Exhibit 99

UNILEVER INDONESIA TO BUY DRINKS BRAND

Unilever Indonesia has entered into a conditional agreement to buy the Buavita brand of fruit-based Vitality drinks from Ultra.

Under the terms of the agreement, Unilever Indonesia will acquire the brand and related goodwill and Ultra will continue to produce juices for Unilever under a long term supply agreement. The completion of the transaction is subject to the approval of the creditors and shareholders of Ultra, capital market laws and regulations, and the fulfilment of other conditions pursuant to the relevant agreement, such as the delivery of trademark certificates and other commercial data of Ultra.

Harish Manwani, Unilever's President for Asia, Africa, said: "I am delighted that we can add the brand Buavita to our portfolio. It is an ideal fit with our Vitality mission of offering products that help people look good, feel good and get more out of life. The acquisition is fully in line with our priority of building on our strengths in developing and emerging markets."

The transaction, financial details of which have not been disclosed, is expected to be completed by early of January 2008.

Its portfolio includes some of the world's best known and most loved brands including twelve EUR1 billion brands and global leadership in many categories in which the company operates. The portfolio features brand icons such as Flora, Bertolli, Dove, Lux, Pond's, Lynx, Sunsilk, Persil, Cif and Domestos.

Unilever has around 179,000 employees in approaching 100 countries and generated annual sales of EUR40 billion in 2006. For more information about Unilever and its brands, visit www.unilever.com.

About Ultra: PT. Ultrajaya Milk Industry & Trading Company Tbk. is the largest producer of aseptic drinks using UHT in carton packs in Indonesia. Its products are liquid milk, fruit juices, tea, traditional and health drinks and tropical fruit juice concentrates mainly under famous brands such as Ultra and Buavita.

SAFE HARBOUR STATEMENT:

This announcement may contain forward-looking statements, including 'forward-looking statements' within the meaning of the United States Private Securities Litigation Reform Act of 1995. Words such as 'expects', 'anticipates', 'intends' or the negative of these terms and other similar expressions of future performance or results, including financial objectives to 2010, and their negatives are intended to identify such forward-looking statements. These forward-looking statements are based upon current expectations and assumptions regarding anticipated developments and other factors affecting the Group. They are not historical facts, nor are they guarantees of future performance. Because these forward-looking statements involve risks and uncertainties, there are important factors that could cause actual results to differ materially from those expressed or implied by these forward-looking statements, including, among others, competitive pricing and activities, consumption levels, costs, the ability to maintain and manage key customer relationships and supply chain sources, currency values, interest rates, the ability to integrate acquisitions and complete planned divestitures, physical risks, environmental risks, the ability to manage regulatory, tax and legal matters and resolve pending matters within current estimates, legislative, fiscal and regulatory developments, political, economic and social conditions in the geographic markets where the Group operates and new or changed priorities of the Boards. Further details of potential risks and uncertainties affecting the Group are described in the Group's filings with the London Stock Exchange, Euronext Amsterdam and the US Securities and Exchange Commission, including the Annual Report & Accounts on Form 20-F. These forward-looking statements speak only as of the date of this announcement. Except as required by any applicable law or regulation, the Group expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Group's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.
