Item 1.01. Entry into Material Definitive Agreement

On August 30, 2006 registrant entered into two accelerated share buyback agreements with Goldman Sachs & Co. providing for the repurchase of an aggregate of approximately \$100 million of registrant's common stock. The first agreement, which covers half of the accelerated repurchase amount, includes collar provisions that establish the minimum and maximum numbers of shares. The second agreement, which covers the balance of the accelerated repurchase amount, includes purchase price adjustment provisions. The specific number of shares to be repurchased, and the total purchase price, is generally based on the volume weighted average share price of the Company's common shares during the six- to twelve-month term of the accelerated repurchase agreements.

Item 7.01. Regulation FD Disclosure
