**Item 8.01 Other Events**

GSI Group Inc. (the Company ) announced today that on February 6, 2009, it entered into forbearance agreements (collectively, the Forbearance Agreements ) with certain beneficial owners (the Investors ) holding greater than 75% of the outstanding aggregate principal amount of its 11% Senior Notes (the Notes ).

The Company previously announced on December 4, 2008 and February 2, 2009, that it had identified errors related to the timing of revenue recognition from sales to certain Semiconductor Systems Segment customers during 2008 and 2007, respectively. As a result of the identification of those errors, the Company has delayed the filing of its Quarterly Report on Form 10-Q for the quarterly period ended September 26, 2008 (the Filing Delay ).

Pursuant to the Forbearance Agreements, the Investors agreed to forbear from taking any action or exercising any remedies under the Indenture, dated August 20, 2008, by and among GSI Group Corporation, as Issuer, The Bank of New York Mellon Trust Company, N.A., as Trustee, the Company, as Guarantor, and the other parties thereto (the Indenture ), with respect to the Filing Delay until the earlier of (i) the date on which a default or event of default, other than the Filing Delay, occurs or exists, and (ii) February 27, 2009. The effectiveness of the forbearance is conditioned upon certain terms and conditions set forth in the Forbearance Agreements, including the following: (i) the Company shall retain the services of a financial advisor by no later than February 20, 2009; (ii) in the event that Investors holding at least 51% of the outstanding aggregate principal amount of the Notes elect to retain the services of one financial advisor for purposes of rendering advice in connection with such Investors investment in the Company, the Company agrees to pay reasonable fees and expenses of such advisor; and (iii) the Indenture shall be amended to provide beneficial owners holding at least 25% of the outstanding aggregate principal amount of the Notes with the ability to provide a notice of failure thereunder.

The foregoing description of the material terms of the Forbearance Agreements is qualified in its entirety by reference to the actual agreements, a form of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
