(the "Bonds") issued by British Energy plc and each guaranteed by British Energy Generation Limited and British Energy Generation (UK) Limited (being together, the "Guarantors")

British Energy announced on 1 October 2003 that it had agreed the terms of a proposed restructuring (the "Proposed Restructuring") of the British Energy group of companies (the "Group") with certain of its creditors and the Secretary of State for Trade and Industry (the "Secretary of State"). The Proposed Restructuring gives effect to the heads of terms signed on 14 February 2003. Completion of the Proposed Restructuring is subject, amongst other things, to receipt by the Secretary of State of a satisfactory notification from the European Commission that insofar as the proposals involve the grant of State aid by the UK Government, such aid is compatible with the common market. We understand that the Secretary of State expects to receive this notification by mid 2004.

The terms of the Proposed Restructuring are set out in a restructuring agreement entered into as of 30 September 2003 by certain Group companies, Enron Capital & Trade Europe Finance LLC, Teesside Power Limited, Total Gas & Power Limited, The Royal Bank of Scotland plc, British Nuclear Fuels plc and certain holders of the outstanding Bonds (the "Creditor Restructuring Agreement"). As of 31 October 2003, holders of 87.73% in the aggregate of outstanding Bonds (each together, the "Consenting Bondholders") were signatories to the Creditor Restructuring Agreement and irrevocably agreed to be bound by the terms of the Proposed Restructuring and to take all actions required of them to implement the restructuring steps.

Under the terms of the Creditor Restructuring Agreement, a Consenting Bondholder may sell to another Consenting Bondholder and may sell to a Bondholder not party to the Creditor Restructuring Agreement provided that it first obtains from that Bondholder a written undertaking in favour of the other parties to the Creditor Restructuring Agreement (in the form attached as Schedule 11 thereto) agreeing to be bound by the terms of the Creditor Restructuring Agreement as if such person were a Consenting Bondholder.

Edgar Filing: BRITISH ENERGY PLC - Form 6-K

Each series of Bonds is currently represented by a Global Bond deposited with a common depository for Euroclear Bank S.A./N.V. as operator of the Euroclear System ("Euroclear") and Clearstream Banking, societe anonyme, Luxembourg ("Clearstream, Luxembourg") (each together, the "Clearing Systems").

So that it may be possible to identify easily those Bonds in the Clearing Systems which are subject to the Creditor Restructuring Agreement (the "Assenting Bonds") during the period ending on the earlier of the date upon which the Creditor Restructuring Agreement is terminated in accordance with its terms (the "Termination Date") or the date upon which each of the conditions to the Proposed Restructuring have been satisfied or waived (the "Restructuring Date"), it has been proposed that each series of Assenting Bonds will be identified in the Clearing Systems with a New Common Code and New ISIN (each together, the "New Identification Codes") as follows:

Series	New ISIN	New Common Code
2016 Bonds	XS0180470808	018047080
2006 Bonds	XS0180469461	018046946
2003 Bonds	XS0180470121	018047012

British Energy has agreed to this proposal. The New Identification Codes will be available to be used in the Clearing Systems from such date as the Clearing Systems receive written confirmation from British Energy that the Creditor Restructuring Agreement has become effective among the parties to it. The New Identification Codes will not be applied to individual Assenting Bonds until such time as the Clearing Systems have received an Electronic Communication (as described below) in relation to those Assenting Bonds from a Consenting Bondholder and/or their Custodian which is satisfactory to the Clearing Systems.

Should a Consenting Bondholder or any other Bondholder wish to receive more details as to how to obtain New Identification Codes in respect of their Bonds or how to send the required Electronic Communication to the Clearing Systems, then that party should contact the legal and financial advisers to the Ad Hoc Committee of Bondholders, Cadwalader, Wickersham & Taft LLP ("Cadwalader") and Close Brothers Corporate Finance Limited ("Close Brothers") respectively. Cadwalader and Close Brothers represent the Ad Hoc Committee of Bondholders in the Proposed Restructuring and not any other party, including any other Bondholder or Consenting Bondholder.

The existing Common Codes and ISINs applicable to the Bonds will continue to apply in parallel with the New Identification Codes in relation to Bonds which are not Assenting Bonds.
