Buenos Aires, August 23, 2004 **Telecom Argentina S.A. (BASE: TECO2, NYSE: TEO) (Telecom Argentina)** announced today that it has achieved 94.4% participation in its *Acuerdo Preventivo Extrajudicial*, (**APE**) solicitation process. Telecom Argentina continues to work with its creditors who have submitted documentation during the solicitation period in order to correct technical issues with respect to certain submissions. The participation percentage is calculated in accordance with the requirements of the APE.

Based on the participation as of August 20, 2004 and applying the principal face amount adjustment factor of 1.058 to the principal amount of the debt participating in the APE, approximately US\$727.5 million selected Option A, approximately US\$1,683.5 million selected Option B and approximately US\$69.1 million selected Option C. The U.S. dollar equivalent amounts are determined based on foreign exchange rates on the FX Reference Date of August 4, 2004, as announced by Telecom Argentina in its press release dated August 5, 2004.

In accordance with the terms of the debt restructuring, 37.5% of the debt selecting Option B, or approximately US\$631.3 million will be allocated from Option B to Option C on a pro rata basis. The purchase price for Option C will be 850 per 1,058 of principal amount of outstanding debt and related principal face amount adjustment.
