ITEM 8.01. Other Events.

On July 27, 2009, NATCO Group Inc. (NATCO) and Cameron International Corporation (Cameron) each received a request for additional information and documentary material, often referred to as a Second Request, from the United States Department of Justice under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, in connection with the previously announced merger contemplated by the Agreement and Plan of Merger, dated as of June 1, 2009, by and among NATCO, Cameron, and Octane Acquisition Sub, Inc. NATCO is in the process of responding to the Second Request.

ADDITIONAL INFORMATION

In connection with the proposed merger, on July 20, 2009, Cameron filed with the SEC a Registration Statement on Form S-4, which includes a preliminary prospectus of Cameron and a preliminary proxy statement of NATCO. After the registration statement has been declared effective by the SEC, a definitive proxy statement/prospectus will be mailed to NATCO stockholders in connection with the proposed Merger. **INVESTORS AND SECURITY HOLDERS ARE URGED TO CAREFULLY READ THE REGISTRATION STATEMENT, INCLUDING THE PROXY STATEMENT/ PROSPECTUS THAT IS A PART OF THE REGISTRATION STATEMENT, AND ANY OTHER RELATED DOCUMENTS FILED WITH THE SEC BECAUSE THEY CONTAIN IMPORTANT INFORMATION REGARDING CAMERON, NATCO AND THE MERGER.** Investors and security holders of Cameron and NATCO may obtain a free copy of the Registration Statement on Form S-4, the preliminary proxy statement and any other related documents filed by Cameron and NATCO with the SEC at the SEC's website at www.sec.gov. The Registration Statement on Form S-4, the preliminary proxy statement and any other related documents may also be obtained for free by accessing Cameron's website at www.c-a-m.com under the heading Investor Relations and then under the heading SEC Filings or by accessing NATCO's website at www.natcogroup.com under the tab Investor Relations and then under the heading SEC Filings.

NATCO and its directors, executive officers and certain other members of management and employees may be soliciting proxies from its stockholders in favor of the merger. Information regarding the persons who may be, under the rules of the SEC, considered participants in the solicitation of the stockholders in connection with the proposed merger may be found in the preliminary proxy statement/prospectus included in Cameron's Registration Statement on Form S-4 filed with the SEC on July 20, 2009. You can find information about NATCO's executive officers and directors in its definitive proxy statement for its 2009 annual meeting filed with the SEC on March 23, 2009. You can obtain free copies of these documents from NATCO at the website address noted above.

FORWARD-LOOKING STATEMENTS

Information set forth in this document may contain forward-looking statements, which involve a number of risks and uncertainties. NATCO cautions readers that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking information. Such forward-looking statements include, but are not limited to, statements about the benefits of the business combination transaction involving Cameron and NATCO, including future financial and operating results, the new company's plans, objectives, expectations and intentions and other statements that are not historical facts.

The following additional factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: the ability to satisfy the closing conditions of the transaction, including obtaining regulatory approvals for the transaction and the approval of the merger agreement by

the NATCO stockholders; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers; the impact of other acquisitions that Cameron or NATCO have made or may make before the transaction; competition and its effect on pricing; and exploration and development spending by E&P operators. Additional factors that may affect future results are contained in Cameron's and NATCO's filings with the Securities and Exchange Commission (SEC), which are available at the SEC's web site <http://www.sec.gov>. Cameron and NATCO disclaim any obligation to update and revise statements contained in these materials based on new information or otherwise.
