Future Programs

On January 27, 2009, the Compensation Committee approved the formula for determining the maximum award amounts for 2009 annual incentive awards. The formula reflects the Company's intention to qualify, to the extent possible, cash compensation paid to officers as tax deductible, subject to the deductibility limitations of Section 162(m) of the Internal Revenue Code.

Under the formula, the maximum award amounts are determined based on a performance incentive pool equal to 0.7% of 2009 adjusted net earnings. Adjusted net earnings of the Company is defined as the net earnings before extraordinary items, discontinued operations and the cumulative effect of accounting changes and excluding certain other items designated by the Compensation Committee. In addition, individual award amounts are limited to the shareholder-approved maximum defined in the 2005 Performance Incentive Plan: \$10.0 million for the annual incentive award.

At the conclusion of 2009, the performance pool will be calculated and divided among the covered officers. The Chairman and Chief Executive Officer's maximum award under the plan is limited to one-third of the pool, and the remaining covered officers each will be eligible for a maximum award equal to one-sixth of the remaining pool, in each case, subject to the individual maximums defined in the 2005 Performance Incentive Plan.

In addition, on January 27, 2009, the Compensation Committee approved a formula for determining the maximum award amounts for 2010 restricted stock awards. The formula reflects the Company's intention to qualify, to the extent possible, stock awards made to officers as tax deductible, subject to the deductibility limitations of Section 162(m) of the Internal Revenue Code.

Under the formula, the maximum restricted stock award grant value amounts for the 2010 restricted stock awards are determined based on a performance incentive pool equal to 1.0% of the adjusted net earnings of the Company. Adjusted net earnings of the Company is defined as the net earnings before extraordinary

items, discontinued operations and the cumulative effect of accounting changes and excluding certain other items designated by the Compensation Committee. In addition, individual awards are limited to the shareholder-approved maximum defined in the 2005 Performance Incentive Plan of one million shares.

At the conclusion of 2009, the performance pool for the 2010 restricted stock awards will be calculated and divided among the covered officers. The Chairman and Chief Executive Officer's maximum award is equal to one-third of the pool and the remaining covered officers each will be eligible for a maximum award up to an equal share of the remaining pool, in each case, subject to the individual maximum defined in the 2005 Performance Incentive Plan.

A form of restricted stock agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.
