Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers and Limitation of Liability.

Section 145 of the Delaware General Corporation Law (the "DGCL") authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act.

As permitted by the DGCL, the Registrant's Certificate of Incorporation, as amended, provides that its directors shall not be liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL (regarding unlawful payments of dividends and unlawful stock purchases or redemptions) or (iv) for any transaction from which the director derived an improper personal benefit.

In addition, as permitted by Section 145 of the DGCL, the Bylaws of the Registrant, as amended, provide that:

(i) the Registrant is required to indemnify to the fullest extent authorized by law, subject to certain very limited exceptions, any person who was or is made a party to or is threatened to be made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that she or he is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (an indemnitee), against all expense, liability and loss (including attorneys fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection therewith;

(ii) the Registrant is required to advance expenses, as incurred, to its indemnitees in connection with defending a legal proceeding; provided, however, that, if the DGCL so requires, an advancement of expenses to a director or officer will be made only if an undertaking is delivered to the corporation to repay all amounts advanced if it is ultimately determined that indemnification is unavailable;

(iii) an indemnitee may bring suit against the Registrant to recover the unpaid amount of any claim within 60 days after a written claim has been received by the Registrant;

(iv) the rights conferred in the Bylaws, as amended, are not exclusive. The Registrant's obligation to indemnify an indemnitee must be reduced by any amounts such indemnitee receives (1) from insurance policies purchased by the Registrant, (2) from another corporation, partnership, joint venture, trust or other enterprise for whom the indemnitee was serving at the request of the Registrant, or (3) under any other applicable indemnification provision;

(v) the Registrant may indemnify and advance expenses to employees and agents of the Registrant to the same extent as it provides indemnification and advancement of expenses to its directors and officers, except as otherwise directed by law, its Certificate of Incorporation, the bylaws, agreement or vote.

The Registrant has entered into Indemnification Agreements with each of its current directors and executive officers to give such directors and executive officers additional contractual assurances regarding the scope of the indemnification set forth in Registrant's Certificate of Incorporation and to provide additional procedural protections. At present, there is no pending litigation or proceeding involving a director, officer or employee of the Registrant regarding which indemnification is sought, nor is the Registrant aware of any threatened litigation that may result in claims for indemnification.

The Registrant, with approval by the Registrant's Board of Directors, has obtained directors' and officers' liability insurance.

See also the undertakings set out in response to Item 9.
