This information is being furnished pursuant to Item 12. Results of Operations and Financial Condition, under this Item 9 in accordance with SEC Release No. 33-8216.

On August 11, 2004, FTI Consulting, Inc. (*FTI*) hosted an analyst and investor day. The transcript of the meeting is set forth in Exhibit 99.1 hereto.

The attached transcript contains some discussion regarding FTI's earnings before interest, taxes, depreciation and amortization (EBITDA) and EBITDA by business segment as well as other information, including operating information and metrics by business segment, and business and practice group descriptions and developments. Although EBITDA is not a measure of financial condition or performance determined in accordance with Generally Accepted Accounting Principles, FTI believes that the use of EBITDA as a supplemental financial measure is indicative of FTI's capacity to service debt and thereby provides additional useful information to investors regarding its financial condition and results of operations.
