No. 1	RNS Announcement, re: Bondholder EGM Notice dated 13 February 2003

13 February 2003

BONDHOLDER EGM NOTICE

Edgar Filing: BRITISH ENERGY PLC - Form 6-K

British Energy PLC ("British Energy" or the "Company") will publish on 14 February 2003 a notice in the Financial Times convening extraordinary general meetings of its 2003, 2006 and 2016 sterling bondholders to be held on 10 March 2003 to consider and if thought fit approve the terms of a formal standstill pending the implementation of the proposed restructuring. The notice is being published tomorrow so that if any of the meetings are not quorate on 10 March 2003 adjourned meetings with reduced quorum requirements can be convened and held before 25 March 2003, being the date on which the 2003 bonds are due to be redeemed. The terms of the notice are set out in the Appendix to this announcement.

The restructuring principles accepted by HMG and announced on 28 November 2002 require British Energy to reach formal standstill agreements and agreement in principle on the terms of the proposed restructuring with certain significant creditors on or before 14 February 2003. At the time of finalising the notice and at the time of this announcement discussions continue towards reaching formal standstill agreements and agreement in principle on the substantive terms of the proposed restructuring.

The disposal of the Company's interests in the Bruce Group to a consortium of Cameco Corporation, TransCanada PipeLines Limited and BPC Generation Infrastructure Trust was approved by British Energy shareholders on 10 February 2003 and certain important conditions to the disposal have been satisfied but the disposal remains subject to a number of outstanding conditions.

The Company is continuing to work hard to complete the disposal of its interests in the Bruce Group and to reach formal standstill agreements and agreement in principle on the proposed restructuring with significant creditors in accordance with the timescale set out on 28 November 2002. However, as previously indicated if the disposal is not completed, or if agreement is not reached with significant creditors, the Company may have to seek insolvency proceedings, in which case the distributions to unsecured creditors may represent only a small fraction of their unsecured liabilities and it is highly unlikely there would be any return to shareholders. Even if the disposal is completed and agreement reached with the significant creditors, the proposed restructuring would remain subject to a large number of significant uncertainties and the return (if any) to shareholders would represent a very significant dilution of their existing interests.

British Energy has convened the Meetings for the purpose of enabling the holders of each series of Bonds to resolve, if they so wish, to authorise and direct the trustee of those Bonds, The Law Debenture Trust Corporation p.l.c. In accordance with usual practice, the Trustee expresses no opinion on the merits of the extraordinary resolutions set out below. The Trustee has not verified any of the statements made in this notice or in the circular referred to above, but on the basis of such statements, including the reasons given by British Energy for the convening of the Meetings, has authorised it to be stated that it has no objection to such resolutions being put to Bondholders for their consideration, and has given its approval to the form of this Notice.

VOTING ARRANGEMENTS

Each series of Bonds is represented by a Global Bond deposited with a common depositary for Euroclear Bank S.A./N.V. as operator of the Euroclear System ("Euroclear") and Clearstream Banking, societe anonyme, Luxembourg ("Clearstream, Luxembourg").

Persons who hold interests in a relevant Global Bond through their accounts with Euroclear and/or Clearstream, Luxembourg (each a "Clearing System") who wish to vote at the relevant Meeting but do not wish to attend are required to give their voting instructions to the relevant Clearing System not later than 11.00 a.m. on Thursday, 6 March 2003 (in the case of the 2003 Bonds), 11.20 a.m. on Thursday, 6 March 2003 (in the case of the 2006 Bonds) and 11.40 a.m. on Thursday, 6 March 2003 (in the case of the 2016 Bonds). The Clearing Systems will then instruct HSBC Bank plc as Principal Paying Agent to attend the relevant Meeting and cast its votes in accordance with the instructions received by it. Bondholders wishing to vote at, but not attend, the relevant Meeting should note that if they have not submitted their voting instructions to the relevant Clearing System by the time stipulated in this paragraph, their votes will not be counted for the purposes of the relevant Meeting.

Persons who hold interests in a relevant Global Bond through the Clearing Systems and who wish to attend the relevant Meeting should give instructions to the relevant Clearing System not later than 11.00 a.m. on Thursday, 6 March 2003 (in the case of the 2003 Bonds), 11.20 a.m. on Thursday, 6 March 2003 (in the case of the 2006 Bonds) and 11.40 a.m. on Thursday, 6 March 2003 (in the case of the 2016 Bonds). Edgar Filing: BRITISH ENERGY PLC - Form 6-K

be issued with a voting certificate and will not be entitled to vote at the relevant Meeting.

In both cases, such persons should contact the applicable Clearing System(s) through which they hold their interests in a Global Bond for further information as to the manner and deadline by which instructions could be given. It is the responsibility of each such person to ensure that the Clearing Systems have supplied HSBC Bank plc with the information necessary for HSBC Bank plc to cast votes or issue voting certificates, as the case may be. None of the Issuer, HSBC Bank plc or the Trustee accepts responsibility for delays or failure in communications from the Clearing Systems.

Each question submitted to the Meeting will be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, the Issuer, the Trustee or one or more persons representing two per cent. or more of the Bonds.

On a show of hands, every person who is present in person and who produces a voting certificate or is a proxy has one vote. On a poll, every person has one vote for each GBP1,000 principal amount of Bonds represented by the voting certificate so produced or for which he is a proxy.

In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.
