\$200.00	0.1670	0.1497	0.1238	0.0868	0.0334	0.0000

The exact applicable price and effective date for the Notes may not be as set forth in the table above, in which case:

if the applicable price is between two applicable prices on the table or the adjustment date is between two adjustment dates on the table, the number of additional ADSs will be determined by a straight-line interpolation between the number of additional ADSs set forth for the higher and lower applicable price amounts and the earlier and later adjustment dates based on a 365-day year, as applicable;

if the applicable price is in excess of \$200.00 per ADS (subject to adjustment in the same manner as the applicable price), no increase in the conversion rate will be made; and

if the applicable price is less than \$28.00 per ADS (subject to adjustment in the same manner as the applicable price), no increase in the conversion rate will be made.

Notwithstanding the foregoing, in no event will the total number of ADSs issuable upon conversion, including additional ADSs issuable as a result of such fundamental change, exceed 35.7143 per \$1,000 principal amount of Notes, subject to adjustment as set forth in the prospectus supplement under Description of the Notes Conversion Rate Adjustments.
