EXPLANATORY NOTE

NBC Capital Corporation (the Company or the Corporation) is filing this Amendment No. 1 on Form 10-K/A (the Amendment) to the Company s Annual Report on Form 10-K for the year ended December 31, 2004 (which was filed with the Securities and Exchange Commission on March 14, 2005) pursuant to an exemptive order issued by the Securities and Exchange Commission (SEC Release No. 34-50754). In accordance with the exemptive order, the Company may include management s annual report on internal control over financial reporting and the related report of the Company s independent registered public accounting firm in an amendment to its annual report on Form 10-K to be filed not later than forty five days after the prescribed period for filing such annual report on Form 10-K. In accordance with the exemptive order, the Company is filing this Amendment to:

include a Report of Independent Registered Public Accounting Firm relating to the Company s assessment of internal control over financial reporting and the effectiveness of internal control over financial reporting;

include management s report on internal control over financial reporting; and

include a Consent of Independent Registered Public Accounting Firm required as a result of the revisions listed above.

Additionally, the Company is taking this opportunity to correct typographical errors that were included in the Form 10-K filed with the Securities and Exchange Commission on March 14, 2005. These corrected pages include the following:

Item 8 Financial Statements and Supplementary Data a corrected Balance Sheet;

Item 8 Financial Statements and Supplementary Data a corrected Note C of the Notes to Consolidated Financial Statements; and

Exhibits a corrected Exhibit 21 Subsidiaries of NBC Capital Corporation.

Except for the amendments described above, this Amendment does not modify or update the Company s previously reported financial statements and other financial disclosures in, or exhibits to, the original filing. Unaffected items have not been repeated in this Amendment.

As of December 31, 2004, approximately 44% of the number of securities in the investment portfolio reflected an unrealized loss. Management is of the opinion the Corporation has the ability to hold these securities until such time as the value recovers or the securities mature. Management also believes the deterioration in value is attributable to changes in market interest rates and not to the credit quality of the issuer.

ITEM 9A. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

As required by Rules 13a-15 and 15d-15 of the Securities Exchange Act of 1934, the Company has evaluated, with the participation of management, including the Chief Executive Officer and the Chief Financial Officer, as of the end of the period covered by this report, the effectiveness of the design and operation of its disclosure controls and procedures. Based on such evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that such disclosure controls and procedures are effective in ensuring that material information relating to the Company, including its consolidated subsidiaries, is made known to the certifying officers by others within the Company and its consolidated subsidiaries during the period covered by this report. From time to time, the Company reviews the disclosure controls and procedures, and may from time to time make changes aimed at enhancing their effectiveness and to ensure that the Company's system evolves with its business.

MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Management of NBC Capital Corporation (The Company) is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rules 13a-15(f) of the Securities and Exchange Act of 1934. The Company's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

Management has in place an internal accounting control system designed to safeguard corporate assets from material loss or misuse. The internal control system includes an organizational structure that provides appropriate delegation of authority and segregation of duties, establishes policies and procedures, and comprehensive internal audit and loan review programs. Management believes that this system provides assurance that assets are adequately safeguarded and that the accounting records, which are the basis for the preparation of the financial statements, are reliable.

Any system of internal control, no matter how well designed, has inherent limitations, including the possibility that a control can be circumvented, or overridden or misstatements due to error or fraud may occur and not be detected. Also, because of changes in conditions, internal control effectiveness may vary over time. Accordingly, an effective system of control will provide only reasonable assurance with respect to the financial statement preparation.

The Board of Directors, primarily through its audit committee, oversees the adequacy of the Company's internal control structure. The audit committee, consisting entirely of independent directors, meets regularly with management, internal auditors and the independent registered public accounting firm, and reviews audit plans and results as well as management's actions taken in discharging responsibilities for accounting, financial reporting and internal control. Both the independent registered public accounting firm and the internal auditors have direct confidential access to the audit committee at all times to discuss the results of their examinations.

Management conducted an evaluation of the effectiveness of the Company's internal controls over financial reporting as of December 31, 2004. This evaluation was based on criteria for effective internal control over financial reporting described in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based upon that evaluation, management concluded that the Company maintained effective internal control over financial reporting as of December 31, 2004.

Management's assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2004, has been audited by the Company's independent registered accounting firm, whose report follows this report.

Changes in Internal Controls over Financial Reporting

There was no change in the Company's internal control over financial reporting during the quarter ended December 31, 2004 that has materially affected, or is likely to materially affect, the Company's internal control over financial reporting.

REPORT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Audit Committee of the
Board of Directors and Shareholders of
NBC Capital Corporation

We have audited management's assessment, included in the accompanying Report of Management on Internal Control Over Financial Reporting, that NBC Capital Corporation maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). NBC Capital Corporation's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that NBC Capital Corporation maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Also in our opinion, NBC Capital Corporation maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

To the Audit Committee of the

Board of Directors and Shareholders of

NBC Capital Corporation
