PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To Be Held May 19, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Hungarian Telephone and Cable Corp. (the Company) to be used at the Annual Meeting of Stockholders of the Company, to be held at 10:00 a.m. local time, on May 19, 2005 at the Rihga Royal Hotel, 151 West 54th Street, New York, New York 10019, or at any adjournment or postponement thereof (the Meeting). This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are first being sent or given to stockholders on or about April 18, 2005.

At the Meeting, the stockholders of the Company are being asked to consider and vote upon: (i) the election of six directors of the Company to serve until the 2006 Annual Meeting of Stockholders or until their successors are duly elected and qualified; and (ii) the ratification of the appointment of KPMG Hungaria Kft. as auditors of the Company for the fiscal year ending December 31, 2005.

Voting Rights and Proxy Information

All shares of common stock, par value \$.001 per share, of the Company (the Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting, and not revoked, will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted for election of all nominees for director named below, and for the ratification of the appointment of auditors. The Company does not know of any matters, other than as described in the Notice of Annual Meeting, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, the persons named in the enclosed form of proxy and acting thereunder will have the discretion to vote on such matters in accordance with their best judgment. Proxies should not be sent by the stockholder to the Company, but to Continental Stock Transfer & Trust Company, the Company's Registrar and Transfer Agent, at 17 Battery Place South, 8th Floor, New York, New York 10004. A pre-addressed, postage-paid envelope is provided for this purpose.

Edgar Filing: HUNGARIAN TELEPHONE & CABLE CORP - Form DEF 14A

A proxy delivered pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by (i) filing with the Secretary of the Company at or before the Meeting a written notice of revocation bearing a later date than the proxy, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Secretary of the Company at or before the Meeting, or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written notice revoking a proxy should be delivered to Peter T. Noone, Secretary, Hungarian Telephone and Cable Corp., 1201 Third Avenue, Suite 3400, Seattle, Washington 98101-3034.

Table of Contents**Vote Required for Approval**

The presence, in person or by proxy, of a majority of the shares of Common Stock entitled to vote is required to constitute a quorum for the transaction of business at the Meeting. The election of directors requires the affirmative vote of a plurality of the shares of Common Stock voting in person or by proxy at the Meeting. Thus, abstentions and proxies returned by brokers as non-votes on behalf of shares held in street name will have no effect on the outcome of the election of directors. For the vote with respect to the ratification of the appointment of auditors, abstentions will have the same effect as a vote against such matter and proxies returned by brokers as non-votes will not affect the outcome of such vote. Proxies submitted which contain abstentions or broker non-votes will be deemed present at the Meeting in determining the presence of a quorum.

Your Board of Directors has unanimously approved the nomination of the persons named herein for election as directors and the Board's audit committee has unanimously approved the appointment of KPMG Hungaria Kft. Accordingly, the Board recommends a vote FOR the election of the nominees named herein as directors and the ratification of the appointment of KPMG Hungaria Kft. as auditors for the fiscal year ended December 31, 2005.

Voting Securities

April 5, 2005 has been set as the record date (the Record Date) for determining stockholders entitled to notice of, and to vote at, the Meeting. As of the close of business on the Record Date, there were outstanding 12,724,938 shares of Common Stock. Each holder thereof is entitled to one vote per share.

Stock Ownership of Certain Beneficial Owners

The following table sets forth, as of April 15, 2005, certain information as to those persons who were known by management to be beneficial owners of more than 5% of the Common Stock.

<u>Name and Address of Beneficial Owner</u>	<u>Shares Beneficially Owned (1)</u>	<u>Percent of Class (1)</u>

- (1) Shares Beneficially Owned includes shares held directly as well as shares which such entity may have the right to acquire within 60 days of April 15, 2005. Percent of Class is calculated by dividing the Shares Beneficially Owned by such entity by the shares of Common Stock outstanding as of April 15, 2005 plus only those shares which such entity may have the right to acquire within 60 days of April 15, 2005.
- (2) Includes 300,000 shares of Common Stock which are issuable upon the conversion by TDC of its 30,000 shares of the Company's Series A Preferred Stock and 2,500,000 shares of Common Stock which are issuable upon the exercise of warrants held by TDC with an exercise

price of \$10.00 per share. See - Change in Control.

Change in Control

In September 2004 TDC A/S (TDC) and Ashmore Investment Management (Ashmore), two existing stockholders of the Company, purchased the entire equity interest in the Company held by Citizens Communications Company (Citizens) for \$13.2 million. TDC and Ashmore used their general investment funds for the purchase from Citizens. TDC purchased 1,383,544 shares of Common Stock

Table of Contents

and 18,000 shares of preferred stock convertible into 180,000 shares of Common Stock. Ashmore purchased 922,364 shares of Common Stock and 12,000 shares of preferred stock convertible into 120,000 shares of Common Stock. Following such transaction, TDC owned 41% of the Company's outstanding Common Stock while Ashmore owned 22% of the Company's outstanding Common Stock. TDC and Ashmore also entered into a stockholders agreement (the "Stockholders Agreement") governing their rights and obligations to each other as stockholders of the Company.

On March 30, 2005, TDC reached an agreement to purchase Ashmore's entire equity holdings in the Company for \$79.9 million. Ashmore owned 2,750,936 shares of Common Stock (purchase price \$53,643,252); warrants to purchase 2,500,000 shares of Common Stock at \$10 per share with an expiration date of March 31, 2007 (purchase price \$23,750,000); and 12,000 shares of the Company's preferred stock which are convertible into 120,000 shares of Common Stock (purchase price \$2,540,040). Following the closing of this transaction on April 12, 2005, TDC now owns 63% of the Company's outstanding Common Stock and 66% of the Company's outstanding Common Stock on a fully diluted basis.

TDC also purchased from Ashmore notes issued by the Company in the principal amount of \$25 million that Ashmore held. TDC purchased the notes at face value. TDC used its own investment funds for the transaction. Following the closing of the transaction, the Stockholders Agreement between TDC and Ashmore was terminated. Since TDC purchased the shares in the Company held by Ashmore after the April 5, 2005 record date, Ashmore has given TDC the authority to vote at the Meeting the shares held in Ashmore's name as of the record date.

I. ELECTION OF DIRECTORS

General

Pursuant to the Company's By-laws, directors are elected to serve for a one-year term or until their respective successors have been elected and qualified. Three of the six nominees are incumbent directors who were elected at the last annual meeting of stockholders. One nominee is an incumbent director who was elected by the Board in December 2004 to fill a vacancy. Two nominees were designated by TDC to replace Torben Holm as a TDC representative and provide one more representative from TDC. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Meeting for the election of the nominees identified below. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Except as described below, there are no arrangements or understandings between any director or nominee and any other person pursuant to which such director or nominee was selected.

Jesper Helmuth Larsen. Mr. Larsen has been the Chief Financial Officer of TDC Solutions since 2002. Prior to that Mr. Larsen was the chief financial officer from 2000 to 2002 of Polkomtel, a Polish cellular phone provider owned by TDC and others, including Vodafone. Prior to that, Mr. Larsen held various financial positions within TDC. TDC owns 63% of the Company's outstanding Common Stock. John B. Ryan. Mr. Ryan has been a financial consultant since 1988. From 1984 through 1987 he was a Senior Vice President and member of the Executive Committee of Josephthal & Co., Inc., a member of the New York Stock Exchange. From 1967 to 1984, he was a General Partner, Director of Compliance and a member of the Executive Committee of Herzfeld & Stern, a member of the New York Stock Exchange. He is a member of the Arbitration Panel of the New York Stock Exchange, the National Association of Securities Dealers and the American Arbitration Association.

William E. Starkey. Mr. Starkey is currently a consultant. He was with GTE Corporation from 1964 to 1993, when he retired as a Senior Executive. While at GTE, he held various posts involving operations, marketing and customer service, regulatory, human resources, information systems, management and planning. He was the Chairman of the Tampa Chamber of Commerce in 1990 and the Chairman of Enterprise Corporation from 1994 to 1996 (a private non-profit organization, with over 60 employees providing management, technical and financial assistance to small- and medium-sized companies). Mr. Starkey also served as the interim Director of the Port of Tampa from 2004 to March 2005.

Committees and Meetings of the Board of Directors

The Board of Directors held nine meetings during the fiscal year ended December 31, 2004. Each of the incumbent directors attended at least 75% of the meetings of the Board of Directors and Board committees that were held during the 2004 fiscal year while he was a member of the Board or committee. While the Board of Directors does not have a formal policy regarding attendance at annual stockholders meetings, the Board encourages the directors to attend the annual meeting of stockholders. All of the directors then serving attended the 2004 annual meeting of stockholders.

The Board of Directors has a Compensation Committee and an Audit Committee. The Board of Directors does not have a separately designated nominating committee. The Company does not have a nominating committee charter.

The full Board of Directors fulfills the role of a nominating committee. Each of the directors participates in the consideration of director nominees. It is the position of the Board of Directors that it is appropriate for the Company not to have a separate nominating committee because the size and composition of the Board of Directors enables it to adequately fulfill the functions of a standing nominating committee. The American Stock Exchange does not require the Company to have a separate nominating committee but does require that board nominees be selected by either a nominating committee comprised solely of independent directors or by a majority of the independent directors. The Company has considered all of the directors, except for Mr. Bertram as a member of management, independent within the meaning of such term in the listing standards of the American Stock Exchange. Given TDC's purchase on April 12, 2005 of Ashmore's equity stake in the Company which increased TDC's percentage ownership interest in the outstanding Common Stock to 63%, the Company is reevaluating the independence, within the meaning of such term in the American Stock Exchange listing standards, of the TDC representatives on the Company's Board.

The Board of Directors will consider nominees recommended by stockholders although, to date, it has not actively solicited such nominations. Such recommendations about nominees should be submitted in writing to the Secretary of the Company at the principal U.S. office of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual stockholders' meeting (provided, however, that in the event that the date of the annual stockholders' meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the 120th day prior to such annual stockholders' meeting and not later than the close of business on the later of the 90th day prior to such annual stockholders' meeting or the 10th day following

the day on which public announcement of the date of such stockholders' meeting is first made by the Company). The written recommendation must include: (1) the name and address of the stockholder making the recommendation and the beneficial owner, if any, on whose behalf the nomination is made; (2) the number of shares of Common Stock which are owned of record and beneficially by such stockholder and such beneficial owner; (3) a representation that the stockholder is a holder of record of Common Stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination; (4) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to stockholders owning at least the percentage of the Company's outstanding Common Stock required to elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such nomination; (5) all information regarding the director candidate that would be required to be included in a proxy statement filed under the proxy rules of the Securities and Exchange Commission; and (6) the written consent of the director candidate to being named in the proxy as a nominee and to serving as a director if elected. The Board of Directors may refuse to consider the recommendation of any person not made in compliance with this procedure.

In 2004, the Board of Directors established a policy regarding the director nomination process ("Nomination Policy"). The Nomination Policy contains both specific minimum qualifications for Board recommended nominees as well as specific qualities or skills that the Board believes are necessary for one or more of its directors to possess. The specific, minimum qualifications a Board recommended nominee must possess are: the highest ethical character; the ability to read and understand financial statements; be over 21 years of age; no significant and material conflicts; the necessary time to devote to board duties; and the ability to represent the interests of all the Company's shareholders. The specific qualities or skills that the Board believes are necessary for one or more of its directors to possess are: the relevant expertise and experience and the ability to offer advice and guidance to the Company's Chief Executive Officer; the ability to evaluate management performance objectively; the necessary independence or financial expertise that may be required; the skills, experience and background to complement the other directors; and the likelihood of a constructive working relationship with the rest of the Board. The Nomination Policy contains a process for identifying Board candidates which includes using the network of Board contacts, engaging a search firm and considering independent candidates recommended by the Company's stockholders. The Nomination Policy also contains a procedure for evaluating nominees. Nominees are evaluated by the Board using the criteria summarized above. At its discretion, the Board can use questionnaires, interviews, and additional background and reference checks. Incumbent directors will be evaluated based on their participation and performance. With respect to the Company's nominees for the 2005 to 2006 Board term, TDC designated Messrs. Frimer, Larsen and Moeller as their representatives on the Company's Board of Directors.

The members of the Compensation Committee are John B. Ryan and William E. Starkey (Chairman). The Compensation Committee held seven meetings during the fiscal year ended December 31, 2004. The functions of the Compensation Committee include: administering the 2004 Long-Term Incentive Plan; negotiating and determining the compensation of executive officers; and determining the compensation of all other officers. See - Compensation Committee Report on Executive Compensation.

The members of the Audit Committee are Jesper Helmuth Larsen, John B. Ryan (Chairman), and William E. Starkey. Mr. Larsen joined the Audit Committee upon his election to the Board in December 2004. Mr. Larsen replaced Thomas Gelting as a member of the Audit Committee. The Board has determined that Mr. Larsen is an "audit committee financial expert", within the meaning of Securities and Exchange Commission regulations. The Company has considered all of the members of the Audit Committee independent within the meaning of such term in the Securities and Exchange Commission regulations and the listing standards of the American Stock Exchange. Mr. Gelting was also considered independent. Given TDC's purchase on April 12, 2005 of Ashmore's equity stake in the Company which

increased TDC's percentage ownership interest in the outstanding Common Stock to 63%, the Company is reevaluating the independence, within the meaning of such term in the American Stock Exchange listing standards, of Mr. Larsen. The Audit Committee has adopted a written charter which was included as an attachment to the Company's proxy statement for its 2004 annual meeting of stockholders. The Audit Committee's duties include, among other duties: the appointment, retention, compensation and oversight of the independent auditors; reviewing the independence, experience, qualifications and performance of the independent auditors; the pre-approval of all audit and non-audit services to be performed by the independent auditors; reviewing and discussing with management and the independent auditors the audited annual financial statements and quarterly unaudited financial statements; reviewing the scope and results of the audits performed; reviewing the adequacy and operation of the Company's financial reporting and internal controls, as well as the disclosure controls and procedures; reviewing and approving related party transactions; monitoring compliance with the Company's Code of Ethics; and performing such other duties or functions with respect to the Company's accounting, financial and operating controls as deemed appropriate by it or the Board of Directors. During the fiscal year ended December 31, 2004 the Audit Committee held four meetings. All of the 2004 Audit Committee meetings were held prior to the time that Mr. Larsen joined the Audit Committee. See - Report of the Audit Committee.

Compensation Committee Report on Executive Compensation

The following Report of the Compensation Committee and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.

General. The Company's compensation policy is designed to motivate, reward and retain the managerial and technical talent needed to achieve the Company's business objectives. This policy provides for incentives to achieve short- and long-term objectives and rewards exceptional performance and accomplishments that contribute to the Company's business. Compensation arrangements for the Company's officers have been designed to align such compensation with the achievement of the Company's business objectives and growth strategy. The Compensation Committee determines the compensation of the Company's officers. The Compensation Committee directly determines the Chief Executive Officer's compensation and, with input from the Chief Executive Officer, determines the compensation of the other officers. The Chief Executive Officer is given authority, within certain limits, to determine the compensation of the rest of the Company's employees.

Employment Contracts. The Company has secured the services of three of its long serving top officers, including the Chief Executive Officer, with employment agreements which have indefinite terms. Such agreements can be terminated by either party following required notice periods. These employment agreements have fixed based salaries that are adjusted annually, option grants to provide incentive to build shareholder value and, in the case of the Chief Executive Officer, an annual target cash bonus. The agreements also have protection in the event of termination of employment without cause, which provisions are intended to retain such officers so that they can focus on the Company and its goals. Each of the agreements also addresses the possibility of a change in control of the Company so that the officers can focus on the Company and its goals without the distraction of concern about the future ownership of the Company. In determining bonuses, the Compensation Committee has taken into account the weakened value of the U.S. dollar. In order to avoid the problems associated with currency fluctuations, the Compensation Committee has begun the transition from dollar-based employment agreements for its officers and top employees to euro-based employment agreements since the value of the Hungarian forint is more closely associated with the euro than the U.S. dollar.

Chief Executive Officer's 2004 Compensation. During 2004, the Compensation Committee provided Mr. Bertram with a base salary based on comparable industry standards and an annual grant of options also based on comparable industry standards. The options are intended to provide Mr. Bertram with incentive to increase the Company's value. The employment agreement with Mr. Bertram also provides for a potential annual cash bonus tied to certain Company objectives established by the Compensation Committee. In February 2004, the Compensation Committee awarded Mr. Bertram a bonus of \$125,000, which was based on the achievement of Company objectives set in 2003 relating to revenues, operating income, line connections, revenue per subscriber and other strategic goals. The cash bonus also reflected the continuing devaluation of the U.S. dollar. In 2004, the Compensation Committee agreed to award Mr. Bertram a special cash bonus of \$600,000 for his efforts in securing the PanTel acquisition and the related financing. The Compensation Committee recognized the transforming nature of this transaction for the Company and wanted to reward Mr. Bertram for his efforts and sacrifices in bringing the transaction to a close. With the PanTel transaction complete, such bonus is now payable to Mr. Bertram. After a review of Mr. Bertram's employment agreement and his service to the Company both as a director and executive officer since 1997, the Compensation Committee agreed to award Mr. Bertram with a one-time lump sum payment payable at his retirement equal to six months pay at the monthly rate in effect upon his retirement. Mr. Bertram recently announced that he will retire in May 2005. In March 2005, the Compensation Committee awarded Mr. Bertram an annual cash bonus of

Table of Contents

\$100,000, which was based on the achievement of Company objectives set in 2004 relating to revenues, operating income, line connections, revenue per subscriber and other strategic goals. The Company also changed Mr. Bertram's cash compensation for 2005 from U.S. dollars to euros and set his 2005 base cash compensation amount at EUR 310,000 (including a housing allowance).

In 1993, Section 162(m) was added to the Internal Revenue Code of 1986, as amended, the effect of which is to eliminate the deductibility of compensation of over \$1 million, with certain exceptions, paid to each of certain highly compensated executive officers of publicly held corporations, such as the Company. Section 162(m) applies to all remuneration (both cash and non-cash) that would otherwise be deductible for tax years beginning on or after January 1, 1994, unless expressly excluded. To date, the annual compensation of the Company's current officers has been below the \$1 million threshold. The Company's equity compensation plan has certain rewards which would qualify for certain performance-based exceptions to the limitations on deductibility.

Standard Remuneration of Directors and Other Arrangements

The Company has a compensation structure for the Company's non-employee directors pursuant to which the Chairman (Mr. Holm) is to be compensated with a fixed quarterly fee of \$3,000, a per meeting fee of \$1,100 for meetings held in-person and a per meeting fee of \$550 for meetings held via telephonic conference call. The other directors are compensated with a fixed quarterly fee of \$2,500, a per meeting fee of \$800 for meetings held in-person and a per meeting fee of \$400 for meetings held via telephonic conference call. The non-employee directors also received 2,000 shares of Common Stock, or a pro-rated amount of shares, for their 2004 to 2005 Board service. Such shares vest upon the completion of the one-year board term in May 2005. For Committee meetings, the directors are paid a per meeting fee of \$1,000 (\$2,000 for the Chairman) for meetings held in-person and a per meeting fee of \$500 (\$1,000 for the Chairman) for meetings held via telephonic conference call. The Chairman of each committee also receives a \$2,500 fixed quarterly fee. The Company also reimburses the directors for out-of-pocket expenses.
