Item 7.01 Regulation FD Disclosure.

Colonial BancGroup (BancGroup) is furnishing this Current Report on Form 8-K in connection with a presentation made by management of BancGroup on March 2, 2006 at the KBW Regional Bank Conference. Attached hereto and incorporated herein as Exhibit 99.1 are the materials prepared for those presentations. These presentations contain forward-looking statements within the meaning of the federal securities laws. The forward-looking statements in this presentation are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in or implied by the statements. Factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include, among other things, the following possibilities: (i) an inability of the Company to realize elements of its strategic plans for 2006 and beyond; (ii) increases in competitive pressure in the banking industry; (iii) general economic conditions, either nationally or regionally, that are less favorable than expected; (iv) expected cost savings from recent acquisitions are not fully realized; (v) changes in the interest rate environment which reduce margins; (vi) management's assumptions regarding allowance for loan losses may not be borne out by subsequent events; and (vii) changes which may occur in the regulatory environment. When used in this presentation, the words believes, estimates, plans, expects, should, may, might, outlook, and anticipates, and similar expressions as they related to BancGroup (and its subsidiaries) or its management are intended to identify forward-looking statements. Forward-looking statements speak only as to the date they are made. BancGroup does not undertake to update forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.

Item 9.01 Financial Statements and Exhibits.

The following exhibit is furnished as Regulation FD Disclosure to this Current Report on Form 8-K:
