**ITEM 5. OTHER EVENTS**

EPC Corporation ( EPC ), a wholly owned subsidiary of Environmental Power Corporation (the Registrant ), entered into a Note Purchase Agreement, dated September 4, 2003 (the Note Purchase Agreement ), with Crystal Creek Coalpower Funding, LLC, an affiliate of ArcLight Energy Partners Fund I, L.P. (the Lender ), pursuant to which it agreed to issue and sell to the Lender up to \$5,400,000 original principal amount of its 20.0% Senior Secured Notes due December 31, 2012, consisting of Note A in the original principal amount of \$3,700,000 ( Note A ) and Note B in the original principal amount of \$1,700,000 ( Note B, and together with Note A, the Notes ). The Lender purchased Note A on September 4, 2003, as a result of which EPC Corporation received gross proceeds of \$3.7 million. The Lender will purchase Note B for \$1.7 million upon the satisfaction of certain conditions set forth in the Note Purchase Agreement. The Notes bear interest at a rate of 20% per annum. The aggregate minimum principal and interest to be paid by EPC on Note A over the term of Note A is \$4.8 million. Note B will carry a aggregate minimum payment of \$1.7 million.

The repayment of the Notes is expected to be funded primarily through cash flows from EPC 's subsidiary, Buzzard Power Corporation ( Buzzard ), which holds an interest in the Scrubgrass, Pennsylvania waste coal fired generating facility. Assuming the Lender purchases Note B, once EPC has paid the Lender an aggregate minimum amount of principal and interest under the Notes of \$6.5 million, EPC will be entitled to retain the next \$1.4 million in cash flows from Buzzard. Thereafter, cash distributions from Buzzard will be split evenly between EPC and the Lender through December 31, 2012.

In connection with the transactions contemplated by the Note Purchase Agreement, the Registrant entered into a Pledge Agreement, dated September 4, 2003, with the Lender, pursuant to which the Registrant pledged to the Lender all of the outstanding capital stock of EPC held by the Lender. The Registrant also entered into a Management Agreement and a Tax Sharing Agreement, each dated September 4, 2003, with EPC, in connection with the transaction. Pursuant to the terms of the Management Agreement, EPC will pay the Registrant an annual management fee of \$75,000.

The foregoing description is qualified in its entirety by reference to the Note Purchase Agreement, the Notes and the related agreements filed as exhibits to this Current Report, which are incorporated by reference herein.
