence definition includes a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company. In addition, as further required by the NASDAQ rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and the Company's management.

There is no understanding or arrangement between any director or any other persons pursuant to which such individual was or is to be selected as a director or nominee of the Company.

CHAIRMAN OF THE BOARD

In October 2005, the Board elected Gregory D. Frost to serve as the executive Chairman of the Board. The Chairman of the Board organizes the work of the Board and ensures that the Board has access to sufficient information to enable the Board to carry out its functions, including monitoring the Company's performance and the performance of management. In carrying out this role, the Chairman, among other things, presides over all meetings of the Board of Directors and stockholders, establishes the annual agenda of the Board, advises with respect to the work of each Committee and reviews changes in Board membership and the membership and chair of each Committee, coordinates periodic review of management's strategic plan for the Company and coordinates the annual performance review of the Chief Executive Officer and other key senior managers.

COMPENSATION

Directors who are employed as executive officers receive no additional compensation for service on the Board. All Directors are reimbursed for travel and other expenses relating to attendance at Board and Committee meetings. Each non-employee director receives an annual retainer of \$15,000 (payable monthly), a \$5,000 annual retainer for each committee on which a Director serves as chair, and the annual grant of a ten-year option to purchase 3,000 shares of Common Stock and an additional grant of a ten-year option to purchase 3,000 shares of Common Stock to each director who serves as a committee chair, which vests on the date of grant.

In Fiscal 2005, director-nominees Solange Charas, Edward C. Miller, Jr. and Alan E. Richards were the members of the Audit Committee. Mr. Richards was the Chairman of the Committee and the Board of Directors determined that Mr. Richards is an "audit committee financial expert" as defined by applicable Securities and Exchange Commission ("SEC") regulations. Each of the members of the Audit Committee met the independence and experience requirements of the applicable laws, regulations and stock market rules, including the Sarbanes-Oxley Act, regulations and rules promulgated by the SEC and the listing requirements under the NASDAQ Marketplace Rules.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The charter of the Audit Committee of the Board specifies that the purpose of the Committee is to assist the Board in its oversight of: The integrity of the Company's financial statements;

- o the adequacy of the Company's system of internal controls;
- o the Company's compliance with legal and regulatory requirements;
- o the qualifications and independence of the Company's independent registered public accountants;

In carrying out these responsibilities, the Audit Committee, among other things:

The Audit Committee met 2 times during Fiscal 2005. The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit Committee's meetings include, whenever appropriate, executive sessions with the Company's independent registered public accountants without the presence of the Company's management.

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

The Audit Committee serves in an oversight capacity and is not intended to be part of the Company's operational or managerial decision-making process. The Company's management is responsible for preparing the consolidated financial statements, and its independent auditors are responsible for auditing those statements. The Audit Committee's principal purpose is to monitor these processes. In this context, the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors. Management represented that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles applied on a consistent basis, and the Audit Committee has reviewed and discussed the quarterly and annual earnings press releases and consolidated financial statements with management and the independent auditors. The Audit Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended.

The Audit Committee discussed with the independent auditors the auditors' independence from the Company and its management, including the matters, if any, in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and received from the independent auditors. The Audit Committee also considered whether the independent auditors' provision of audit and non-audit services to the Company is compatible with maintaining the auditors' independence. The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, disclosure controls and procedures and the overall quality and integrity of the Company's financial reporting. Based on the reviews and discussions referred to above, the Audit Committee has recommended to the Board, and the Board approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2005, for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following Report of the Compensation Committee and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.

The members of the Compensation Committee are Solange Charas, Patrick O'Neill, and Mark Barbera with Ms. Charas acting as Chairperson. None of the members of the Committee are employees of the Company and each satisfies the current independence standards requirements of the NASDAQ Marketplace.

The Compensation Committee has the authority to fix the Company's compensation

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

arrangements of the Chief Executive Officer and the Company's other officers. The Chief Executive Officer may not be present during the voting or deliberations with respect to his compensation. It also has the exclusive authority to grant options and make awards under the Company's equity compensation plans. Consistent with changes in the Delaware General Corporation Law in 2001, the Compensation Committee, from time to time, delegates to the Company's Chief Executive, Chief Operating Officer and the Chief Financial Officer the authority to grant a specified number of options to non-executive officers. The Compensation Committee also reviews the Company's compensation policies relating to all executive officers.

The Compensation Committee's goal is to develop executive compensation policies that offer competitive compensation opportunities for all executives which are based on personal performances, individual initiative and achievement, as well as assisting the Company in attracting and retaining qualified executives. The Compensation Committee also endorses the position that stock ownership by management, and stock-based compensation arrangements are beneficial in aligning managements and stockholders' interests in the enhancement of stockholder value.

Compensation paid to the Company's executive officers generally consists of the following elements: base salary, annual bonus and long-term compensation in the form of stock options and matching contributions under the 401(k) Savings Plan. Compensation levels for executive officers of the Company was determined by a consideration of each officer's initiative and contribution to overall corporate performance and the officer's managerial abilities and performance in any special projects that the officer may have undertaken. Competitive base salaries that reflect the individual's level of responsibility are important elements of the Compensation Committee's executive compensation philosophy. Subjective considerations of individual performance are considered in establishing annual bonuses and other incentive compensation. In addition, the Compensation Committee considers the Company's financial position and cash flow in making compensation decisions.

The Company has certain broad-based employee benefit plans in which all employees, including the named executives, are permitted to participate on the same terms and conditions relating to eligibility and subject to the same limitations on amounts that may be contributed. In 2005, the Company also made matching contributions to the 401(k) Savings Plan for those participants.

COMPENSATION COMMITTEE INTERLOCKING AND INSIDER PARTICIPATION

No interlocking relationship existed or exists between any member of the Company's Compensation Committee and any member of the compensation committee of any other company, nor has any such interlocking relationship existed in the past. No member or nominee of the Compensation Committee is an officer or an employee of the Company.

GOVERNANCE AND NOMINATING COMMITTEE

The Governance and Nominating Committee was formed in Fiscal 2005. In Fiscal 2005, the members of the Committee were director-nominees Mark Barbera, Patrick O'Neil and Alan E. Richards with Mr. Barbera acting as Chairman. The Company believes that each member of the Committee was independent as that term is

Edgar Filing: ABLE ENERGY INC - Form DEF 14A

defined under the NASDAQ Marketplace Rules. The Governance and Nominating Committee met 1 time in Fiscal 2005. The Governance and Nominating Committee, among other duties, determines the slate of director candidates to be presented for election at the Company's annual meeting of shareholders.

The Company does not presently have a nominating committee charter. The Governance and Nominating Committee's process for recruiting and selecting nominees is for the committee members to attempt to identify individuals who are thought to have the business background and experience, industry specific knowledge and general reputation and expertise that would allow them to contribute as effective directors to the Company's governance, and who are willing to serve as directors of a public company. To date, the Company has not engaged any third party to assist in identifying or evaluating potential nominees. After a possible candidate is identified, the individual meets with various members of the Committee and is sounded out concerning their possible interest and willingness to serve, and Governance and Nominating Committee members discuss amongst themselves the individual's potential to be an effective Board member. If the discussions and evaluation are positive, the individual is invited to serve on the Board.

To date, no stockholder has presented any candidate for Board membership to the Company for consideration, and the Company does not have a specific policy on stockholder-recommended director candidates. However, the Governance and Nominating Committee believes its process for evaluation of nominees proposed by stockholders would be no different from the process of evaluating any other candidate. In evaluating candidates, the Committee will require that candidates possess, at a minimum, a desire to serve on the Company's Board, an ability to contribute to the effectiveness of the Board, an understanding of the function of the Board of a public company and relevant industry knowledge and experience. In addition, while not required of any one candidate, the Committee would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of public companies.

The Committee determined the slate of candidates for the Board of Directors presented for election at this year's Meeting.

The other function of the Governance and Nominating Committee is to oversee the Company's compliance with the corporate governance requirements of the SEC and the NASDAQ Marketplace Rules.
