**Fresh Del Monte Produce Inc.**

**FOR IMMEDIATE RELEASE**

**Fresh Del Monte Produce Inc. Wins Lawsuit**

**Brought by Former Indirect Minority Shareholders**

CORAL GABLES, Fla. November 17, 2006 **Fresh Del Monte Produce Inc. (NYSE: FDP)**, today announced that the jury hearing the lawsuit in Miami-Dade County Circuit Court brought by certain former indirect minority shareholders, as originally announced in the Company's December 31, 2002 press release, returned a verdict in favor of the Company and its co-defendants.

Since the filing of this meritless litigation almost four years ago, we have always maintained that the acquisition of Fresh Del Monte by the IAT Group in December 1996 was proper and according to all legal requirements and consents, said Mohammad Abu-Ghazaleh, Chairman and CEO of Fresh Del Monte. We stated from the first day we saw their complaint that we would vigorously defend against these false allegations regarding the propriety of the sale of Fresh Del Monte to the IAT Group in 1996. Finally, we had our day in court and the jury has confirmed that we were right and that the plaintiffs' allegations were without any merit. The truth prevailed.

Fresh Del Monte Produce Inc. is one of the world's leading vertically integrated producers, marketers and distributors of high-quality fresh and fresh-cut fruit and vegetables, as well as a leading producer and distributor of prepared fruit and vegetables, juices, beverages, snacks and desserts in Europe, Africa and the Middle East. Fresh Del Monte markets its products worldwide under the Del Monte® brand, a symbol of product innovation, quality, freshness and reliability.

*This press release contains certain forward-looking statements regarding the intents, beliefs or current expectations of the Company or its officers with respect to various matters. These forward-looking statements are based on information currently available to the Company and the Company assumes no obligation to update these statements. It is important to note that these forward-looking statements are not guarantees of future performance and involve risks and uncertainties. The Company's actual results may differ materially from those in the forward-looking statements as a result of various important factors, including those described under the caption "Key Information Risk Factors" in Fresh Del Monte Produce Inc.'s Form 20-F for the year ended December 30, 2005.*
