**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On February 15, 2008, Hill International, S.A., a wholly-owned subsidiary of Hill International, Inc. (the Registrant), acquired 60% of the outstanding capital stock of Gerens Management Group, S.A. (Gerens), a Spanish-headquartered firm that provides project management services on major construction projects throughout Spain as well as in Western Europe and Latin America. The consideration paid by Hill International S.A. was 10.8 million (\$15.8 million) in cash. The remaining minority stockholders of Gerens, who own 40% of the company, consist of Gerens Managing Director as well as a group of Spanish savings banks. Gerens, which has about 250 employees, plans to immediately change its name to Gerens Hill International, S.A.

Gerens is headquartered in Madrid and has additional offices in Barcelona and Cancun, Mexico. The company has managed the construction of major projects in various sectors, including residential, commercial, healthcare, retail and leisure, infrastructure, and hotels and resorts. Gerens brings together extensive knowledge of the Spanish market and worldwide experience in the management and control of complex design and construction processes offering their clients project management and independent technical consultancy services. In 2007, Gerens had unaudited total revenues of approximately 21.0 million (\$30.6 million). At December 31, 2007, Gerens had total backlog of approximately 27.3 million (\$39.9 million.)

In connection with the acquisition, Gerens shareholders, including Hill International S.A., entered into an agreement whereby the minority shareholders have a right to compel Hill International S.A. to purchase any or all of their shares during the period from March 31, 2010 to March 31, 2020. Hill International S.A. also has the right to compel the minority shareholders to sell any or all of their shares during the period from March 31, 2011 to March 31, 2021. The purchase price for such shares shall be the greater of (a) 18.0 million increased by the General Price Index (capped at 3.5% per annum) or (b) ten times the company's earnings before interest and income taxes, multiplied by a percentage which the shares to be purchased bear to the total number of shares outstanding at the time of the purchase. Such amount may be increased by increases in equity subsequent to the acquisition date, and can be paid in cash or shares of the Registrant's common stock at the option of the sellers.

A copy of the press release announcing the acquisition is attached as Exhibit 99.1
