EXPLANATORY NOTE

On July 28, 2004, Google Inc. (the **Registrant**) filed a Registration Statement on Form S-8 (Registration No. 333-117715) (the **Registration Statement**), which registered shares of the Registrant's common stock, par value \$0.001 (the **Shares**), reserved for issuance under eight plans, including the 2004 Stock Plan. The Registration Statement registered 27,566,757 shares for all plans, including 6,431,660 shares of Class A common stock with respect to the 2004 Stock Plan.

In connection with the Registrant's Transferable Stock Option (**TSO**) program, 2,527,515 of the 6,431,660 shares of Class A common stock that were originally registered under the Registration Statement will be offered and sold pursuant to a Registration Statement on Form S-3 (the **TSO S-3**). Therefore, the Registrant is filing this post-effective amendment to deregister 2,527,515 of the 6,431,660 shares of its Class A common stock that were registered under the Registration Statement.

The TSO S-3 registers:

the offer and sale by the Registrant of Class A common stock upon exercise, other than by participating financial institutions, of (1) options currently outstanding and (2) options to be granted under the Registrant's 2004 Stock Plan to eligible employees, consultants, and directors the Registrant or of any parent or subsidiary of the Registrant;

the grant by the Registrant of nonstatutory stock options to eligible employees, consultants, and directors of the Registrant or of any parent or subsidiary of the Registrant under the Registrant's 2004 Stock Plan;

the offer and sale by the Registrant of Class A common stock in connection with the grant or exercise of incentive stock options, restricted stock, restricted stock units, stock appreciation rights, performance units, performance shares and other stock-based awards to eligible employees, consultants, and directors of the Registrant or of any parent or subsidiary of the Registrant under the Registrant's 2004 Stock Plan; and

the offer and sale by participating financial institutions in connection with short sales of the Registrant's Class A common stock to hedge options they purchase under the Registrant's TSO program.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Post-Effective Amendment No. 1 to the Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Mountain View, State of California, on April 20, 2007.
