Item 8.01 Other Events

As previously reported in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2007 filed with the United States Securities and Exchange Commission (the Commission) on May 10, 2007 (the Form 10-Q), we have revised our reporting segments to reflect how our chief operating decision maker decides to allocate resources and assess performance effective for the quarter ended March 31, 2007. Specifically, we have combined one of our former segments, Run-of-Press, into our Neighborhood Targeted segment, due to the two segments' similarities in sales and operational processes and combined sales and management team.

As required by Statement of Financial Accounting Standards No. 131, *Disclosures about Segments of an Enterprise and Related Information* (SFAS 131), our consolidated financial statements issued subsequent to the segment reporting change are required to reflect modifications to our reportable segment information resulting from the revision, including reclassifications of all comparative prior period segment information. Accordingly, the Form 10-Q already reflects the change in segment reporting. Also in accordance with SFAS 131, to help facilitate year-to-year comparisons, we are reclassifying the segment footnote to our consolidated financial statements as of December 31, 2005 and 2006 and for each of the years in the three-year period ended December 31, 2006 included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2006 filed with the Commission on February 13, 2007, as amended by Amendment No. 1 on Form 10-K/A filed with the Commission on February 28, 2007 and Amendment No. 2 on Form 10-K/A filed with the Commission on June 28, 2007 (as amended, the Form 10-K). The updated consolidated financial statements are attached hereto as Exhibit 99.1.

In addition, on March 2, 2007, we completed the acquisition of ADVO for approximately \$1.2 billion, including the refinancing of approximately \$125.0 million in existing ADVO debt. In connection with the ADVO acquisition, we issued \$540.0 million aggregate principal amount of 8 1/4% Senior Notes due 2015. The notes are fully and unconditionally guaranteed, jointly and severally, by substantially all of our existing and future domestic restricted subsidiaries on a senior unsecured basis. As a result, we have also updated the consolidated financial statements attached hereto as Exhibit 99.1 to include a subsequent event and supplemental financial information footnote (Note 15) reporting the ADVO acquisition and related issuance of debt and providing supplemental guarantor condensed consolidating financial statements.

This Current Report on Form 8-K has no effect on our consolidated financial position, results of operations or cash flows previously reported in the Form 10-K. The consolidated financial statements attached hereto as Exhibit 99.1 reclassify only the applicable segment information in the footnotes thereto and provide supplemental guarantor condensed consolidating financial information, and there have been no other changes to our consolidated financial information reflected in the attached consolidated financial statements from the consolidated financial statements previously included in the Form 10-K.
