Item 1.01. Entry into a Material Definitive Agreement.

On January 6, 2010, SeaChange International, Inc. ("SeaChange") entered into an Agreement and Plan of Merger (the "Merger Agreement") with Vividlogic, Inc., a Delaware corporation ("Vividlogic"), Vulcan Acquisition, Inc., a Delaware corporation and wholly owned subsidiary of SeaChange (the "Merger Sub"), and Shiva Patibanda as the initial Stockholder Representative. The Merger Agreement has been approved by the boards of directors of SeaChange and Vividlogic, and, subsequent to signing, by the stockholders of Vividlogic. Approval by the SeaChange stockholders is not required in connection with the transaction.

Upon the terms and subject to the conditions set forth in the Merger Agreement, the Merger Sub will merge with and into Vividlogic (the "Merger"), with Vividlogic continuing after the Merger as the surviving corporation and a wholly owned subsidiary of SeaChange. At the effective time of the Merger, each outstanding share of Vividlogic 's capital stock will convert into the right to receive its portion of the following cash amounts, each as specified in the Merger Agreement:

\$10,800,000 paid at closing;

\$1,200,000 deposited in escrow at closing with respect to specified indemnification matters;

Net working capital at closing in an amount estimated to be \$8.6 million, with \$3.9 million paid at closing, \$1.3 million paid on each of May 1, 2010 and August 1, 2010, and \$2 million paid on the one year anniversary of closing;

\$3,000,000 in deferred merger consideration, with \$1,000,000 paid on each of the first, second and third anniversaries of the closing; and

earnout payments based on the operating performance of Vividlogic, measured by EBIT (earnings before interest and taxes) (as defined in the Merger Agreement), on a cumulative and one-year performance target basis for the periods ended January 31, 2011, 2012 and 2013.

The Merger Agreement includes customary representations, warranties and covenants by the parties. Consummation of the Merger is subject to customary conditions, including, among other things: (i) the accuracy of representations made by Vividlogic in the Merger Agreement, and (ii) the material performance by Vividlogic of its obligations under the Merger Agreement.

Payments under the Merger Agreement subsequent to closing are subject to reduction should there have been a breach of the representations, warranties, covenants and agreements contained in the Merger Agreement. In addition, in limited circumstances, amounts paid at closing are subject to forfeiture should there have been a breach of certain specified representations, warranties and covenants contained in the Merger Agreement.

All of Vividlogic 's employees will be offered continuing employment with SeaChange subsequent to the closing. In connection with the acquisition, each of Shiva Patibanda, the CEO of Vividlogic, and Ram Balaraman, the CTO of Vividlogic, have entered into Non-Competition Agreements with SeaChange that provide for a noncompete period of five years subsequent to closing, in the case of Mr. Patibanda, and the earlier of two years subsequent to closing and one year subsequent to termination of employment, in the case of Mr. Balaraman.

The terms of the Merger Agreement and the transactions contemplated thereby are the result of arm 's length negotiation among the parties.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Exhibit 2.1 to this report and is incorporated in this report by reference. A copy of SeaChange 's press release announcing the transaction is attached hereto as Exhibit 99.1.

The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about SeaChange, the Merger Sub or Vividlogic. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. Certain of the representations and warranties have been made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts. Investors are not third-party beneficiaries under the Merger Agreement. In addition, the representations and warranties contained in the Merger Agreement (i) are qualified by information in a confidential disclosure schedule that the parties have exchanged, (ii) were made only as of the date of such agreement or a prior, specified date, and (iii) in some cases are subject to qualifications with respect to materiality, knowledge and/or other matters, including standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in SeaChange's or Vividlogic's public disclosures. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts or condition of SeaChange or Vividlogic or any of their respective subsidiaries or affiliates.
