(c) Exhibits

99.1 Text of press release of VeriSign, Inc. issued on October 23, 2003.

**Item 9: Regulation FD Disclosure (Information Provided Under Item 12 Results of Operations and Financial Condition).**

On October 23, 2003, VeriSign, Inc. ( VeriSign or the Company ) announced its financial results for the fiscal quarter ended September 30, 2003 and certain other information. A copy of this press release is attached hereto as Exhibit 99.1.

The information required by Form 8-K, Item 12 Results of Operations and Financial Condition, is being provided under Item 9 pursuant to SEC Release No. 33-8216. The information in this Form 8-K and the Exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, as amended (the Exchange Act ), nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Use of Non-GAAP Financial Information

To supplement our consolidated financial statements presented in accordance with generally accepted accounting principles in the United States ( GAAP ), VeriSign provides non-GAAP measures of operating results, net income and earnings per share that do not include the following financial measures that are normally included in GAAP: amortization and write-down of goodwill and other intangible assets, the gain and write-down of certain investments, restructuring and other charges and non-cash stock-based compensation charges related to acquisitions.

We believe that this non-GAAP, pro forma information enhances an investor s overall understanding of our financial performance and our prospects for the future by excluding expenses and other items that in management s view are not indicative of our core operating results. VeriSign s management reviews this information when assessing the performance of its ongoing operations and for planning and forecasting in future periods. In addition, since we have historically reported non-GAAP pro forma information to the investment community, we believe the inclusion of this information provides consistency in our financial reporting. The non-GAAP pro forma information included in our press release has been reconciled to the comparable GAAP measure as required under SEC rules regarding the use of non-GAAP financial measures. We urge investors to carefully review the GAAP financial information included as part of our Annual Report on Form 10-K, our Quarterly Reports on Form 10-Q, and our quarterly earnings releases.
