**PART II**

**INFORMATION REQUIRED IN THE REGISTRATION STATEMENT**

**Item 3. Incorporation of Documents by Reference**

The documents listed below are incorporated by reference in the Registration Statement:

- (a) The Registrant's Annual Report on Form 10-K for the fiscal year ended June 30, 2007;
- (b) The Registrant's Quarterly Reports on Form 10-Q for the quarters ending September 30, 2007, December 30, 2007 and March 30, 2008 ; and
- (c) The Registrant's Current Reports on Form 8-K filed with the SEC on August 2, 2007, August 7, 2007, November 9, 2007, March 25, 2008 and May 6, 2008.

All documents subsequently filed by the Registrant or by the Plan with the SEC pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters the securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents.

**Item 4. Description of Securities**

Under the Plan, which is an unfunded deferred compensation plan intended to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended, the Registrant provides Eligible Employees and Eligible Board Members, as defined therein, the opportunity to enter into agreements for the deferral of a specified percentage of their cash compensation derived from base salary and incentive/bonus awards or, in the case of Eligible Board Members, from meeting fees and annual retainer fees. The Registrant has entered into a trust agreement with a trustee under an irrevocable trust (the "Trust"), the amounts allocated to which and the earnings thereon shall be used to satisfy the obligations of the Company under such agreements (the "Obligations"). The Trust is a grantor trust for state and federal income tax purposes, and the assets of the Trust shall at all times be subject to the claims of the general creditors of the Company.

The amount of compensation to be deferred by each participating Eligible Employee or Board Member (individually, a Participant and collectively, the Participants) is determined in accordance with the Plan based on elections by each Participant. Each Obligation is payable on a date or dates selected by each Participant at the time of enrollment. The Obligations are indexed to two or more investment funds selected by a committee (the Committee), and the Committee may change, discontinue or add to such selected funds at any time. A Participant may select his or her investment options for new deferrals or for amounts already deferred once per month to become effective as of the first business day of the following month. Each Participant's Obligation will be adjusted to reflect the positive or negative investment result of the selected investment option.

Except pursuant to a Qualified Domestic Relations Order, a Participant's right or the right of any other person to the Obligations is not subject to option nor assignable by voluntary or involuntary assignment or by operation, including without limitation to bankruptcy, garnishment, attachment or other creditor's process.

The Obligations are not subject to redemption, in whole or in part, prior to the distribution dates specified by each Participant, other than withdrawals made in the event of a Participant's Unforeseeable Emergency, as defined in the Plan, or in the event of a Participant's death. The Registrant reserves the right to amend or terminate the Plan at any time; provided, however, that no such action shall reduce a Participant's account under the Plan without the Participant's written consent.

**Item 5. Interests of Named Experts and Counsel**

Not applicable.

**Item 6. Indemnification of Directors and Officers**

Section 145 of the General Corporation Law of the State of Delaware, as amended, provides that under certain circumstances a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at its request in such capacity in another corporation or business association, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 10 of the Restated Certificate of Incorporation of the Company provides that, to the fullest extent permitted by the Delaware General Corporation Law, a director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director. Article VI of the Bylaws of the Company provides that the directors and officers of the Company shall be indemnified to the fullest extent permitted by the Delaware General Corporation Law. The directors and officers of the Company are insured under policies of insurance maintained by the Company, subject to the limits of the policies, against certain losses arising from any claims made against them by reason of being or having been such directors or officers. In addition, the Company has entered into contracts with each of its directors and executive officers providing for indemnification of such persons by the Company to the full extent authorized or permitted by law, subject to certain limited exceptions.

**Item 7. Exemption from Registration Claimed**

Not applicable.

**Item 8. Exhibits**

The Exhibits required to be filed as part of this Registration Statement are listed in the attached Exhibit Index.

**Item 9. Undertakings**

(1) The undersigned Registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement, provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.
- (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each

Edgar Filing: SUN MICROSYSTEMS, INC. - Form S-8

filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
