Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Effective December 23, 2005, Koch Forest Products, Inc. (the Purchaser), a Georgia corporation and indirect wholly-owned subsidiary of Koch Industries, Inc. (Parent), a Kansas corporation, was merged (the Merger) with and into Georgia-Pacific Corporation (the Company), a Georgia corporation, pursuant to the terms of the Agreement and Plan of Merger dated as of November 13, 2005 between Parent, the Purchaser and the Company (the Merger Agreement). As a result of the Merger, each share of common stock, par value \$0.80 per share (each a Share), of the Company then outstanding (other than treasury Shares and Shares that are owned by (i) Parent, the Purchaser or any other wholly-owned subsidiary of Parent or (ii) shareholders who properly exercise dissenters' rights under Article 13 of the Georgia Business Corporation Code) has been converted into the right to receive cash in the amount of \$48.00 per Share, without interest.

As a result of the Merger, the Company no longer fulfills the numerical listing requirements of the New York Stock Exchange (the NYSE). Accordingly, following completion of the Merger the Company notified the NYSE and requested that its common stock be withdrawn from listing on the NYSE prior to the open of trading on December 23, 2005. As a result, the Shares are no longer listed on the New York Stock Exchange. The Company also filed with the Securities and Exchange Commission (the SEC) on December 23, 2005 a Certification on Form 15 under the Securities Exchange Act of 1934, as amended (the Exchange Act), requesting that the Company's common stock be deregistered and that the Company's reporting obligations under Sections 13 and 15(d) of the Exchange Act be suspended.

A copy of the press release issued by the Company and Parent announcing the completion of the Merger is attached as Exhibit 99.1 hereto.

Item 3.02 Unregistered Sales of Equity Securities.

On December 22, 2005, the Company issued 8,110,220 Shares to the Purchaser pursuant to Section 2.4(c) of the Merger Agreement, at a price per Share of \$48.00, which resulted in an aggregate purchase price of \$389,290,560 (the Purchase Price). The Purchaser paid the Purchase Price for the Shares by delivery of a promissory note guaranteed by Parent.

The issuance of these Shares by the Company was made in a transaction not involving any public offering pursuant to an exemption from registration under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act). The offering was not a public offering as defined in Section 4(2) of the Securities Act due to the fact that the Purchaser was the only person involved in the transaction, the size of the offering, and the manner of the offering. In addition, the Purchaser had the necessary investment intent as required by Section 4(2) of the Securities Act since such Shares were issued to facilitate the Merger pursuant to which the Company will become an indirect wholly owned subsidiary of Parent. Based on the above factors, the Company believes that this issuance of Shares meets the requirements to qualify for exemption under Section 4(2) of the Securities Act.
